in honor of his commitment to the safety of our community. Mr. Welch, a City of Tampa Utility Accounting employee, exhibited his bravery and concern for others when, on April 26, 2007, he noticed smoke coming out of a home and rushed inside to rescue Ms. Betty Menendez, a 72-year old wheelchair-bound citizen. His quick action was of great assistance to Tampa Fire Rescue, quite possibly saving the life of Ms. Menendez. His actions have definitely made him a role model for others in our community.
