5th Avenue Stormwater Improvements Design

PUBLIC ANNOUNCEMENT IN COMPLIANCE WITH REQUIREMENTS OF CHAPTER 287.055, LAWS OF FLORIDA, CONSULTANTS COMPETITIVE NEGOTIATION ACT, AS AMENDED AND THE CITY OF TAMPA'S EQUAL BUSINESS OPPORTUNITY PROGRAM

The City of Tampa desires to obtain professional **Engineering Services**, related to **5th Avenue Stormwater Management Improvements**. Background; The area near 5th Avenue at 17th Street experiences flooding during storm events. This is primarily to model and upgrade existing stormwater system to alleviate localized flooding the The Ybor District. The primary drainage system is located along 15th Street and outfalls into the Ybor Channel.

The proposed work will involve verification and expansion of the existing stormwater model (provided by the City) using XP-SWMM v2009 (placed in Florida State Plane Coordinate System as well as NAVD88 datum), design services, applications and approved permits, preparation of specifications for the primary upgrades, associated stormwater laterals, inlets, junction boxes, removal of existing pipe, associated relocates and utility coordination, restoration of existing roadway, estimates, scheduling using MS Project, coordination, possible services during construction and related services. Construction cost is currently estimated at \$2.2 million.

A pre-submittal conference will be held at 3 P.M. May 5, 2009 in the 5th Floor Conference Room, 306 E. Jackson Street, Tampa, Florida 33602. Attendance is not mandatory.

Firms desiring to provide these professional services to the City must Submit One "Hard-Copy" and Electronically Submit A Single **Searchable PDF File, Less Than 3MB Size**, Containing One Set of the following for evaluation for further consideration, short-listing, based on the indicated criteria (points): A **Letter of Interest** that refers to **RFQ 09-D-00027**, Resume of qualifications and experience (Standard Form 330, or the same information in similar form)(5) with any **supplemental materials** to show performance on, or low amount of, previous City projects(10), Staffing(20), Urban Stormwater Design Experience(35) Successful Projects of Comparable Scope and Complexity(20), Office Location (5), SLBE participation(5), addressed to;

Steve Daignault Chairman, Consultants Competitive Negotiation Committee,
City of Tampa – Contract Administration Department - 4th Floor North,
306 E. Jackson Street, Tampa, Florida 33602, and

**E-Mailed to ContractAdministration@tampagov.net ,
By 2 P.M., Thursday, May 28, 2009.**

Any Background Information will be posted at
http://www.tampagov.net/dept_contract_administration/programs_and_services/architectural_engineering_construction_and_related_rfqs/index.asp. No further information will be available before the submission deadline.
