

ENTERPRISE FUNDS

Water Utility Fund and Sewer Utility Fund--

to account for the provision of water and sanitary sewer services to the residents of the City and some residents of the County. Activities necessary to provide such services are accounted for in these funds, including, but not limited to, administration, operations, maintenance and financing. Expenses are financed primarily by user charges. Billings and collections are processed primarily by the Utility Accounting Fund.

Solid Waste System Fund--

to account for the provision of solid waste service to City residents. Activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, maintenance and financing. Expenses are financed primarily by user charges. Billings and collections are processed primarily by the Utility Accounting Fund.

Parking Facilities Fund--

to account for the operation and service of the City's parking lots, garages and meters. Activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, maintenance and financing. Expenses are financed primarily by user charges and parking tickets.

Marina Fund--

to account for the operation of the municipal marinas. Activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, maintenance and financing. Expenses are financed primarily by user charges.
