

Appendix

This section provides the following:

1. Comprehensive Plan:

Both City funded and non-City funded Capital Improvement Projects that comprise the list of projects currently identified to meet the level of service as stated in the City of Tampa's Comprehensive Plan.

2. Community Investment Tax:

A summary, by department, of the remaining two years (FY 2000-2001) of the first five year program of the one-half cent Community Investment Tax. Each Capital Improvement Project (CIP) is listed along with an entry for non-CIP items.
