

A Commitment to the Basics

Capital Improvement Project Summaries

The following summaries are offered to assist city council and our citizens in understanding important aspects of this proposed FY 2007-2012 Capital Improvement Plan.

This section also includes maps identifying the location of specific projects. These maps include: stormwater, wastewater and water; community investment tax; parks and recreation; and transportation projects.

The following summaries include projects from all funding sources. The first summary includes funded and previously appropriated bond and state loan funded projects expected to be spent during FY 2007. The second summary includes the above one year program and a plan for the next five years.
