

Recommended Capital  
Improvement Budget

# Commitment to Progress

City of Tampa, Florida • FY2009  
For October 1, 2008 through September 30, 2014

## Appendix

This section provides the following:

### **Comprehensive Plan**

Both city funded and non-city funded capital improvement projects that comprise the list of projects currently identified to meet the level of service as stated in the City of Tampa's comprehensive plan.

### **Commercial Paper Funded Projects (planned)**

This section provides a summary, by department, of the planned commercial paper projects for FY 2009-2014.

### **Community Investment Tax**

This section provides a summary, by department, of the one-half cent community investment tax (CIT). Each capital improvement project (CIP) is listed along with an entry for non-CIP items.

### **Index**

This section provides, in alphabetical order, all projects included in the Capital Improvement Project Detail section with a cross-reference to the page where each project description can be found.
