Express Permit Service Replaces Fax/Mail-in Applications

Construction Services Division will no longer accept fax/mail-in permits

As of January 1, 2008, the Construction Services Division will no longer accept mailed or faxed permits. The online Express Permit service replaces and expedites these submittal processes.

The following services are available online:

- Obtain permits for projects not requiring plan review, such as:
 - Roofing permit
 - Building permit
 - Plumbing permit
 - Electrical permit
 - Air conditioning permit
 - Tree removal/pruning permit
 - Irrigation permit
- Pay permit/re-inspection fees, via credit card, for all City of Tampa permits
- Request an inspection for all City of Tampa permits
- View and print a project summary report for projects in the City of Tampa
- View and print a permit summary report for for projects in the City of Tampa
- View permits for any Tampa construction project
- Print a newly issued permit, or re-print a previously issued permit

To begin using this service, please visit us on the web at http://www.tampagov.net/dept_Construction_Services/programs_and_services/Express_permits.
