Submit Construction Plans by Appointment

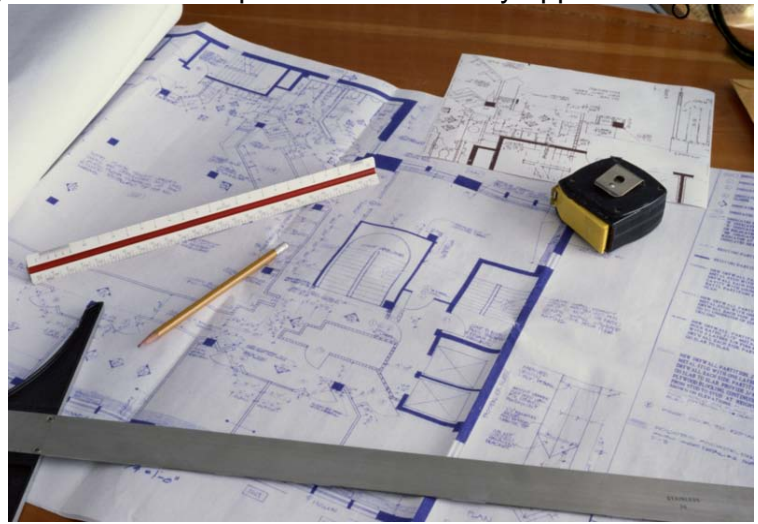

The City of Tampa Construction Services Division (CSD) is excited to offer a new service, "Plan Submittal by Appointment". This new service allows the CSD the opportunity to continue to maximize outstanding customer service and streamline our operations.

Starting October 1, 2009, you will be able to submit your construction plans to the CSD by appointment.

To take advantage of this new service, call our office at least 24 hours in advance to request the desired submittal date and time. Please be prepared to provide general information regarding your project (name, contact information, and the type of construction) to the Client Facilitator.

This new service allows clients with appointments to be seen at their scheduled time eliminating the need to wait for the next available Client Facilitator. We are excited to offer this new service and look forward to continuing to provide expedited services.

For more information or to schedule an appointment, please call the Construction Services Division at (813) 274-3100.

For further information, please visit us on the web at www.tampagov.net/permits.
