**Green Tips:**

Consider making New Year Resolutions that improve our City and our environment:

- Commit to reducing the amount of miles you drive each week, either by using transit, car pooling, bike or walk.
- Set a goal to reduce the amount of garbage you set out at the curb: start composting, use reusable products, take your own bags to the grocery store.
- Support local businesses by buying local.
- Start a garden and/or plant a tree.
- Get off the treadmill and take walks in your neighborhood, at least 3 times a week.

Sincerely,  
Gloria Moreda, Manager  
Land Development Coordination
