Message from the Manager:

Dear Neighbors,

Just wanted to make you aware of an upcoming public workshop that you may wish to attend and offer your comments to City Council.

City Council Workshop

March 26, 2009 at 9:00 a.m.

- To discuss issues pertaining to alcoholic beverage permitting
- To discuss issues pertaining to the vendor code.

City Council public hearings/workshops are located in the City Council Chambers, 315 E. Kennedy Blvd. 3rd Floor.

Remember that you can view all City Codes on-line by going to www.municode.com. Go to the On-line Library, Florida, Tampa and click of Code of Ordinances. The left side of the screen will list the Table of Contents, click the plus sign to open the Chapter you are interested in reading. It is a very good web site once you understand how to use it. Call us if you have trouble and we will walk you through it.

Energy Tip: Reduce Runoff: Slow It Down, Spread It Out, Soak It In
<http://epa.gov/owow/nps/lid/video.html>

Check out this short video (about 9 minutes) that features green techniques such as rain gardens, green roofs and rain barrels to help manage stormwater runoff. These are simple methods that can be used to minimize adverse effects of stormwater runoff and can also save money on water bills.

Sincerely,
 Gloria Moreda, Manager
 Land Development Coordination
