Message from the Manager:

Dear Neighbors,
There are a number of important public hearings and workshops that are scheduled that you all may want to follow and offer comments. They are as follows:

City Council Public Hearings:

February 19, 2009 at 9:30 a.m. on one (1) small scale plan amendment to the Tampa Comprehensive Plan: Plan Amendment PA08-01 from Light Industrial to Heavy Industrial - 7.4 acres bordered by East 8th Avenue to the north, CSX Railway to the south, 62nd Street to the east, and 59th Street to the west.

February 12, 2009 at 5:01 p.m. Privately initiated Ch 27 Zoning text amendment - Alcoholic Beverage changes for large shopping centers.

City Council Workshop

March 26, 2009 at 9:00 a.m.

- To discuss issues pertaining to alcoholic beverage permitting
- To discuss issues pertaining to the vendor code.

City Council public hearings/workshops are located in the City Council Chambers, 315 E. Kennedy Blvd. 3rd Floor.

Green Tampa Idea: Utilize mulch to save water.

Mulch offers many benefits to your landscape. Adding mulch to your landscaping beds is perhaps one of the easiest things you can do to help conserve water, prevent weed growth and improve the look of your yard.

Here are some quick facts about mulch:

- Mulch maintains soil moisture, reducing the need to water established plants.
- Mulch inhibits the growth of weeds, reducing the need for chemical herbicides or other weed control techniques.
- Mulch buffers soil temperature by keeping it cooler in the summer and warmer in the winter.
- Over time, organic mulch decomposes and improves your soil
- Mulch can be used in place of lawn in areas that are difficult to mow or where grass does not grow well
