Message from the Manager:

Dear Neighbors,

The City of Tampa is in the process of amending its land development regulations to be consistent with the 2009 Tampa Comprehensive Plan in regards to the Transportation Concurrency Exception Area. Procedures that will be used in reviewing transportation and mobility impacts are being drafted by the City staff and its consultant. These procedures are designed to encourage growth in designated redevelopment areas, major commercial centers, and along primary transit corridors while mitigating impacts to nearby residential areas.

A series of meetings have been scheduled to allow interested organizations and stakeholders to learn about the new procedures, understand the implications and provide comment into the final development. The meetings will be at the **City of Tampa Construction Services Center, 1400 North Boulevard, 1:00 PM - 3:00 PM, April 14, and May 19, 2010.** You are welcome to attend.
