WHO'S IN RABBITS HOUSE

Someone is in Rabbit's house and won't let him go in. Some of the bigger animals try to help but only make matters worse. Problems are not always solved by those with size and strength. Who do you suppose finally helps Rabbit? The show is based on the Verna Aardema book, "Who's in Rabbit's House," an African Trickster tale.

CREATIVE ARTS THEATRE

Little Red Riding Hood

March, April, May, 2012

You will delight in this favorite childhood fairytale that warns us not to talk to strangers. It's also an opportunity to learn how puppets are created. Watch Little Red Riding Hood come together from Styrofoam ball to animated puppet. Meet the familiar cast of characters you have come to know and love. Little Red Riding Hood and her grandmother are clever and charming. The bungling, awkward wolf is comical and not too scary and the woodcutter appears at the last minute to save the day. Don't miss this special childhood remembrance, performed in a traditional hand puppet stage
