

2009 America Recycles Day

Poetry and T-Shirt Design Project

ARTWORK and POETRY ENTRY FORM

Please list the student's **name, grade and school** for each entry enclosed on the **back** of the piece of artwork/poetry. Slogans/messages can either be incorporated into the artwork design or written on the back of the piece. Please be sure to use pencil so that the writing doesn't show through on the design side of the paper. We recommend photocopying the original artwork piece and writing the student information on the copy to preserve the integrity of the artwork.

The Coordinating teacher selects eight (8) entries to represent the school. Each school can therefore submit up to a maximum of 32 entries total (8 poems and 8 pieces of artwork in each of the two age categories: elementary and middle).

All entries must be **received** no later than **Saturday, November 21, 2009** and must be accompanied by a completed **Entry Form**. All artwork (except winning artwork) will be returned in results packets. Poems will not be returned, so be sure to make copies please.
