

Capital Improvement Project Summaries

The following summaries are offered to assist City Council and our citizens in understanding important aspects of this proposed FY 02-07 Capital Improvement Plan.

This section also includes maps identifying the location of specific projects. These maps include: Leisure Services; Stormwater; Community Investment Tax; Transportation; and Water and Sanitary Sewers Projects.

The following summaries include projects from all funding sources. The first summary includes funded and previously appropriated bond/grant funded projects expected to be spent during FY 02. The second summary includes the above one year program and a plan for the next five years.
