Capital Improvement Project Summaries

The following summaries are offered to assist City Council and our citizens in understanding important aspects of this proposed FY 2005-2010 Capital Improvement Plan.

This section also includes maps identifying the location of specific projects. These maps include: Stormwater; Community Investment Tax; Parks and Recreation; Transportation; Wastewater and Water projects.

The following summaries include projects from all funding sources. The first summary includes funded and previously appropriated bond and state loan funded projects expected to be spent during FY 2005. The second summary includes the above one year program and a plan for the next five years.
