A Clean City is Worth Preserving

Cleanest Cities in U.S.

- 2005: Reader's Digest ranked Tampa #31
- 2008: Forbes Magazine ranked Tampa #8

Attention High School Art Teachers: Contest Opportunity for Your Students

Clean City Day Art Contest for 9th – 12th graders

The City of Tampa Clean City Division is sponsoring its 3rd Annual Art Contest September 8, 2008 – January 30, 2009. We believe the best way to make our city a Model City/Clean City, is to partner with our community. It is our belief that instilling in the students an awareness of the significance of keeping our city clean is important in reaching and maintaining our goal. Therefore, a Clean City Day Art Contest has been created for ninth-twelfth grade students.

The Contest provides students with an opportunity to illustrate a clean city idea with a pirate or treasure chest theme, including the tagline "A CLEAN CITY is worth preserving".

The top three artists in the City of Tampa's Clean City Division Contest will be honored at the Clean City Day Celebration, March 28, 2009 at Al Lopez Park.

The Art Department of the winning student's school will be awarded \$200.00.

The first place winner's design will be printed on a poster. **Individual awards for students:**

- 1st place winner will receive \$300.00
- 2nd place winner will receive \$200.00
- 3rd place winner will receive \$100.00
