Dear Corporate & Community Partner,

The Friends of Clean City is working with private/public sector businesses, community organizations, public schools, universities, colleges and citizens of Tampa to transform the City of Tampa into a Model Clean City.

With your support, Tampa can achieve being a safe, clean and healthy community. We can collectively accomplish this through four areas: community participation, education, neighborhood beautification projects, litter abatement and enforcement. Through education, we are promoting the Treasure Tampa Anti-Litter Campaign with educational materials, media kits and neighborhood awareness signage. Community partnerships are being implemented through the Adopt-A-Street Program and the Trash Receptacle Program. We are addressing the aesthetics of the City of Tampa by having volunteers assigned to clean up and beautify Tampa Neighborhoods within our five designated districts city-wide (New Tampa, North, East, West and South Tampa). Partnering with key stake holders like you, we can combine our efforts to improve the aesthetics of the City of Tampa.

There are several sponsorship opportunities available and with your support, we can make Tampa a Model Clean City. Please contact Tania Rosello at (813) 830-6946 or Sue Ellen Sexton at (813) 301-0333 to secure your sponsorship level. You can also support this effort by participating in our 3rd Annual Golf Tournament, February 27, 2008 at Pebble Creek Golf Club. See flyer for details.

Sponsorship Levels:

Platinum	\$10,000
Gold	\$ 5,000
Silver	\$ 1,000
Bronze	\$ 500
Adopt-A-Trash Receptacle	\$ 750
Vendor Booth	\$ 200

Make checks payable to: Friends of Clean City (501C3 non-profit organization)

Please join us on March 28, 2009 for the 3rd Annual Clean City Day. Your support and leadership in this important initiative will allow the City of Tampa to be a cleaner place to live, work, play and visit today and everyday. Most importantly, your support will help move the City of Tampa up into the Top 5 Cleanest Cities within the United States.

Respectfully,

Sue Ellen Sexton, Chairperson
