Filing of the Notice of Commencement

City to Change Filing of Notice of Commencement

As of **November 5, 2007**, the Construction Services Division will no longer be able to file your Notice of Commencement (NOC) for you. Our Legal Department has informed us that filing the Notice of Commencement cannot be done by the Construction Services Division, since we regulate its enforcement.

This means that you will now need to do the following prior to the first inspection:

- Provide us with a copy of the recorded NOC, or
- Submit a signed and notarized affidavit, along with a copy of the signed NOC, indicating that it has been filed for recording.

You can download a copy or use the fillable form from our webpage at:
