Water Facility Security Imp. Design-Build

PUBLIC ANNOUNCEMENT IN COMPLIANCE WITH REQUIREMENTS OF CHAPTER 287.055, LAWS OF FLORIDA, CONSULTANTS COMPETITIVE NEGOTIATION ACT, AS AMENDED AND THE CITY OF TAMPA'S WOMEN / MINORITY BUSINESS ENTERPRISE PROGRAM

RFQ 08-C-00011- The City of Tampa desires to obtain Professional **Design-Build** services in connection with **Security Improvements at Tampa Water Department Production Facilities.**

The project includes, but is not limited to, field investigation, identification of security needs, preliminary design, final design, permitting, construction, start-up, operations & maintenance instruction and staff training for lock keying systems, electronic access systems, camera systems with Digital Video Recording (DVR), motion detectors, perimeter fence sensing systems, fence arrestor cable reinforcement, lighting improvements, Integrated Security Management Systems (ISMS), Supervisory Control and Data Acquisition (SCADA) systems, and other such equipment commonly associated with security systems.

Background: The City of Tampa Water Department currently owns and operates seven (7) water production related facilities. These facilities have varying degrees of security features. It is anticipated this project will 1) Establish a new security and access system at a water treatment plant and 2) Enhance existing security and access systems to better protect the public water supply.

The project estimated budget is \$500,000 and is subject to funding availability.

A Pre-Submission Conference will be conducted at 3 PM Tuesday December 18th, 2007 in the 4th floor conference room, 306 E Jackson St. Tampa FL 33602. Attendance is not mandatory, but recommended.

Additional information, if any, will be posted at http://www.tampagov.net/dept_contract_administration/prog

[rams and services/architectural engineering construction and related rfgs/](#). No further data will be available before the deadline established for the submission of Letters-of-Interest.
