The East Tampa community, encompassing over seven square miles, is a vibrant neighborhood full of cultural diversity and historical significance. In May 2004, the City of Tampa and residents of East Tampa developed a 30-year Community Redevelopment Plan that set forth a new vision for the area, while identifying general revitalization and redevelopment initiatives. Since then, more than \$27.2 million in Tax Increment Financing (TIF) revenues have been generated for reinvestment in East Tampa. Additionally, the Tampa Police Department has been dedicated to reducing crime and they have focused much effort on making East Tampa safer. Crime has dropped 62.8% in East Tampa since 2003 and the officers have formed a real partnership with the community

2011

Yummy House Chinese Bistro

The 12,000-square-foot Yummy House Chinese Bistro restaurant opened on Hillsborough Avenue. The East Tampa Development Office assisted with identifying property and expediting construction for the \$2.5 million project.

First Façade Grant at Pepin Academy

The Pepin Academies Inc. became the first property to qualify for a façade grant in the amount of \$50,000, which was leveraged into a larger \$150,000 project that included interior and exterior rehabilitation. The façade portion included landscaping, upgraded front wall and an improved bus stop area.

Reflections of East Tampa

Six murals were completed and dedicated at the East Court Plaza adjacent to the Tampa Police Department District III Office. These murals reflect the positive images of the East Tampa community and feature family, church, music, baseball, community, and public safety.

Small Business Education

On-site counseling services and community workshops for small businesses were provided through a partnership with the Hillsborough County Small Business Investment Center, which included the use of \$64,000 in TIF money.

Family Dollar

Family Dollar Stores, Inc. completed construction on the 14,000-square-foot retail store at 15th Street and Dr. Martin Luther King Boulevard. The new \$1.5 million store offers apparel, food, home décor, beauty and health products, and domestic and seasonal goods.

Tampa Family Health Center Clinic

Tampa Family Health Centers opened its seventh healthcare facility at Osborne Avenue and 22nd Street. The 15,000-square-foot facility received \$1.3 million of federal stimulus funding to use toward the \$3.8 million construction costs.

22nd Street Enhancements Phase I

Construction of the \$1.3 million TIF-funded North 22nd Street Enhancement Project was completed. It spans from Martin Luther King, Jr. Boulevard south to Lake Avenue and includes new

traffic signals, cross walks, paving, continuous sidewalks on the east side of the road, a trail on the west side, and upgraded drainage.

Makeovers at Williams Park, Grant Park, and Oak Park

A coalition of businesses, City parks and recreation staff, and Metropolitan Ministries joined with Tampa Bay Community & Housing Partnership to spruce up East Tampa parks. A new roof on the recreation facility, new toilets and faucets were installed in the restroom, board games, basketballs, footballs and toys were donated at Williams Park. Grant Park and Oak Park received new sod, landscaping, pressure washing, and a fresh coat of paint.
