

# Please Join Us!

The City of Tampa is hosting the second community session for the Central Park Community Redevelopment Area Strategic Action Plan. In June, the community was invited to share ideas and help shape the future of the Central Park neighborhood. The redevelopment planning team has prepared concepts that incorporate community input. Come comment on the draft concepts and share your ideas with the planning team.

November 7, 2007  
B.T. Washington Elementary School  
1407 Estelle Street  
6:00 – 7:30 p.m.
