Dear Pensioners who opted-out of the Parker vs. Board of Trustees lawsuit:

This letter is being sent to all persons who opted-out of the Parker vs. Board of Trustees litigation. The Board's attorneys have conducted a thorough review and the Board of Trustees has voted to offer a settlement to all persons who opted-out of this class-action lawsuit. The amount will be consistent with the Partial Mediated Settlement Agreement between the parties in the lawsuit, which is posted on the Board's website.

However, Mr. Parker's attorney, Mr. Wayne Lee Thomas, has indicated his intent to attempt to force all persons who opted-out of the class to be included in the lawsuit against their will. The Board of Trustees, through their counsel, intends to oppose such action. Unfortunately, this action by Mr. Parker's attorney may delay our ability to send you final settlement and release documents and a check in the following amounts:

For retirees: \$1,500 interest + \$100 remaining principal = \$1,600 total

For eligible surviving spouses: \$750 interest + \$50 remaining principal = \$800 total

Our attorneys will be taking legal action to resolve this issue. Hopefully, we can resolve this soon so that we can offer you the settlement.

We hope to be contacting you in the near future regarding this matter.

Sincerely,

  
Patrick S. Lynch  
Chairman
