

GT CERT Planning meeting minutes: 05/12/09

Members Present

P. Becker

J. Pecoraro

R. Drury

D. Winterbauer

Memorandum of Understanding between GTCERT and REACT. Discussed with R. Drury that this *would be acceptable with stipulation that if the event calls for CERT trained members, only CERT trained REACT members can participate.* All other events/trainings would be open. Will ask for REACT to help with GT CERT communications.

Will hold a three-Saturday CERT class for HCSO (starting in June 6<sup>th</sup>, 13<sup>th</sup> and 20<sup>th</sup>) – will be open to public (Location and times TBD). Need to get information for the website ASAP.

Discussed GTCERT communications plan:

GTCERT phone tree:

Primary mode is phone /email / as good idea to add phone # with voicemail at EOC

- Also good idea to be added to Emergency Broadcast system

Secondary mode will be by amateur radio

- Another possibility may be designated public frequency radios
- Question to Mike will there be radios and a frequency available for GTCERT? (Per Jodi, TPD just received new radios, are there plans for the old radios?)
- Will look in to alternate communications for routine communications and ECOMM for GTCERT (Skype, etc...)

Will have the roster updated following feedback from all TL's. Will discuss further at TL/Alt. TL meeting on 05/14.

Will table board member business until next meeting - quorum not present.

- o Nomination for GTCERT secretary replacement

Meeting adjourned at approximately 2040.
