Frames

Top manufacturers and importers provide all the frames you purchase from our network providers. And all of our frames come with warranties against defects. You can choose from the most popular styles, available for all ages and tastes.

Lenses

We work with top national labs to make sure the power and size of your lense are right the first time. You also can get great prices on different lens options including progressive, anti-reflective, UV coatings and tints.

Laser vision correction

While laser vision correction is not a covered benefit, UnitedHealthcare has partnered with the Laser Vision Network of America to provide our members with access to discounted laser vision correction providers. Members receive 15% off usual and customary pricing, 5% off promotional pricing at over 500 network provider locations and even greater discounts through set pricing at LasikPlus locations. For more information, call 1-888-563-4497 or visit us at www.uhclasik.com.

What does that mean?

Network/network provider: A group of eye doctors or vision care facilities that have contracts with an insurance company to provide care or services at special rates; also called “in-network” or “participating network” provider

Non-network provider: An eye doctor or vision facility that does not participate in our network; may provide services at a higher cost; also called “out-of-network” or “non-participating network” provider
