

CITY OF TAMPA

Pam Iorio, Mayor

Department of Public Works

Parking Division

February 1, 2009

Dear Courier City/Oscawana Resident and Residential Business Owner:

On Thursday December 4th, Tampa City Council voted to amend the city ordinance on residential parking to include the boundaries defined by Kennedy Boulevard by the north; Swann Avenue by the south; Armenia Avenue by the west and Fremont Avenue by the east. Prior to the December holidays, staff members of the Department of Public Works met to discuss an appropriate implementation plan. Staff members agreed that implementing the plan through a series of smaller phases would best serve the neighborhood.

As of this time, work orders for sign fabrication and installation have been executed and residential parking permits have been designed and ordered for Phase One. Please see the attached map for details of phase one implementation. With an expeditious approach in mind, the Department of Public Works has agreed to the following project implementation schedule:

Week of February 9th through February 13th – the Fort Brooke Administrative offices (located at 107 North Franklin Street) will be open from 8:00 AM to 7:00 PM for residential parking permit verification and distribution. The Parking Division will validate your parking at the Fort Brooke Parking garage. You will be required to bring a minimum of two (2) of the following items to prove residency:

1. Current utility bill in your name with address in the defined boundary
2. Current property rental agreement or current real estate purchase document
3. Current land line telephone bill in your name with address in the defined boundary
4. Current Hillsborough County property tax bill in your name with the address listed in the defined boundary
5. Valid Florida driver's license with address in the defined boundary

Week of February 23rd through February 27th – Sign installation completion and permit enforcement grace period begins. Warnings will be issued and City of Tampa Parking Enforcement Officer will be visibly present with the boundaries during the hours of enforcement.

Week of March 2nd through March 6th – Parking permit enforcement begins.

Within these boundaries, the residential parking program will be enforced seven days per week during the hours of 6:00PM to 6:00 AM. Each residential address will receive a minimum of one (1) residential parking permit and one (1) residential guest-parking permit at no charge. In the event that a residential address is not assigned any off-street parking, a second residential parking permit will be issued at no additional charge. Additional residential guest parking permits may be purchased in advance for a fee of \$3 per permit per day. Residential business addresses within the prescribed boundaries will be eligible for a minimum of four (4) residential business parking permits valid from 6:00 PM to 9:00 PM, seven days per week, at no charge.

To view a final copy of the proposed residential parking program for the Courier City/Oscawana neighborhood, please visit the Parking Division on-line at www.Tampagov.net/parking. Should you have any additional questions or concerns, please do not hesitate to contact the City of Tampa Parking Division offices at 813-274-8445, 813-274-8474 or 813-274-7506.

Sincerely,

Jim Corbett
Parking Division Manager
City of Tampa
