Parking Pay-and-Display Pay Stations

The City of Tampa Parking Division now offers a new and exciting way to pay for your parking when visiting the Lee Roy Selmon Crosstown Expressway surface lots in downtown Tampa. As of **February 2009**, the surface lots located between Ashley Drive and East Whiting Street (underneath the elevated expressway) will be equipped with fully automated Pay-and-Display pay stations. No more worries about searching for quarters and single dollar bills to pay for your parking. The new pay stations allow you to pay by credit card, debit card, currency and coin.

To purchase parking at the new automated Pay-and-Display pay stations follow these easy instructions:

1. Once you have parked your vehicle proceed to the pay station. Select the amount of time you wish to purchase by pressing the buttons next to the screen. If a special event rate is in effect, you will be required to pay the flat fee as posted.
2. The pay station will prompt you to insert payment. We accept currency, coins, credit and debit cards.
3. The pay station will issue you a receipt and change if necessary.
4. Place the receipt on the dashboard of your vehicle with the printed side facing upward.

Crosstown surface lot parking spaces are enforced 7 days a week.

Please secure all valuables in your vehicle. The City of Tampa is not responsible for any loss or damage.
