

Let's Talk Water!

Looking for a guest speaker for your next event or class?

Tampa Water Department experts are available to speak with your community organization, association, or classroom.

Minimum group size: 10

PRESENTATION TOPICS INCLUDE:

- Where Tampa's water comes from
- How we make your water safe to drink
- Tampa's mandatory outdoor water use restrictions
- Tips to conserve water both inside and outside your home
- How to check for hidden leaks (and reduce your water bill)

Water Department

We Provide:
