THIS CHOICE PARTNER FUNDING AGREEMENT (this "Agreement") is entered into this ____ day of _____, 2014 by and between The Tampa Housing Authority, a body corporate and politic organized under Chapter 421 of the Florida Statutes (herein called the "Lead Grantee"); and The City of Tampa (herein called the "Choice Partner"), 306 E. Jackson Street, Tampa, FL 336.

WHEREAS, the Lead Grantee has applied for and has been awarded funds from the United States Department of Housing and Urban Development (HUD) under Section 24 of the U.S. Housing Act of 1937 and the Consolidated and Further Continuing Appropriations Act, 2012 (Public Law 112-55, 125 Stat. 552, approved November, 18, 2011) ("2012 HUD Appropriations Act"), (collectively the "Choice Neighborhoods Authorization");

WHEREAS, the Lead Grantee has executed a Grant Agreement with HUD to govern the eligibility and use of funding provided under the Choice Neighborhoods Implementation Program, and otherwise govern the manner in which compliant implementation must be conducted. A copy of the Grant Agreement with HUD is attached as Attachment A of this Agreement, incorporated herein by reference and made a part hereof; and

WHEREAS, the Lead Grantee wishes to engage the Choice Partner to assist the Lead Grantee in using such funds in accordance with the Notice of Funding Availability and Grant Agreement for the Choice Neighborhoods Implementation Grant. The Choice Partner agrees to conduct all activities to be assisted with funds provided under this Agreement in accordance with the terms of this Agreement.

NOW, THEREFORE, it is agreed between the parties hereto that;

I. SCOPE OF SERVICE

General Scope of the Choice Neighborhoods Program:

The Choice Neighborhoods Program employs a comprehensive approach to neighborhood transformation. The program transforms neighborhoods of concentrated poverty into mixed-income neighborhoods of long-term viability by revitalizing severely distressed public and/or assisted housing; improving access to economic opportunities; and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods ensures that current residents benefit from this transformation by preserving affordable housing in the neighborhood or providing the choice to move to affordable housing in another neighborhood of opportunity. The purpose of this grant is to implement a Transformation Plan that has been developed through a local process and furthers the goals of the Choice Neighborhoods Program. The core goals of Choice Neighborhoods are:

A. Housing: Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood;

B. People: Improve educational outcomes and intergenerational mobility for youth with services and supports delivered directly to youth and their families; and

C. Neighborhood: Create the conditions necessary for private and public reinvestment that enhances the neighborhood such that families with choices choose to live and stay there.

D. Specific Scope to be delivered by the Choice Partner: The specific scope of work for this Choice Partner is outlined in Attachment B of this Agreement, incorporated herein by reference and made a part hereof.

II. TIME OF PERFORMANCE

Choice Neighborhood Initiative Grant funding is subject to strict statutory deadlines for expenditure. As such the Lead Grantee has established the following expenditure deadlines for all funds awarded to Choice Partner under this Agreement:

Fifty Percent (50%) Expenditure Deadline is September 30, 2016

One Hundred Percent (100%) Expenditure Deadline is September 30, 2018

Any funds not expended after September 30, 2018 will be considered expired under this Choice Partner Funding Agreement and shall not be distributed to the Choice Partner. Failure of the Choice Partner to meet the deadline for the Fifty Percent (50%) Expenditure will be grounds for termination of this Agreement and forfeiture of all remaining unexpended funds by the Choice Partner, at the sole discretion of the Lead Grantee.

III. SCOPE of WORK and BUDGET

The Choice Partner's detailed scope of work and budget breakdown is outlined in Attachment B of this Agreement, incorporated herein by reference and made a part hereof.

The Lead Grantee may require in writing a more detailed scope of work and budget breakdown than the one outlined in Attachment B at any time during the term of this Agreement and the Choice Partner shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the Lead Grantee. Any amendments to the Choice Partners Detailed Budget must be approved in writing by both the Lead Grantee and the Choice Partner.

IV. PAYMENT

It is expressly agreed and understood that the total amount to be paid by the Lead Grantee under this Agreement shall not exceed \$1,000,000.00 for services related to improvements along Scott Street. Requests for the payment of eligible expenses shall be associated with the line item budgets specified in Attachment B, as may be amended as provided herein, and in accordance with performance. Expenses for general administration shall also be paid against the line item budgets specified in Paragraph III and in accordance with performance.

**FY2012 Choice Neighborhoods
IMPLEMENTATION GRANT AGREEMENT**

This grant agreement (“Grant Agreement”) is made by and between the United States Department of Housing and Urban Development (“HUD”) and the Lead and Co-Applicant(s) (“Grantee”). The Grantee received a Choice Neighborhoods Implementation Grant from fiscal year 2012 funds, for the implementation of a Transformation Plan (“Transformation Plan”) that is identified in this Grant Agreement below.

While the Implementation Grant is awarded to the Grantee, only the Lead Applicant identified in the Grantee’s Choice Neighborhoods Application (“Lead Grantee”) will have access to draw down funds in LOCCS. HUD agrees, subject to the terms of this Grant Agreement, to provide grant funds to the Lead Grantee, in the total amount listed on the form HUD-1044, for the activities described in the Transformation Plan as defined in Article III.

The assistance that is the subject of this Grant Agreement is authorized by, and required to be used in accordance with, Section 24 of the U.S. Housing Act of 1937 and the Consolidated and Further Continuing Appropriations Act, 2012 (Public Law 112-55, 125 Stat. 552, approved November, 18, 2011) (“2012 HUD Appropriations Act”), (collectively the “Choice Neighborhoods Authorization”). The 2012 HUD Appropriations Act appropriates \$120 million for the Choice Neighborhoods program.

The form HUD-1044 and the Exhibits are incorporated into and subject to the terms of this Grant Agreement.

HUD and the Grantee hereby agree to be bound by the following terms and conditions of this Grant Agreement:

ARTICLE I. Choice Neighborhoods Requirements

The Grantee agrees to conduct all activities to be assisted with funds provided under this Grant Agreement in accordance with the following requirements, as such requirements now exist or as they may hereafter be amended (hereafter collectively referred to as the “Choice Neighborhoods Requirements”):

- (A) the U.S. Housing Act of 1937 (the “1937 Act”) as applicable, , and all implementing regulations;
- (B) the 2012 HUD Appropriations Act, (Public Law 112-55, 125 Stat. 552, approved November, 18, 2011);
- (C) the Fiscal Year (FY) 2012 NOFA for the Choice Neighborhoods Initiative Implementation Grants published via Grants.gov on January 10, 2012 (the “Choice Neighborhoods Implementation NOFA”) and NOFA Policy Requirements and General Section (“General Section”) to HUD’s FY2012 NOFAs for Discretionary Programs, published via www.grants.gov on September 19, 2011 incorporated therein.
- (D) 31 U.S.C. § 1552. In accordance with this statute, all FY2012 Choice Neighborhoods funds must be expended by September 30, 2019. Any funds that are not expended by that date will be cancelled and recaptured by the Treasury, and thereafter will not be available for obligation or expenditure for any purpose.
- (E) In accordance with section 24(e)(2)(D) of the 1937 Act, Grantees must involve affected residents of the targeted public and/or assisted housing during the implementation process. Grantees are required to involve the affected public and/or assisted housing residents in the implementation of the Transformation Plan. This involvement must be continuous from the beginning of the planning process through the implementation and management of the grant. In addition to the statutory requirement, unless HUD indicates otherwise in writing, Grantees will be expected to undertake resident and community involvement in a manner and method at least as comprehensive as that described in your grant application.
- (F) all executive orders applicable to the activities being conducted with funds provided under this Grant Agreement;
- (G) the terms and requirements of this Grant Agreement, and any amendments or addenda thereto;
- (H) all other applicable Federal requirements, including, without limitation, those set forth in Appendix A; and
- (I) all regulations, handbooks, notices, and policies applicable to the activities being conducted with funds provided under this Grant Agreement.

ARTICLE II. Program Overview

(A) **Goals of the Choice Neighborhoods Program.** The Choice Neighborhoods Program employs a comprehensive approach to neighborhood transformation. The program transforms neighborhoods of concentrated poverty into mixed-income neighborhoods of long-term viability by revitalizing severely distressed public and/or assisted housing; improving access to economic opportunities; and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods ensures that current residents benefit from this transformation by preserving affordable housing in the neighborhood or providing the choice to move to affordable housing in another neighborhood of opportunity. The purpose of this grant is to implement a Transformation Plan that has been developed through a local planning process and furthers the goals of the Choice Neighborhoods Program. The core goals of Choice Neighborhoods are:

- 1. Housing:** Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood;
- 2. People:** Improve educational outcomes and intergenerational mobility for youth with services and supports delivered directly to youth and their families; and
- 3. Neighborhood:** Create the conditions necessary for private and public reinvestment that enhances the neighborhood such that families with choices choose to live and stay there.

ARTICLE III. Choice Neighborhoods Transformation Plan

(A) **General.** The Grantee's Choice Neighborhoods Transformation Plan ("Transformation Plan") consists of a document or documents reviewed and accepted by HUD to govern the transformation of the neighborhood. The Transformation Plan should integrate effective strategies to implement public and/or assisted housing revitalization, the coordination and design of supportive services, including educational opportunities for children, and neighborhood-level planning to improve a range of neighborhood assets. The Transformation Plan should be created as part of a collaborative planning process that involves neighborhood stakeholders and local governmental entities.

The Transformation Plan should translate the three core goals of Choice Neighborhoods – Housing, People and Neighborhood – into a strategy that will direct investments, demonstrate the commitment among a range of public and private partners to address interdependent neighborhood challenges, utilize data to set and monitor progress toward implementation goals, and engage community stakeholders and residents in meaningful decision-making roles.

(B) **Components of the Transformation Plan.** The Grantee's Transformation Plan includes each of the following components, as needed for the Transformation Plan and as approved by HUD. Because some of these documents may be submitted to HUD for approval throughout the implementation of the Grant Agreement, an approved Transformation Plan shall be deemed to mean the most recent set of documents that have been submitted to (as set forth in this Article) and approved by HUD:

- (1) the Grantee's Choice Neighborhoods applications, submitted in response to the FY2012 Choice Neighborhoods Implementation NOFA (the "Choice Neighborhoods Application");
- (2) requests for predevelopment costs, as described in Article VI.
- (3) Post Application Submissions that HUD requires the Grantee to submit following HUD's review of the Choice Neighborhoods application and as a result of a site visit to the housing which is the target of redevelopment under this grant ("Development"), including but not limited to:
 - (a) any additional information required in order for HUD to approve demolition based on the Choice Neighborhoods application;
 - (b) certifications and assurances;
 - (c) a Program Schedule, in accordance with the timeframes established in this Article;
 - (d) a Choice Neighborhoods Budget (all phases) as described in Article VI; and
 - (e) any other information or documentation that is not otherwise required under any other component of the Transformation Plan that is requested by HUD to supplement or refine information provided in the Choice Neighborhoods Application or to meet any terms or conditions of the Grant Agreement.
 - (f) any waiver requests;

(Subparagraphs (a) through (f) are hereafter collectively referred to as, "Post Application Submissions.")

(4) The Grantee must plan for and provide current public and assisted housing residents, relocated public and assisted housing residents, and returning and new public and assisted housing residents with supportive services for the term of the Grant Agreement. Supportive Services programs and services must be carefully planned so that they will be sustainable after the Choice Neighborhoods grant period ends. The Grantee is responsible for tracking and providing Supportive Services programs and services to baseline and revitalization development residents. Baseline residents are those residents that lived in the targeted redevelopment site at the time of application for Choice Neighborhoods. The grantee and HUD will also work together to track the experiences and changing characteristics of revitalization development residents who live at the revitalized site. Supportive Services activities must be well integrated with the physical development process, both in terms of timing and the provision of facilities to house on-site service and educational activities. The Grantee should provide final outcomes and metrics on Supportive Services as identified in the Transformation Plan. The Grantee will report to HUD on those outcomes and measure progress using those metrics as discussed in Article XII. HUD will use these reports to determine if the Grantee has met their supportive service requirements as listed in their Transformation Plan. While public and HUD assisted housing residents have first preference in any Supportive Services provided under this grant, HUD also

encourages the Grantee to provide Supportive Services for residents of the surrounding neighborhood as they are able. To the extent that the Grantee proposed Supportive Services to the surrounding neighborhood residents as part of the application, public housing and HUD assisted housing resident Supportive Services should be tracked in the same way or as proposed in the application.

(5) the Grantee's submissions to HUD in connection with an Endowment Trust, if applicable, in accordance with Article IV(J) (including but not limited to submission of a Choice Neighborhoods Endowment Trust Addendum);

(6) for public housing only, a Demolition Application, if applicable, as described in Article IV;

(7) for public housing only, a Disposition Application relating to the Development, as described in Article IV, to the extent applicable;

(8) for public housing only, a Standard or Mixed Finance development proposal(s), as described in Article IV;

(9) a Homeownership Proposal, as applicable, as described in Article IV; and

(10) any amendment or modification of the foregoing, as approved in writing by HUD.

(C) Incorporation into Grant Agreement. As each component of the Transformation Plan is approved in writing by HUD, it will be deemed to be incorporated into this Grant Agreement.

(D) Time Periods for Implementation. The Grantee agrees to implement its Transformation Plan in accordance with the approved Program Schedule, including but not limited to the following time periods:

(1) In accordance with the Choice Neighborhoods Implementation Grants NOFA as incorporated by Article I(C) above.

(2) Items identified in paragraph (B) of this Article must be submitted to HUD in accordance with the HUD-approved Program Schedule. The Program Schedule is due to HUD within 90 calendar days (weekends and holidays are not excluded) from the Grant Award Date. HUD reserves the right to require Grantee to make edits to these items to put them in a form and substance acceptable to HUD.

(3) The Grantee must start service coordination and case management services as soon as possible, if they have not already. The Grantee must have started these services within 30 days of the Grant Award Date (which was December 13, 2012). It is imperative that case management services begin immediately so that residents who will be relocated have time to participate in and benefit from Supportive Services activities before leaving the site; and that residents who have already been relocated are able to participate in and benefit from Supportive Services activities.

(4) The closing of the first housing phase of development must take place within 18 months of the Grant Award Date. For this purpose, “closing” means all financial and legal arrangements have been executed and actual activities (construction, etc.) are ready to commence. The construction Notice to Proceed or equivalent must be issued no later than 90 days after the closing date, unless otherwise approved by HUD.

(5) Grantees must start housing rehabilitation/construction within 21 months of the Grant Award Date.

(6) Grantees must complete replacement housing rehabilitation/construction by obtaining a certificate of occupancy or equivalent for units funded with Choice Neighborhoods funds by September 30, 2019.

(E) Time Extensions. All requests for extensions of the time periods for implementation listed in paragraph (D)(1)-(4) of this Article must be requested by the Grantee in advance of the deadline date. All requests for extensions must be made in writing and will be reviewed and approved or disapproved by the Deputy Assistant Secretary for the Office of Multifamily Housing Programs, the Assistant Secretary of Public and Indian Housing, and/or the Deputy Assistant Secretary for the Office of Public Housing Investments.

ARTICLE IV: Transformation Activities and Requirements

(A) Program Requirements. Grantees must comply with the Program Requirements stated in Section III.C.3 of the FY 2012 Choice Neighborhoods Implementation Grants NOFA.

(B) Eligible Activities. Grantees may be eligible to complete the activities stated in Section III.C.1.b of the FY 2012 Choice Neighborhoods Implementation Grants NOFA as well as all activities listed in this Article.

(C) Development Activities. If Grantee completes any Development Activities listed below, Grantee must comply with the requirements listed below for each activity.

(1) Standard Development Activity. For any standard (non-mixed finance) public housing development activity under the Transformation Plan (whether on-site reconstruction or off-site development), the Grantee must obtain HUD approval of a development proposal submitted under 24 CFR part 941 (or successor part), as this part may be amended from time to time (“Standard Development Proposal”).

(2) Mixed-Finance Housing Development. For mixed-finance housing development under the Transformation Plan, the Grantee must obtain HUD approval of a mixed finance proposal submitted under 24 CFR part 941, subpart F (or successor part and subpart), as may be amended from time to time (“Mixed Finance Development Proposal”).

(3) New construction of community facilities. For new construction of community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the Development and residents of off-site replacement housing, the Grantee must comply with

24 CFR part 941 (or successor part) as this part may be amended from time to time. Information required for this activity may be included in either a Standard or Mixed Finance Development Proposal.

(D) **Rehabilitation Activities.** For rehabilitation and physical improvement of public housing and/or community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the Development and residents of off-site replacement housing under the Transformation Plan, the Grantee will comply with 24 CFR § 968.112(b), (d), (e), and (g)-(o) and 24 CFR §§ 968.130 and 968.135(b) and (d) or successor part, as may be amended from time to time.

(E) **Homeownership Activities.** Public housing homeownership units developed with Choice Neighborhoods funds must be done in accordance with a homeownership proposal, which must conform with either Section 24(d)(1)(J) of the 1937 Act; or Section 32 of the 1937 Act (see 24 CFR part 906). Additional information on this option may be found at www.hud.gov/offices/pih/centers/sac/homeownership. The homeownership proposal must be consistent with the Section 8 Area Median Income (AMI) limitations (80 percent of AMI) and any other applicable provisions under the 1937 Act. (HUD publishes AMI tables for each family size in each locality annually. The income limit tables can be found at <http://huduser.org/portal/datasets/il/il111/index.html>.)

(F) **Demolition.** You cannot carry out nor permit others to carry out the demolition of the targeted public housing project or any portion of the project until HUD approves, in writing, one of the following ((1) - (3) of this section), and until HUD has also: (i) approved a Request for Release of Funds submitted in accordance with 24 CFR part 58, or (ii) if HUD performs an environmental review under 24 CFR part 50, has approved the property for demolition, in writing, following its environmental review.

(1) Information regarding demolition in your Choice Neighborhoods Application, along with Post Application Submissions requested by HUD after the award of the grant. Section 24(g) of the 1937 Act provides that severely distressed public housing that is demolished pursuant to a revitalization plan is not required to be approved through a demolition application under section 18 of the 1937 Act or regulations at 24 CFR part 970.

(2) A demolition application under section 18 of the 1937 Act.

(3) A section 202 Mandatory Conversion Plan, in compliance with regulations at 24 CFR part 971 and other applicable HUD requirements, if the project is subject to Mandatory Conversion (section 202 of the Omnibus Consolidated Rescissions and Appropriations Act of 1996, Pub. L. 104-134, approved April 26, 1996). A Mandatory Conversion Plan concerns the removal of a public housing project from a PHA's inventory.

(G) **Disposition.** This section applies only to disposition of public housing.

(1) Disposition of a severely distressed public housing site, by sale or lease, in whole or in part, must be done in accordance with section 18 of the 1937 Act and implementing regulations at 24 CFR part 970, as applicable.

(2) The Grantee will comply with the provisions of section 18 of the 1937 Act, and 24 CFR part 970 as applicable, as may be modified or amended from time to time, and the provisions of its approved disposition application (the approved "Disposition Application"), unless otherwise modified in writing by HUD. The Grantee will also comply with procedures for processing dispositions associated with mixed-finance projects as set forth by HUD.

(3) A lease of one year or more that is not incident to the normal operation of a development is considered to be a disposition that is subject to section 18 of the 1937 Act.

(H) Relocation. The following applies only to public housing.

(1) General. The Grantee will provide suitable, decent, safe, and sanitary housing for each family required to relocate as a result of transformation activities under the Transformation Plan.

(2) Relocation Plan. The Grantee must carry out its relocation activities in compliance with a relocation plan that conforms with the following statutory and regulatory requirements, as applicable (the "Relocation Plan"):

(a) Relocation or temporary relocation carried out as a result of **rehabilitation** under an approved Plan is subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 *et seq*; 49 CFR part 24) (URA) and regulations at 24 CFR § 968.108 or successor part and meets the requirements of the Choice Neighborhoods Implementation Grants NOFA.

(b) Relocation carried out as a result of **acquisition** under an approved Transformation Plan is subject to the URA and regulations at 24 CFR § 941.207 or successor part.

(c) Relocation carried out as a result of **disposition** under an approved Transformation Plan is subject to section 18 of the 1937 Act as amended.

(d) Relocation carried out as a result of **demolition** under an approved Transformation Plan is subject to the URA.

(e) If the project also utilizes Community Development Block Grant (CDBG) or HOME funds, section 104(d) of the Housing and Community Development Act of 1974 may also apply. Please refer to the Tenant Assistance Relocation and Real Property Acquisition Handbook (HUD Handbook 1378) for detailed information.

(I) Replacement of Multifamily Housing.

(1) HUD-assisted housing. For projects subject to a project-based section 8 Housing Assistance Payments ("HAP") contract, the Grantee will not engage in or permit the partial or

total demolition of the project, or any activities related thereto, including any activities in preparation for such demolition, without the prior written consent of HUD. Such consent will not be provided until HUD has first approved (i) a proposal for preserving the project-based section 8 HAP contract consistent with applicable statutory authority (e.g., section 212(a) of the 2012 HUD Appropriations Act, or successor legislation; or section 8(bb)(1) of 1937 Act) and all related Departmental policies, procedures, and requirements; (ii) a proposal for project rehabilitation; and (iii) a replacement housing plan that provides for the orderly, temporary relocation of displaced families (e.g., based on the requirements of Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (Multifamily Emergency/Disaster Guidance), section 38-32C (Section 8 Pass Through)) that ensures decent, safe, and sanitary housing, consistent with 24 C.F.R. Part 5 Subpart G (Physical Condition Standards and Inspection Requirements) and 24 C.F.R. Part 200 Subpart P (Physical Condition of Multifamily Properties), at the beginning of and throughout the displacement period.

(2) For projects subject to a project-based section 8 HAP contract, the Grantee will (i) secure or cause to be secured temporary replacement housing for displaced families; will ensure that (ii) the temporary housing is available for the entire duration of the displacement period; and (iii) the housing meets the requirements of 24 C.F.R. Part 5, Subpart G (“Physical Condition Standards and Inspection Requirements”) and 24 C.F.R. Part 200 Subpart P (“Physical Condition of Multifamily Properties”) at the beginning of and throughout the displacement period. To satisfy this requirement, the Grantee is encouraged to adopt the model and the related procedures in Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (“Multifamily Emergency/Disaster Guidance”), section 38-32 C (“Section 8 Pass Through”) for the temporary relocation of section 8-assisted families necessitated by a natural disaster or other emergency. Based on this model and the related procedures, the Grantee is authorized to enter into a temporary lease for a unit in the same locale that meets the foregoing regulatory requirements on behalf of a displaced section 8-assisted family. During this period, the Owner of a property subject to a project-based section 8 HAP contract (“Owner”), whether the Owner is the Grantee or one of the Grantee’s partners, may voucher for the contract rent for that unit on a temporary basis. The Owner pays no more than the contract rent on the temporary dwelling until the resident’s permanent rental unit has been restored to habitable condition and the Owner notifies the resident that they may resume occupancy of their former unit. The resident is still responsible for the resident’s share of the rent. Should the displaced resident fail to return, the Owner may rent the repaired unit to an eligible section 8 applicant. Before doing so, however, the Owner must inform the resident in writing that their assistance is terminated. In the event that the Owner rents the unit to an eligible section 8 applicant, the Owner must first terminate the “pass through” lease that the Owner executed on behalf of the displaced resident. In addition, should the temporarily displaced resident move from the temporarily leased unit before their permanent rental unit is repaired and made available for their return, the Owner can no longer voucher for the temporary unit and the resident is considered permanently housed. (See Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (“Multifamily Emergency/Disaster Guidance”), section 38-32 C (“Section 8 Pass Through”).)

(J) Acquisition.

(1) Acquisition Proposal. Any acquisition activities you undertake with Choice Neighborhoods or other public housing funds must be done in accordance with an acquisition proposal that meets the requirements of 24 CFR 941.303.

(2) **Rental Units.** For acquisition of rental units in existing or new apartment buildings, single family subdivisions, etc., with or without rehabilitation, for use as public housing replacement units, you must obtain HUD approval of a Development Proposal in accordance with 24 CFR 941.304 (conventional development) or 24 CFR 941.606 (mixed-finance development).

(3) **Land for Replacement Units outside the target neighborhood.** For acquisition of land for replacement housing outside the target neighborhood, you must comply with 24 CFR part 941.202 (site and neighborhood standards) or successor part.

(4) **Land for Economic Development-Related Activities.** Acquisition of land for this purpose is eligible if the activities specifically promote the economic self-sufficiency of residents of the neighborhood, such as construction or rehabilitation of parks and community gardens, environmental improvements; or promoting economic development, such as development or improvement of transit, retail, community financial institutions, public services, facilities, assets or other community resources. You may request an amount not to exceed 15 percent of the total Choice Neighborhoods grant to pay the costs of non-housing capital costs as described above for Critical Community Improvements.

(a) Acquisition of land for this purpose is eligible only if the economic development-related activities specifically promote the economic self-sufficiency of residents.

(b) Limited infrastructure and site improvements associated with development retail, commercial, or office facilities, such as rough grading and bringing utilities to (but not on) the site, are eligible activities with prior HUD approval.

(K) Supportive Services.

(1) **Funding.** Consistent with sections 24(d)(1)(L) and 24(j)(3) of the 1937 Act and the Choice Neighborhoods Implementation Grants NOFA, the Grantee may use an amount up to 15 percent of the total Choice Neighborhoods Grant to pay the costs of community and supportive service programs. Of this amount, 5 percent will be held back by HUD and released in the form of an endowment at the end of the grant term, only if anticipated supportive service outcomes have been achieved and if such services can be demonstrated to further desired outcomes beyond the grant term. The Grantee may spend additional sums on community and supportive services programs using donations, HUD funds made available for that purpose, or other Grantee funds.

(2) **Supportive Services Endowment Trust.** The Grantee may deposit up to 15 percent of the Choice Neighborhoods Grant amount (the maximum amount of the grant allowable for Supportive Services programs) into an endowment trust to provide Supportive Services activities (the "Endowment Trust").

(a) The Grantee may not draw down funds provided under this Grant Agreement for deposit into an Endowment Trust until it has a HUD-approved Endowment Trust plan and has executed with HUD an addendum to this Grant Agreement (the "Choice Neighborhoods Endowment Trust Addendum"), as directed by HUD. The Choice Neighborhoods Endowment Trust Addendum

establishes the requirements governing the establishment, operation, and management of an Endowment Trust.

(b) In reviewing the amount of the Grantee's proposed allocation of Choice Neighborhoods Grant funds to an Endowment Trust, HUD will take into account the Grantee's demonstrated ability to pay for current Supportive Services activities with Choice Neighborhoods or other funds, and the projected long-term sustainability of the Endowment Trust to carry out such activities.

(c) Endowment Trust funds (including any non-Choice Neighborhoods funds donated or otherwise made available to the Endowment Trust, and any interest earned on Choice Neighborhoods and non-Choice Neighborhoods funds) may only be used for eligible and necessary Supportive Services activities.

(3) Although targeted housing residents must be the primary beneficiary of Supportive Services, Supportive Services provided to the surrounding neighborhood residents, beyond public and HUD assisted housing residents, are an eligible use of funds.

(L) Administration, Fees and Costs. Reasonable costs for administration, planning, technical assistance, and fees and costs, as established by the Cost Control and Safe Harbor Standards guidance dated April 9, 2003. These costs are limited to the costs of implementing the Transformation Plan, as specifically approved by HUD, such as fees for architectural and engineering work, program management (if any), and reasonable legal fees. You may not use Choice Neighborhoods Implementation Grant funds to pay for any implementation activities carried out on or before the date of the letter announcing the award of the Choice Neighborhoods Grant (December 13, 2012).

(M) Lobbying. The Grantee hereby certifies that no funds provided under this Grant Agreement will be expended for lobbying activities, as prohibited by Section 319 of Public Law 101-121 (which prohibits recipients of Federal contracts, grants, and loans from using appropriated funds for lobbying the Executive or Legislative Branches of the Federal Government), and implemented for HUD at 24 CFR part 87, as the same may be amended from time to time. The Grantee will disclose promptly any commitment or expenditure of non-appropriated funds for lobbying activities if those activities would be prohibited if paid with appropriated funds.

(O) Right of Return. Each tenant who wishes to return to the on-site or off-site replacement housing may return if the tenant was lease-compliant at the time of departure from the housing prior to relocation and continued to remain lease-compliant during the relocation period. A returning tenant shall be provided a preference for occupancy of on-site or off-site replacement units before such units are made available to any other eligible households, or the tenant may choose to retain tenant-based voucher assistance, subject to appropriations and availability, provided under section 8(o) of the United States Housing Act of 1937 for relocation from the properties revitalized under this Grant Agreement. These preferences are retained even if the resident has already received permanent relocation benefits. This preference remains available until the initial lease-up of the new units. Prior written approval for any new tenant-based

voucher assistance, including but not limited to Tenant Protection Vouchers, is required prior to Grantee obtaining voucher assistance.

(P) Site and Neighborhood Standards for Replacement Housing.

(1) **Grantee's Election of Requirements.** A Grantee, at its election, separately with regard to each site it proposes, will comply with the development regulations regarding Site and Neighborhood Standards (24 CFR § 941.202), or with the Site and Neighborhood Standards contained in this Article.

(2) **Replacement Housing Located on Site or in the Target Neighborhood.** Because the objective of the Choice Neighborhoods program is to alleviate distressed conditions at the targeted development and in the target neighborhood, replacement housing under Choice Neighborhoods that is located within the target neighborhood will not require approval by HUD under Site and Neighborhood Standards.

(3) **Replacement Housing Located Outside of the Neighborhood.**

(a) Replacement housing outside the target neighborhood must offer access to economic opportunities and public transportation and be accessible to social, recreational, educational, commercial, health facilities and services, and other municipal services and facilities that are comparable to those that will be provided in the target neighborhood.

(b) Replacement housing outside the target neighborhood shall be located neither in areas of minority concentration (defined as areas where the neighborhood's total percentage of minority persons is at least 20 percentage points higher than the total percentage of all minorities for the MSA as a whole) nor in areas with a poverty rate above 40 percent. The term "area of minority concentration" is any neighborhood in which:

1. The percentage of households in a particular racial or ethnic minority group is at least 20 points higher than the percentage of that particular minority group for the housing market area; i.e., the Metropolitan Statistical Area (MSA) in which the proposed housing is to be located; or

2. The neighborhood's total minority percentage is at least 20 points higher than the total percentage of all minorities for the MSA as a whole; or

3. In the case of a metropolitan area, the neighborhood's total percentage of minority persons exceeds 50 percent of its population.

(Q) Research and Evaluation Cooperation.

HUD and its contractors shall perform research and evaluation activities on the Choice Neighborhoods program, including interviews with the Grantee and community, review of grantee documents and data, surveys of assisted households and neighborhood residents, and documentation of changing physical conditions in the buildings and neighborhood. The Grantee shall make all reasonable efforts to cooperate with HUD and its contractors in carrying out these

activities, including but not limited to facilitating interviews of Grantee's staff and partners, providing HUD's contractor with access to observe community meetings; to data systems, documents, and assisted and public housing residents; and to buildings for conducting physical inspections.

(R) Operation and Management Principle and Policies, and Management Agreement for PHAS.

Grantee must develop a Management Agreement that describes their operation and management principles and policies for their public housing units. Grantees and their procured property manager, if applicable, must comply (to the extent required) with the provisions of 24 CFR part 966 in planning for the implementation of the operation and management principles and policies described below.

- (1) Rewarding work and promoting family stability by promoting positive incentives such as income disregards and ceiling rents;
- (2) Instituting a system of local preferences adopted in response to local housing needs and priorities, e. g., preferences for victims of domestic violence, residency preferences, working families, and disaster victims. Note that local preferences for public housing must comply with Fair Housing requirements at 24 CFR 960.206. No preference should lead to disparate negative impact on any Fair Housing Act protected class;
- (3) Lease requirements that encourage self-sufficiency by promoting involvement in the resident association, performance of community service, participation in self-sufficiency activities, and transitioning from public housing;
- (4) Implementing site-based waiting lists that follow project-based management principles for the redeveloped public housing. Note that site-based waiting lists for public housing must comply with Fair Housing requirements at 24 CFR 903.7(b)(2);
- (5) Strictly enforcing lease and eviction provisions;
- (6) Implementation of defensible space principles and the installation of physical security systems such as surveillance equipment, control engineering systems, etc. to improve the safety and security of residents;
- (7) Enhancing ongoing efforts to eliminate drugs and crime from neighborhoods through collaborative efforts with federal, state, and local crime prevention programs and entities.

ARTICLE V. Changes to the Transformation Plan

(A) Changes Requiring Prior HUD Approval. If the following activities in the application are to be modified or amended, the Grantee must request and obtain prior written HUD approval:

- (1) the Program Schedule. The Grantee must inform HUD immediately, in writing, of any problems, delays or adverse conditions that will impair materially the Grantee's ability to comply

with the Program Schedule, and include a statement of action taken, or proposed to be taken, and any assistance needed to resolve the situation. HUD must approve any proposed changes to the Program Schedule that would modify any date or time period.

- (2) the form of program oversight or governance;
- (3) the overall strategy for community involvement;
- (4) the approved disposition;
- (5) the approved demolition;
- (6) the total number of housing units to be developed or rehabilitated, whether or not there is an associated budgetary revision requiring prior approval;
- (7) changes in any Choice Neighborhoods Budget or phase budget that propose an increase or decrease in any line item, except as permitted by Article VI;
- (8) an extension of the period of availability of the Choice Neighborhoods Grant funds provided under this Grant Agreement, not to go beyond the statutory timeframes;
- (9) changes in the entities or individuals, including any key partners specified in the Transformation Plan as having key responsibilities for carrying out the Transformation Plan (or any component(s) of the Transformation Plan). Subgranting, subcontracting or otherwise obtaining the services of a third party to perform activities that are central to the purposes of the Transformation Plan will constitute such a change in entities or individuals; and
- (10) changes requested by a subgrantee that relate to any of the itemized categories listed in paragraph (A) of this Article.

(B) **Changes Requiring Grant Agreement Amendment.** For the following types of revisions to the Transformation Plan, the Grantee must submit a written request to HUD and must receive HUD's written authorization prior to making any such changes:

- (1) change in the total dollar amount of the grant; and/or
- (2) change in the Development for which funds provided under this Grant Agreement are made available.

Upon HUD's written approval, the change will be implemented by the execution of an amendment to this Grant Agreement, and shall consist of a revised Form HUD-1044 if there is a change in the dollar amount of the grant.

(C) **Waiver Requests.**

(1) **Standard for Approval.** The activities to be conducted under this Grant Agreement are subject to the terms of this Grant Agreement and the Choice Neighborhoods Requirements. Nevertheless, HUD seeks innovative solutions under the Choice Neighborhoods Program to the long-standing problems of severely distressed public and assisted housing developments located in neighborhoods of concentrated poverty, and will consider granting a waiver of specific regulatory requirements, provided that:

- (a) such a waiver would be consistent with applicable statutory requirements; and
- (b) the Grantee is able to demonstrate good cause to support HUD's granting of such a waiver.

(2) **Waiver Request Procedure.** If the Grantee wants HUD to approve a waiver of a regulatory requirement, it must submit a request with sufficient information and justification to enable HUD to make a determination of good cause for granting any such request to deviate from existing regulations. Until such time as the Grantee requests and HUD, in its discretion, approves any such requests in writing, the Grantee does not have authority to implement the activities described in the Choice Neighborhoods Application to which the request for approval applies (or for which a request for approval is needed).

ARTICLE VI. Choice Neighborhoods Budget and Funding Requests

(A) **Budget.** The Grantee must ensure that funds provided under this Grant Agreement are expended in accordance with the Choice Neighborhoods Requirements and a Choice Neighborhoods Budget. Each Grantee must submit to HUD for approval a Choice Neighborhoods Budget as part of the Post Application Submissions. The Choice Neighborhoods Budget allocates ALL Choice Neighborhoods Grant funds into Budget Line Items. The Choice Neighborhoods Budget will serve as the primary budget and may be subject to revision.

(B) **Budget Form.** Each budget submitted in accordance with paragraph (A) of this Article must be submitted on the Choice Neighborhoods Budget Form (form HUD-53236). Part I must be signed and dated by the Lead Grantee, and Part II must include a detailed description of the uses of the funds. Grantees should also track their leveraged fund expenditures and maintain this information on file should HUD request it.

(C) **Pre-Grant Agreement Execution Costs.** After the execution of this Grant Agreement, the Grantee may include in its Choice Neighborhoods Budget, and the Lead Grantee may draw down funds for, costs that were incurred prior to execution of this Grant Agreement, provided that such costs:

- (1) were incurred after the date of HUD's notification letter awarding this Choice Neighborhoods Implementation Grant to the Grantee (December 13, 2012);
- (2) are directly associated with the activities to be funded under this Choice Neighborhoods Grant; and

- (3) are approved as reasonable and eligible by HUD.
- (D) **Predevelopment Costs.**
- (1) **Funding Requests.** The Grantee may request a Choice Neighborhoods Grant funds for predevelopment costs by submitting the Choice Neighborhoods Budget to HUD. Funds may be drawn down for eligible Predevelopment Costs (as defined in subparagraph (2) below), subject to receiving HUD approval and the requirement for an environmental review under Article VII(B), in accordance with the provisions of this Grant Agreement.
- (2) **Eligible Predevelopment Costs.** Eligible predevelopment costs (“Predevelopment Costs”) may include funds for:
- (a) administration costs related to having additional and/or existing staff work on the Choice Neighborhoods Grant;
- (b) fees and costs related to procuring goods and services from third parties in connection with eligible predevelopment activities such as architectural and engineering (A&E) fees;
- (c) resident relocation;
- (d) supportive services costs, including costs dedicated to case management and services;
- (e) costs associated with carrying out environmental reviews, in accordance with 24 CFR § 58.23; and
- (f) site remediation and demolition costs, provided that HUD has notified the Grantee in writing of the approval.
- (3) **Predevelopment Funds.** Upon review and approval of the Choice Neighborhoods Budget as described in Article VI, HUD will make the approved predevelopment funds available to the Grantee for drawdown in LOCCS. The Grantee will ensure that the funds are expended in conformance with the HUD-approved Predevelopment Budget.
- (E) **Program Income.** Unless otherwise approved by HUD in accordance with 24 CFR § 85.25, if the Grantee receives program income:
- (1) prior to grant closeout (e.g., from repayment of loans or sale of homeownership replacement units) the program income:
- (a) must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes, unless otherwise approved by HUD; and
- (b) must be used for eligible activities authorized under this Grant Agreement before the Grantee may draw down additional cash payments from the Choice Neighborhoods Grant.

(2) after grant closeout (e.g., from repayment of loans or sale of homeownership replacement units) the program income must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes. Before the grant is closed out, Grantee will provide HUD a plan for how program income will be reinvested in perpetuity, in a form and substance that is acceptable to HUD.

ARTICLE VII. Project Drawdowns

(A) **LOCCS Payment System.** Notwithstanding any contrary provisions of 24 CFR § 85.21, the Lead Grantee will request all drawdowns of Choice Neighborhoods Grant funds under the Line of Credit Control System (e-LOCCS), unless and until another payment system is designated by HUD. The Lead Grantee will comply with all rules, guidelines, and notices established for Choice Neighborhoods under LOCCS, or any substitute system, in connection with any drawdown of Choice Neighborhoods Grant funds. If HUD designates a different payment system, it will be based upon the provisions of section 85.21 (subject to the provisions of Article XVI (D)).

(B) **Drawdowns.**

(1) The Lead Grantee may draw down Choice Neighborhoods Grant funds for a Budget Line Item (BLI) in an amount up to 100 percent of the amount of that BLI that HUD has approved and made available for drawdown.

(2) Any request for funds in excess of ten (10) percent of the entire grant amount in any month must be approved by HUD.

(C) **Drawdown Consequences of Default.**

(1) **Withholding of Payments.** HUD may withhold payments in accordance with 24 CFR § 85.21(g).

(2) **Grantee Representations.** Each drawdown request by the Lead Grantee will constitute, and be deemed to be, a representation that the Grantee is not in default under this Grant Agreement (except as the Grantee previously may have disclosed to HUD in writing).

(3) **Overdue Reports.** HUD may elect to suspend draws under this Grant Agreement during any period in which the Grantee has failed to file with HUD any quarterly report.

ARTICLE VIII. Matching and Leveraged Funds

(A) **Match Requirements.**

(1) Grantee must have secured a match in the amount of 5 percent of the grant amount in cash or in-kind donations.

(2) **Additional Supportive Services Match.** The lesser of that provided for in your Transformation Plan or up to 15 percent of the Choice Neighborhoods grant may be used for supportive services activities. However, if the Grantee is using more than 5 percent of the grant funds for supportive services activities, funds (cash or in-kind donations) from sources other than Choice Neighborhoods must be secured for the amount between 5 and 15 percent of the grant that Grantee will use for supportive services activities. These resources must be NEW commitments in order to be counted for match.

(B) **Match Donations and Leverage Resources.** Grantee shall keep documentation on matching and leveraged funds during the term of this Grant Agreement and shall provide this documentation in a format acceptable to HUD upon request by HUD, until the closeout of this grant. The documentation should show that the funds are secured and the Grantee should keep records showing how those funds have been expended over time.

ARTICLE IX. Subgrantees and Contractors

(A) **General Grantee Responsibilities.**

(1) **Implementation Team.** The Grantee agrees to promptly assemble a competent implementation team, if you have not already, to assist in working with the Grantee's partners and coordinating all phases of the implementation process.

(2) **Choice Neighborhoods Requirements.** The Grantee shall ensure that any entity to which it makes grant funds available will comply with the Choice Neighborhoods Requirements.

(3) **Required Certifications.**

(a) The Grantee must ensure that all subgrantees and contractors execute an original document in the form of Exhibit A or B, as appropriate, to this Grant Agreement at the time the Grantee executes any contract with any subgrantee or contractor to provide goods or services under this Grant Agreement. The Grantee will retain the executed original certificate together with the executed contract documents.

(b) The Grantee must ensure that the requirements contained in the General Conditions for Non-Construction Form (Form 5370-C) are included in any solicitation in connection with non-construction contracts that will be made by the Grantee and paid for with assistance under this Grant Agreement. Such conditions must also be included in any non-construction contract entered into by the Grantee.

(B) **Administrative Requirements for PHA, Government and Nonprofit Grantees.**

(1) **Administrative requirements applicable to Grantees that are public housing authorities or local governments are:**

- (a) 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments), as modified by 24 CFR part 941 or successor part, relating to the procurement of partners in mixed finance developments;
 - (b) 2 CFR 225 (Cost Principles for State, Local and Indian Tribal Governments); and
 - (c) 24 CFR 85.26 (audit requirements).
- (2) Administrative requirements applicable to nonprofit organizations are:
- (a) 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Nonprofit Organizations, 2 CFR Part 215);
 - (b) OMB Circular A-122 (2 CFR Part 230, Cost Principles for Nonprofit Organizations); and
 - (c) 24 CFR 84.26 (audit requirements).
- (3) Non-profit instrumentalities of state or local governments are subject to 24 CFR Part 85 because of the degree of control exercised by the governmental bodies over the instrumentality non-profit entities.
- (4) Subgrant Agreements
- (a) Grantee Responsibilities Regarding Subgrantees. Grantees will be responsible for:
 - (i) ensuring that subgrantees are aware of the requirements imposed upon them by Federal statutes, regulations, and this Grant Agreement;
 - (ii) ensuring that all subgrant agreements between Choice Neighborhoods Grantees and non-profit subgrantees contain all the provisions required by 24 CFR § 84.48 and Appendix A to Part 84;
 - (iii) ensuring that subgrant agreements include any clauses required by Federal statutes and executive orders, and their implementing regulations; and
 - (iv) monitoring subgrantees' performance to ensure compliance with the Choice Neighborhoods Requirements.
 - (b) State or Local Subgrantee Requirements. State or local government subgrantees are subject to, and required to comply with, the Administrative requirements at 24 CFR part 85 ("Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments") and the cost principles of 2 CFR 225 ("Cost Principles for State, Local and Indian Tribal Governments").
 - (c) Nonprofit Subgrantee Requirements. Nonprofit subgrantees are subject to, and required to comply with, the provisions and standards set forth in the regulations at 24 CFR part 84

“Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations” or the “Nonprofit Administrative Requirements”) and OMB Circular A-122 (“Cost Principles for Nonprofit Organizations” or the “Nonprofit Cost Principles”).

(5) Contractors and Subcontractors

(a) Grantee Responsibilities Regarding Contractors and Subcontractors. Grantees that are subject to 24 CFR part 85 as described in (B)(1) of this Article will be responsible for the following:

(i) For-Profit Entities. Obtain the services of a for-profit entity through a competitive procurement under 24 CFR part 85. However, if the Grantee can demonstrate to HUD that the services to be provided by the for-profit entity can be obtained only from that one source, the Grantee may request HUD approval to select the entity under a sole-source procurement in accordance with 24 CFR § 85.36(d)(4).

(ii) Consultant Services. Obtain consultant services provided under an independent contractor relationship according to the procurement requirements in 24 CFR § 85.36 and the principles of cost reasonableness contained in 2 CFR 225.

(b) Trigger for the Submission of Contracts. Contract documents must be submitted to HUD for prior approval if required or requested by HUD under 24 CFR § 85.36 or 84.44. Any modification of such contracts is also subject to HUD’s written approval before execution.

(c) Debarred or Suspended Parties. Prior to executing any contract, Grantees which are local governments or PHAs will comply with, and ensure compliance with, 24 CFR § 85.35 and 24 CFR part 24, which prohibit the employment, engagement of services, awarding of contracts, subgrants, or funding of any recipients, or contractors or subcontractors, during any period of debarment, suspension, or placement in ineligibility status.

(d) Minority, Women’s, and Resident-Controlled Business Enterprises. In accordance with Executive Orders 11246, 11625, 12432, and 12138, the Grantee will adopt the goal of awarding a specified percentage of the dollar value of the total of the Choice Neighborhoods contracts to be awarded as a result of this grant to minority business enterprises and take appropriate affirmative action to assist resident-controlled and women’s business enterprises.

(6) Administrative Requirements. Administrative requirements applicable to for-profit organizations under contract with a Grantee subject to 24 CFR part 85 as described in (B)(1) of this Article are 48 CFR part 31 (contract cost principles and procedures).

(C) Administrative Requirements for Non-profit Grantees

(1) 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Nonprofit Organizations);

(2) 48 CFR part 31 (contract cost principles and procedures); and

(3) 24 CFR 84.26 (audit requirements). The audit requirements of HUD for for-profit grantees for the purpose of this grant are an audit that complies with Generally Accepted Accounting Principles and that is completed once a year. An audit that complies with A-133 is optional but not required.

ARTICLE X. No Third Party Rights

The Grantee and HUD are the sole parties to this Grant Agreement and do not intend to create any third party beneficiaries to this Grant Agreement. Nothing in this Grant Agreement may be construed as conferring the status of third party beneficiary upon the residents; and in no event shall any entity other than the Grantee have direct rights to the Choice Neighborhoods funds provided for under this Grant Agreement.

ARTICLE XI. Conflict of Interest

(A) **Prohibition.** The Grantee shall comply with the conflict of interest requirements in 24 CFR part 85. No person who is an employee, agent, officer, or elected or appointed official of the Grantee or member of his immediate family and who exercises any functions or responsibilities with respect to activities assisted under this Choice Neighborhoods Grant may have a direct interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder.

(B) **HUD-Approved Exception.**

(1) **Standard.** HUD may grant an exception to the prohibition in paragraph (A) of this Article on a case-by-case basis when it determines that such an exception will serve to further the purposes of Choice Neighborhoods and its effective and efficient administration.

(2) **Procedure.** HUD will consider granting a regulatory waiver only after the Grantee has provided a written request which provides a disclosure of the nature of the conflict, accompanied by:

- (a) an assurance that there has been public disclosure of the conflict;
- (b) a description of how the public disclosure was made; and
- (c) an opinion of the Grantee's attorney that the interest for which the exception is sought does not violate State or local laws.

(3) **Consideration of Relevant Factors.** In determining whether to grant a requested exception under paragraph (B) of this Article, HUD will consider the cumulative effect of the following factors, where applicable:

- (a) whether the exception would provide a significant cost benefit or an essential degree of expertise to the Transformation Plan that would otherwise not be available;

- (b) whether an opportunity was provided for open competitive bidding or negotiation;
- (c) whether the person affected is a member of a group or class intended to be the beneficiaries of the Transformation Plan and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (d) whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process, with respect to the specific activity in question;
- (e) whether the interest or benefit was present before the affected person was in a position as described in paragraph (A) of this Article;
- (f) whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
- (g) any other relevant considerations.

ARTICLE XII. Reporting Requirements

(A) Quarterly Report.

(1) The Grantee will submit to HUD a Quarterly Report as prescribed by HUD 15 calendar days after the end of each quarter, with the first report due April 15, 2013. In the Quarterly Report the Grantee will report at a minimum the progress of their grant, including but not limited to progress against their schedule and budget, expenditures to date, a narrative statement on their progress, progress on priority outcomes as described in the Choice Neighborhoods Implementation NOFA, progress against the priority metrics identified by HUD, and description of financing secured to date for implementation. The Grantee should also include, as appropriate, best practices and lessons learned from the date of the prior Quarterly Report. The Quarterly Reports must be submitted until the Transformation Plan is complete.

(2) Failure to submit to HUD a timely Quarterly Report will result in a suspension of Choice Neighborhoods Grant funds in LOCCS until such time as the report is received and approved by HUD, and/or any other default remedy authorized by Article XIV.

(B) Obligations and Expenditures. The Grantee must enter cumulative obligation and expenditure data into LOCCS by the due dates established by HUD, whether or not there has been any change in the cumulative amounts since the end of the last quarter.

(C) Additional Information Requests. Subject to paragraph (D) of this Article, the Grantee will comply with all other reporting requirements from time to time established by HUD, in its sole discretion, in connection with the Choice Neighborhoods Program. The Grantee will:

- (1) fully cooperate with all reasonable information gathering requests made by HUD or contractors of HUD in the course of authorized evaluations of the Choice Neighborhoods Program; and
 - (2) submit a final report on grant funds by 90 days after the last funded activity, in the form prescribed by HUD.
 - (3) submit a final Transformation Plan report when the Transformation Plan has been completed that details the number of units produced, the status of people outcomes, and any other metrics that HUD prescribes.
- (D) **Additional Requirements.** The Grantee agrees to comply with all other terms and conditions HUD may establish to administer, monitor, or evaluate the Choice Neighborhoods Program in an effective and efficient manner. Notwithstanding the foregoing, however, except as provided in Article XIV, HUD hereafter will not establish any additional terms and conditions without:
- (1) consideration of the burden imposed on the Grantee by such conditions or requirements;
 - (2) consideration of the availability of less burdensome conditions or requirements; and
 - (3) in the case of a term or condition applicable solely to the Grantee, consulting in advance with the Grantee.

ARTICLE XIII. Technical Assistance

- (A) **Site Visits.** The Grantee acknowledges and agrees that HUD, or its designees, may conduct site visits and inspections as deemed necessary by HUD based upon the Grantee's needs in implementing the Transformation Plan or the needs of the Choice Neighborhoods Program. Technical assistance site visits may be provided by HUD or its designees:
- (1) in response to requests from the Grantee; or
 - (2) based upon demonstrated needs of the Choice Neighborhoods Program; or
 - (3) as provided in paragraph (B) of this Article.
- (B) **HUD Assessment.** HUD representatives will visit the site and make an assessment of any technical assistance and/or training that the Grantee may require for the implementation of the Transformation Plan. HUD will consult with the Grantee in determining the Grantee's specific technical assistance and training needs and will carry out subsequent on-site assessments as necessary.
- (C) **Technical Assistance Provider.** If HUD determines, in its discretion, that technical assistance and/or training is necessary for the implementation of the Transformation Plan, it will assign a technical assistance provider to work with the Grantee for this purpose.

(D) Grantee Training/Technical Assistance. The Grantee agrees to use its best efforts to attend any training and to accept any technical assistance provided or sponsored by HUD.

ARTICLE XIV. Unsatisfactory Performance/Default

(A) In accordance with Section 24(i) of the 1937 Act, if the Grantee defaults under this grant agreement, HUD may withdraw any unobligated grant amounts and may pursue other actions as described in this Article. HUD shall redistribute any withdrawn amounts to one or more other applicants eligible for Choice Neighborhoods assistance or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the Transformation Plan of the original Grantee. This section applies to all Grantees regardless of their status as a government, PHA, for-profit, or other entity.

(B) Default. Each of the following events or occurrences, to the extent it constitutes a material breach or occurrence, may constitute a default by the Grantee under this Grant Agreement, as determined by HUD in its sole discretion:

- (1) use of funds provided under this Grant Agreement for any purpose, in any manner or at any time, other than as authorized by this Grant Agreement;
- (2) failure to comply with the Choice Neighborhoods Requirements or any other Federal, State, or local laws, regulations or requirements applicable in creating the Transformation Plan;
- (3) failure to make any submission under Article III, perform any obligation, or otherwise fail to proceed in a manner consistent with the Transformation Plan, (including, without limitation, failure to accomplish an activity by the date specified in the Program Schedule);
- (4) any material misrepresentation in any of the required submissions, including, without limit, any misrepresentations in any of the submissions required by Article III(B); or
- (5) failure to comply with, or any material breach of, any other requirements, conditions or terms of this Grant Agreement.

(C) Notice of Default and Action(s) to Cure.

- (1) General. HUD will give the Grantee written notice of any default. The notice will give the Grantee the opportunity to cure such default within 30 days of the date of the notice, or to demonstrate within this time period, by submitting substantial evidence satisfactory to HUD, that it is not in default. If the default is not able to be cured within the 30-day period, the Grantee will demonstrate, to HUD's satisfaction, that the Grantee has taken actions necessary to cure the default and that the default is curable within 90 days from the date of the default notice. Additionally, the Grantee must agree to carry out such cure diligently and to complete the cure within the 90-day period.
- (2) Immediate Default. Notwithstanding the provisions of paragraph (C)(1) of this Article, HUD in its sole discretion may place the Grantee into immediate default for not being in

compliance with its Program Schedule or for non-compliance with Choice Neighborhoods requirements once written notification of default has been provided to the Grantee. At that time, HUD may immediately begin imposing consequences of default, including specifically the suspension of draws of the Choice Neighborhoods grant.

(3) **Imminent Threat.** Notwithstanding the provisions of subparagraph (C)(1) of this Article concerning the opportunity to cure defaults, if HUD reasonably determines that there is an imminent threat that the Grantee will expend additional Choice Neighborhoods Grant funds in violation of the provisions of this Grant Agreement, HUD may implement the remedial action provided for under subparagraph (C)(4)(d) of this Article to prevent any such unauthorized expenditure until such time as the Grantee has complied with the cure provisions set forth above. HUD will implement such remedial action by written notice set forth either in the notice of default given under paragraph (C)(1) of this Article or by subsequent written notice to the Grantee. An imminent threat is not an immediate default.

(4) **Consequences of Default.** If the Grantee fails to cure all defaults specified in the notice of default within the time periods set forth in paragraph (C)(1) of this Article, or fails to diligently pursue or complete any cure as provided in paragraph (C)(1), HUD may take any of the following remedial actions, upon written notice to the Grantee:

- (a) requiring a Grantee in default to provide evidence to HUD of acceptable performance over such period of time as specified by HUD and to obtain written approval from HUD to proceed to the next phase of activities;
- (b) requiring additional, more detailed financial reports;
- (c) requiring additional project monitoring;
- (d) requiring the Grantee (or subgrantee) to obtain technical or management assistance;
- (e) establishing additional prior approvals; and
- (f) require the Grantee, within a time period established by HUD, to prepare a revised Program Schedule, obtain HUD's approval thereto, and follow such revised Program Schedule to complete the activities under the Grant Agreement;
- (g) require the Grantee, within a time period established by HUD, to revise any activity under the Grant Agreement in order to successfully complete the activities under the Grant Agreement in a manner satisfactory to HUD, including, without limitation, exclusion or revision of affected activities, revision of the Choice Neighborhoods Budget as necessary, and substitution of other eligible activities;
- (h) require submission of additional documentation before any additional request for funds will be approved;

- (i) temporarily suspend the Grantee's authority to draw down Choice Neighborhoods Grant funds for affected activities, or at HUD's sole discretion for all activities, pending action to cure the defaults;
 - (j) disallow use of Choice Neighborhoods Grant funds for all or part of the cost of the activity or action not in compliance;
 - (k) recover amounts determined by HUD to have been improperly expended, including any property obtained by the Grantee with such grant funds;
 - (l) require reimbursement by the Grantee for Choice Neighborhoods Grant funds determined by HUD to have been improperly expended;
 - (m) make arrangements satisfactory to HUD, in its sole discretion, for use of an entity other than the Grantee to carry out activities assisted under the Grant Agreement, including requiring the Grantee to assign any outstanding contracts obligating grant funds to another entity.
- (5) **Additional Enforcement Actions.** If HUD determines that the remedial actions taken by HUD under paragraph (C)(4) of this Article have not been effective in curing the default, or if the Grantee has not complied with the requirements imposed by HUD under paragraph (C)(4) and has not otherwise cured the default, or if HUD exercises its discretion under subparagraph (C)(2) of this Article to institute any of the following actions, HUD may take any of the following remedial or enforcement actions (in addition to any of the remedies permitted under paragraph (C) of this Article upon written notice to the Grantee):
- (a) reduce the Choice Neighborhoods Grant in the amount affected by the default;
 - (b) terminate the Choice Neighborhoods Grant as to all further activities and initiate closeout procedures;
 - (c) recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.
- (i) If the basis for the Grantee's default is its failure to comply with the reasonable time periods established by HUD under Article III(C), HUD shall, in accordance with section 24(i) of the 1937 Act, and unless otherwise approved by HUD under paragraph (C)(3) of this Article, recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.
 - (ii) If the Grantee fails to comply with the reasonable time periods established in Article III(C), HUD may take into account whether factors beyond the Grantee's control are the cause of the delay.
 - (d) take action against the Grantee under 24 CFR part 24 and Executive Order 12549 with respect to future HUD or Federal grant awards; and
 - (e) take any other available legal or equitable remedial action, including, but not limited to, any remedial actions available under a PHA's ACC and/or premised on HUD's interest in the

housing development established in the relevant Declaration of Trust or Declaration of Restrictive Covenants or housing assistance contract, as applicable.

(6) Delinquent Federal Debts. Consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), Grantees with an outstanding federal debt must provide to HUD a negotiated repayment schedule which is not delinquent or have made other arrangements satisfactory to HUD. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the Grantee, but offer the award to the next eligible Grantee. Applicants selected for funding, or awarded funds, must report to HUD changes in status of current agreements covering federal debt. If a previously agreed-upon payment schedule has not been adhered to or a new agreement with the federal agency to which the debt is owed has not been signed, the Grantee will be considered to be in default under this Agreement.

ARTICLE XV. Project Close-Out

(A) Termination of Disbursements Letter. Within 90 days after completion of all grant funded activities, the Grantee will initiate close-out, in accordance with procedures established by HUD, by submitting a Termination of Disbursements letter, which states that:

- (1) The Grantee has completed all activities to be performed using Choice Neighborhoods Implementation Grant funds.
- (2) All requirements of the Grant Agreement have been met.
- (3) All obligated Choice Neighborhoods grant funds have been disbursed; and
- (4) The Grantee will abide by any continuing Federal requirements;

At HUD's option, the Grantee may delay initiation of close-out until the resolution of any HUD monitoring findings. If HUD exercises this option, the Grantee must promptly resolve the findings.

(B) Preliminary Closeout Materials. The Grantee must submit the following Preliminary Close-Out Materials along with the Termination of Disbursements Letter:

- (1) Final Choice Neighborhoods Budget;
 - (2) Final Financial Status Report (Form SF-269-A), which contains a cumulative summary of all expenditures and indicates the balance of unexpended funds.
 - (3) Actual HOPE VI Cost Certificate (Cost Certificate) (Form HUD-53001-A), or a Choice Neighborhoods successor form if created, which summarizes the information on the Financial Status Report and serves as the document that officially closes out the grant.
- (C) HUD Review of Preliminary Close-Out Materials. HUD will review Preliminary

Close-Out Materials to confirm that:

- (1) The amounts on the final Choice Neighborhoods Budget and Cost Certificate agree as to funds approved, obligated and expended.
 - (2) The amount of funds approved and disbursed on the Cost Certificate agrees with HUD records in LOCCS.
 - (3) If HUD disbursed more funds than the Grantee expended, the Grantee will immediately remit to HUD the excess funds, without waiting for completion of the final audit.
- (D) Final Audit. Following HUD approval of the Preliminary Close-Out Materials, the Grantee must conduct a final audit of the Implementation Grant in accordance with the requirements of 24 CFR 85.26 and forward the audit to HUD for approval.
- (E) Cost Certificate. Upon receipt of the final audit, the designated HUD official will execute the Cost Certificate once HUD determines to its satisfaction that:
- (1) the expenditure of funds provided under this Grant Agreement was allowable and reasonable, as determined by the final audit;
 - (2) the activities to be completed using Choice Neighborhoods Grant funds were completed, as required by the Grant Agreement; and
 - (3) all Federal requirements, were satisfied.
- (F) Final Close-Out. Following execution of the Cost Certificate, any funds remaining in the Implementation Grant will be recaptured by HUD. A Post-Audit Date will be entered into LOCCS and the grant will be closed.
- (G) Close-Out Procedures on the Choice Neighborhoods website. Grantees must follow the detailed Close-Out Procedures for the Choice Neighborhoods program, as posted to the Choice Neighborhoods website, including procedures for the Final Choice Neighborhoods Close-Out Approval.

When developing, procuring, maintaining or using EIT, grantees must ensure that the EIT allows:
 - (1) Employees with disabilities to have access to and use information and data that is comparable to the access and use of data by employees who do not have disabilities; and

(2) Members of the public with disabilities seeking information or service from a grantee must have access to and use of information and data and comparable to the access and use of data by members of the public who do not have disabilities. If these standards impose on a grantee, they may provide an alternative means to allow the individual to use the information and data. No grantee will be required to provide information services to a person with disabilities at any location other than the location at which the information services are generally provided.

3. Finance and Accounting

(A) **Commingling of Grant Funds.** The Grantee agrees that, in its recordkeeping, it will not commingle Choice Neighborhoods Grant funds with funds from any other sources including, but not limited to, other HUD program funds or funds from other Federal, State or local government agencies. (Such other funds may be used to carry out the Transformation Plan, so long as they are not commingled in the Grantee's recordkeeping.)

(B) **Duplication of Funding.** The Grantee will ensure that Choice Neighborhoods Grant funds are not used to duplicate work that is funded with any other HUD funds, funds from any other Federal program, or from any other funding source identified under the Transformation Plan, and will establish controls to assure non-duplication of funding.

4. Recordkeeping

(A) **Recordkeeping Authorities.** The Grantee will comply with and be subject to all Federal recordkeeping requirements, including, but not limited to:

- (1) the retention and access requirements for records under 24 CFR § 85.41, or 84.46 and 84.53;

5. Reporting

(A) Compliance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) (Transparency Act), as amended.

(1) Recipient Reporting to Meet the Requirements of the Federal Financial Assistance Accountability and Transparency Act of 2006, as amended:

a. Prime Awardee Reporting. Prime recipients of HUD financial assistance are required to report subawards in the federal government-wide website www.fsr.gov or its successor system. Starting with awards made October 1, 2010 prime financial assistance awardees receiving funds directly from HUD are required to report subawards and executive compensation information both for the prime award and subaward recipients, including awards made as pass-through awards or awards to vendors, where both the initial award is \$25,000 or greater or the cumulative award will be \$25,000 or greater if funded incrementally as directed by HUD in accordance with OMB guidance. If subaward recipients' executive compensation is reported through the Central Contractor Registration (CCR) system, the prime recipient is not required to report this information. The reporting of award and subaward information is in accordance with the requirements of Federal Financial Assistance Accountability and Transparency Act of 2006, as amended by section 6202 of Public Law 110-252, hereafter referred to as the "Transparency Act" and OMB Guidance issued to the Federal agencies on September 14, 2010 (75 FR 55669) and in OMB Policy guidance. The prime awardee will have until the end of the month plus one additional month after a subaward or pass-through award is obligated to fulfill the reporting requirement. Prime recipients are required to report the following information for applicable subawards. This information will be displayed on a public government website pursuant to the Transparency Act.

1. Name of entity receiving award;
2. Amount of award
3. Funding agency;
4. North American Industry Classification System (NAICS) code for contracts/CFDA program for financial assistance awards;
5. Program source;
6. Award title descriptive of the purpose of the funding action;
7. Location of the entity (including Congressional district);
8. Place of Performance (including Congressional district);
9. Unique identifier of the entity and its parent; and
10. Total compensation and names of top five executives.

For the purposes of reporting into the FFATA Sub-award Reporting System (FSRS) reporting

site, the unique identifier is the DUN and Bradstreet Universal Numbering System (DUNS) number the entity has obtained from Dun and Bradstreet, and for Prime awardees the DUNS number registered in the Central Contractor Registration as required by HUD regulation 24 CFR 5.1004.

b. **Prime Grant Awardee Executive Compensation Reporting.** Prime awardees must also report in the government-wide website the total compensation and names of the top five executives in the prime awardee organization if:

1. More than 80 percent of the annual gross revenues are from the Federal government, and those revenues are greater than \$25 million annually; and
2. Compensation information is not readily available through reporting to the Securities Exchange Commission (SEC.)

c. **Subaward Executive Compensation Reporting.** Prime awardees must also report in the government-wide website the total compensation and names of the top five executives in the subawardees if:

1. More than 80 percent of the annual gross revenues are from the Federal government, and those revenues are greater than \$25 million annually; and
2. This required compensation information is not readily available through reporting to the Securities Exchange Commission (SEC). If the subaward recipient's executive compensation is reported through the Central Contractor Registration (CCR), the prime recipient is not required to report the information again.

d. **Transparency Act Reporting Exemptions.** The Transparency Act exempts any sub-awards less than \$25,000 made to individuals and any sub-awards less than \$25,000 made to an entity whose annual expenditures are less than \$300,000. Subawards with a cumulative total of \$25,000 or greater are subject to subaward reporting beginning the date the subaward total award amount reaches \$25,000. The Transparency Act also prohibits reporting of any classified information. Any other exemptions to the requirements must be approved by the Office of Management and Budget.

NOTE: For the purposes of FFATA reporting requirements, "prime grant awardee" includes awardees of capital advances for the Section 202 Housing for the Elderly and Section 811 Housing for Persons with Disabilities programs.

(B). **Compliance with Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), hereafter referred to as "Section 872."** Section 872 requires the establishment of a government-wide data system – the Federal Awardee Performance and Integrity Information System (FAPIIS) - to contain information related to the integrity and performance of entities awarded federal financial assistance and making use of the information by federal officials in making awards. OMB is in the process of issuing regulations regarding federal agency implementation of section 872 requirements. A technical correction to this General section may be issued when such regulations are promulgated.

**For-Profit Subgrantee and Contractor

The Department of Housing and Urban Development (HUD) requires that all for-profit Subgrantees and Contractors on HOPE VI projects sign this "Certifications and Assurances" form certifying that they will comply with the specific federal requirements described below. Scott Street: Green Street Improvements

May 2014

Project Scope of Work

Scott Street is located along the northern boundary of the Encore project in downtown Tampa. The Scott Street improvements are planned to be constructed in two phases. Phase One will extend .28 miles and is located between Orange Avenue and Nebraska Avenue. Phase Two will extend .39 miles and is located between Nebraska Avenue and 7th Avenue. We propose to adhere to 'Low Impact Design' (LID) principles for both phases of the Scott Street 'Green Street' design solution.

LID manages stormwater pollution through an integrated design approach that is attractive and highly effective. The strategies include reliance on bioswales and bioretention areas to convey and capture water rather than reliance on traditional drainage infrastructure; reduction of impervious surface areas; and reliance on natural features and functions to trap and treat runoff.

The Green Street design solution will capture and redirect rainwater for plantings and trees along the roadway. Each of the design features will be linked and strategically placed, contributing to the management of stormwater in a natural systems approach.

LID design elements that will be incorporated into the Scott Street 'Green Street' solution include: May want to change to 'Complete Street' instead of Green Street. Complete Street is more of the industry standard for a design approach as this project will be.

- Rain Gardens and bioretention
- Sidewalk storage
- Vegetated swales, buffers: preserving trees
- Permeable pavers
- Soil amendments, and
- Impervious surface reduction

Pedestrian amenities such as benches, bike racks and trash cans will be strategically incorporated along Scott Street. Pedestrians will experience shade, safe passage and areas of respite. Landscape materials will be a native or Florida-friendly palette and thrive on the natural conditions. Over all and in the long term, the Green Street design features will create an aesthetically pleasing, safe and less costly solution for the new Scott Street.

Notwithstanding the foregoing, the Lead Grantee will not increase the scope of services of the Choice Partner hereunder, without the written consent of the Choice Partner. Such modifications must make specific reference to this Agreement and be executed in writing by a duly authorized representative of both the Lead Grantee and Choice Partner. Such amendments shall not invalidate this Agreement, nor relieve or release the Lead Grantee or Choice Partner from its obligations under this Agreement.

The Lead Grantee will pay to the Choice Partner funds available under this Agreement based upon information submitted by the Choice Partner and consistent with any approved budget and Lead Grantee policy concerning payments. Payments will be made for eligible Choice Neighborhoods related expenses actually incurred by the Choice Partner, and will not exceed actual cash requirements. Payments will be adjusted by the Lead Grantee in accordance with advance fund and program income balances available in Choice Partner accounts. In addition, the Lead Grantee reserves the right to liquidate funds available under this Agreement for costs incurred by the Lead Grantee on behalf of the Choice Partner. To ensure expeditious implementation of activities, Lead Grantee agrees to draw funds from the line of credit and make payment to the Choice Partner within 15 working days of receipt of the Choice Partner's complete, approvable and properly submitted requests for payment for activities under this Agreement, if feasible. the Grant Agreement..

E. Additional Information Requests

Subject to paragraph (D) of this Article, the Choice Partner will comply with all other reporting requirements from time to time established by HUD, in its sole discretion, in connection with the Choice Neighborhoods Program. The Choice Partner will:

Notwithstanding the foregoing, however, except as provided in Article XIV, HUD hereafter will not establish any additional terms and conditions without:

1. consideration of the burden imposed on the Grantee by such conditions or requirements; (2)(2) consideration of the availability of less burdensome conditions or requirements; and

3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to which funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Choice Partner for activities under this Agreement shall be (a) transferred to the Lead Grantee for the Choice Neighborhoods program or (b) retained after compensating the Lead Grantee [an amount equal to the current fair market value of the equipment less the percentage of non-Choice Neighborhoods funds used to acquire the equipment].

I. Performance Monitoring

The Lead Grantee will monitor the performance of the Choice Partner based on goals and performance standards as stated above with all other applicable federal, state and local laws, regulations, and policies governing the funds provided under this Agreement. Substandard performance as reasonably determined by the Lead Grantee will constitute noncompliance with this Agreement. The Choice Partner must document its efforts to ensure that the initial successor in interest ("ISII") in a foreclosed upon dwelling or residential real property (typically, the initial successor in interest in property acquired through foreclosure is the lender or trustee for holders of obligations secured by mortgage liens) has provided bona fide tenants with the notice and other protections outlined in the Recovery Act. The Choice Partner will not use Choice Neighborhoods funds to finance the acquisition of property from any initial successor in interest that failed to comply with applicable requirements unless the Choice Partner assumes the obligations of such initial successor in interest with respect to bona fide tenants. If the Choice Partner elects to assume such obligations, it may only do so if the tenant is still occupying the property and will provide any tenant displaced as a result of the Choice Neighborhoods funded acquisition with the assistance outlined in 24 CFR 570.606. If the Choice Partner knows that the ISII did not comply with the NSP tenant protection requirements and vacated the property contrary to the Choice Neighborhoods requirements, Choice Neighborhoods funds cannot be used to acquire such properties.

The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
