 RE: Bid Compliance Evaluation - GFCEP Utilization & Solicitation

PROJECT: 18-C-00005 Laurel St. Bridge Rehab
LOW BIDDER: Southern Road & Bridge, LLC
BID AMOUNT: \$299,500.00
U-WMBE/Underutilized BBE Subcontract Goal: 0.4%
U-WMBE/BBE Goal Attainment: 0.0%
Good Faith Effort Compliance: Sufficient

The Minority and Small Business Development Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by Southern Road & Bridge, LLC and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE (BBE) eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of one (1) out of three (3) subcontract categories wherein the requisite, eligible U-WMBE (i.c. BBE) companies represented an availability group of two (2) firms. The bidder did not receive timely responses from the target availability group; however, a quote was submitted by a certified WMBE company to provide Maintenance of Traffic (MOT) which was accepted to-be-utilized.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward overall project participation when GFCEP criteria for the underutilized group are met.

COMPLIANCE STATEMENT: Southern Road & Bridge, LLC was unsuccessful in its effort to attain the narrowly-tailored U-WMBE goal; however, the bidder achieved ancillary participation of 1% representing WBE participation.
