- (3) Negotiated in good faith with interested WMBE/SLBEs that have submitted bids (e.g. adjusted quantities or scale). Documentation of negotiation must include the names, addresses, and telephone numbers of WMBE/SLBEs that were solicited; the date of each such solicitation; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with WMBE/SLBEs to perform the work. Additional costs involved in soliciting and using subcontractors is not a sufficient reason for a bidder/proposer's failure to meet goals or achieve participation, as long as such costs are reasonable. Bidders are not required to accept excessive quotes in order to meet the goal. DMI Utilized Forms for sub-(contractor/consultant) reflect genuine negotiations This project is an RFQ/RFP in nature and negotiations are limited to clarifications of scope/specifications and qualifications. See enclosed documentation. Qualifying Remarks:
- (4) Not rejecting WMBE/SLBEs as being unqualified without justification based on a thorough investigation of their capabilities. The WMBE/SLBEs standing within its industry, membership in specific groups, organizations / associations and political or social affiliations are not legitimate causes for rejecting or not soliciting bids to meet the goals. Not applicable. See attached justification for rejection of a subcontractor's bid or proposal. Qualifying Remarks:
- (5) Made scope(s) of work available to WMBE/SLBE subcontractors and suppliers; and, segmented portions of the work or material consistent with the available WMBE/SLBE subcontractors and suppliers, so as to facilitate meeting the goal. Sub-Contractors were allowed to bid on their own choice of work or trade without restriction to a pre-determined portion. See enclosed comments. Qualifying Remarks:
- (6) Made good faith efforts, despite the ability or desire of Bidder/Proposer to perform the work of a contract with its own forces/organization. A Bidder/Proposer who desires to self-perform the work of a contract must demonstrate good faith efforts if the goal has not been met. Sub-Contractors were not prohibited from submitting bids/proposals and were solicited on work typically self-performed by the prime. Qualifying Remarks:
- (7) Segmented portions of the work to be performed by WMBE/SLBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units (quantities/scale) to facilitate WMBE/SLBE participation, even when the Bidder/Proposer might otherwise prefer to perform these work items with its own forces. Sub-Contractors were allowed to bid on their own choice of work or trade without restriction to a pre-determined portion. Sub-Contractors were not prohibited from submitting bids/proposals and were solicited on work typically self-performed by the prime. See enclosed comments. Qualifying Remarks:
- (8) Made efforts to assist interested WMBE/SLBEs in obtaining bonding, lines of credit, or insurance as required by the city or contractor. See enclosed documentation on initiatives undertaken and methods to accomplish. Qualifying Remarks:
- (9) Made efforts to assist interested WMBE/SLBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, including participation in an acceptable mentor-protégé program. See enclosed documentation of initiatives and/or agreements. Qualifying Remarks:
- (10) Effectively used the services of the City and other organizations that provide assistance in the recruitment and placement of WMBE/SLBEs. See enclosed documentation. The following services were used: - COT website - UMWBE Availability Contact List

 FROM: Gregory K. Hart, MBD Manager
 RE: EBO Bid Compliance Evaluation - GFCEP Solicitation and Utilization Audit

PROJECT: 18-C-00041 Stormwater Construction Citywide FY18 - Rebid
LOW BIDDER: Stage Door II, Inc.
BID AMOUNT: \$2,907,662.78

U-WMBE (BBE) Subcontract Goal: 30.0%
U-WMBE Goal Attainment: 6.58%
Good Faith Effort Compliance: Sufficient

The Minority and Small Business Development Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by the low bidder, Stage Door II, Inc., and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) at the time of bid by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE (BBE) eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of nine (9) out of eleven (11) subcontract categories wherein the requisite, eligible U-WMBE companies represented a minimum availability group of fifty-nine (59) firms, within an overall availability group of two-hundred (200+) available COT certified companies by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.

Compliance Statement: Total U-WMBE goal participation is 6.58% representing BBE (African Am. Business Enterprise). Additionally, the bidder achieved ancillary participation of 2.4%, Dual SLBE/HBE (Hispanic), 0.78% Dual SLBE/WBE Women-owned and 1.44% SLBE, (Non-Minority Small Business). The overall subcontract participation including Ancillary is 11.2%.

U-WMBE Subcontract Goal Attainment

Certification Type	Classification	Classification	Totals
U-WMBE Disparity	BBE	---	6.58%

Ancillary WMBE/SLBE Participation

Certification Type	Classification	Totals
Dual SLBE/WMBE	HBE	2.40%
Dual SLBE/WMBE	WBE	0.78%
SLBE	Non-Minority	1.44%
