 RE: EBO Bid Compliance Evaluation - GFCEP Solicitation and Utilization Audit

PROJECT: 19-C-00049 FY19 City-Wide Stormwater Box Culvert Rehabilitation Rebid
 2nd LOW BIDDER: Vortex Services, LLC
 BID AMOUNT: \$1,399,094.00
 U-WMBE/SLBE Subcontract Goal: 4.2%
 U-WMBE/SLBE Goal Attainment: 0.42%
 Good Faith Effort Compliance: Sufficient

The Minority and Small Business Development Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by 2nd Low Bidder Vortex Services, LLC and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE and SLBE eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of seven (7) out of eleven (11) subcontract categories wherein the requisite, eligible U-WMBE and SLBE companies represented a minimum availability group of eighty (80+) firms, within an overall availability group of one hundred forty (140+) available COT certified companies by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.
