RE: EBO Bid Compliance Evaluation - GFCEP Solicitation and Utilization Audit

PROJECT: 19-C-00051: Howard F. Curren AWTP Methanol Storage Tank Replacement
LOW BIDDER: Poole & Kent Company of Florida
BID AMOUNT: \$1,579,607.00
U-WMBE (BBE) and SLBE Subcontract Goal: 23.2%
U-WMBE/SLBE Goal Attainment: 3.6%
Good Faith Effort Compliance: Compliant-Met Requirements

The Equal Business Opportunity Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by the low-bidder, Poole & Kent Company of Florida, and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) at the time of bid by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE (BBE) and SLBE eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of nine (9) out of nine (9) subcontract categories wherein the requisite, eligible U-WMBE/SLBE companies represented a minimum availability group of one hundred (100+) firms, within an overall availability group of one hundred eighty (180+) available COT certified companies by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.

U-WMBE/SLBE Subcontract Goal Attainment

Certification Type	Classification	Classification	Total
U-WMBE/SLBE	BBE = 1.58%	SLBE = 2.02%	3.60%

Ancillary WMBE Participation

Certification Type	Classification	Total
WMBE	HBE	3.03%

Compliance Statement: Total WMBE/SLBE participation is 6.63% of which 1.58% represents BBE (African American) and 2.02% represents SLBE (Non-Minority). Additionally, the bidder achieved Ancillary participation of 3.03% representing HBE (Hispanic American).
