RE: EBO Bid Compliance Evaluation - GFCEP Solicitation and Utilization Audit

**PROJECT:** 19-C-00057: Davis Islands Water Main Replacement  
**LOW BIDDER:** Ric-Man Construction Florida, Inc.  
**BID AMOUNT:** \$4,445,924.08  
**U-WMBE and SLBE Subcontract Goal:** 24.0%  
**U-WMBE/SLBE Goal Attainment:** 0.07%  
**Good Faith Effort Compliance:** Compliant – Met Requirements

The Minority and Small Business Development Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by the low-bidder, Ric-Man Construction Florida Inc, and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) at the time of bid by having performed meaningful action steps to (a) identify and (b) directly solicit U-WMBE and SLBE eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of eight (8) out of twelve (12) subcontract categories wherein the requisite, eligible U-WMBE/SLBE companies represented a minimum availability group of one hundred (100+) firms, within an overall availability group of one hundred sixty (150+) available COT certified companies by subcontract tasks.

***NOTE:** The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.*

**Compliance Statement:** Ric-Man Construction's overall WMBE/SLBE subcontract achievement including ancillary participation is 28.43% of which 0.07% represents BBE (African American), 27.38% WBE (Women-owned) and 0.98% ABE (Asian Business Enterprise).

**U- WMBE/SLBE Subcontract Goal Attainment**

Certification Type	Classification	Classification	Totals
U-WMBE	BBE		0.07%

**Ancillary WMBE Participation**

Certification Type	Classification	Totals
WMBE	WBE	27.38%
WMBE	ABE	0.98%
