RE: EBO Bid Compliance Evaluation - GFCEP Solicitation and Utilization Audit

PROJECT: 20-C-00019 Sunset Park Distribution Line Replacement (East)
LOW BIDDER: AMICI Engineering
BID AMOUNT: \$1,933,000.00

U-WMBE (BBE) / SLBE Subcontract Goal: 21.9%
U-WMBE/SLBE Goal Attainment: 21.8%
Good Faith Effort Compliance: Compliant-Met Requirements

The Equal Business Opportunity Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by Low Bidder AMICI Engineering and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) at the time of bid by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE and SLBE eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of six (6) out of nine (9) subcontract categories wherein the requisite, eligible U-WMBE and SLBE companies represented a minimum availability group of eighty (80+) firms, within an overall availability group of one hundred ten (110+) available COT certified companies by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.

Compliance Statement: Total U-WMBE/SLBE goal participation is 21.8% representing 20.3% BBE (African American), 1.47% SLBE (non-minority) small business and .08% dual certified SLBE/HBE (Hispanic). Additionally, AMICI Engineering achieved Ancillary WMBE participation of 15.6%. The overall project participation including Ancillary is 37.4%.
