U-WMBE/SLBE Goal Attainment: 0%
Good Faith Effort Compliance: Compliant-Met Requirements

The Equal Business Opportunity Office evaluated the Good Faith Effort Compliance Plan (GFCEP) submitted by Low bidder Stage Door II, Inc and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) at time of bid by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE and SLBE eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of four (4) out of seven (7) subcontract categories wherein the requisite, eligible U-WMBE and SLBE companies represented a minimum availability group of forty (40+) firms, within an overall availability group of ninety (90+) available COT certified companies by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly tailored goal but may count toward the bidder's overall project participation when GFCEP criteria for the underutilized group are met.
