 RE: SLBE/WMBE Utilization & Solicitation Evaluation

PROJECT: 14-C-00035: Citywide Roadway Improvements, Fiscal Year 2014

LOW BIDDER: Ajax Paving Industries of Florida, LLC

BID AMOUNT: \$3,626,200.00

SLBE/Underutilized-WMBE Subcontract Goal: 3.4%
SLBE/U-WMBE Goal Attainment: 5.0%
Good Faith Effort Compliance: SUFFICIENT – EXCEEDED GOAL

The prime contractor (Ajax Paving Industries of Florida) exceeded the subcontract goal established on the project and provided the required documentation to support “goal-met” on DMI Forms submitted with bid. The detailed Compliance Report is attached and should be made a part of the project file.

Note: The subcontract goal is narrowly tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the project-specific goal is considered ancillary. However, Ancillary participation is counted in the overall participation, but not credited toward achieving a narrowly tailored project-specific goal.

Compliance Statement: Total SLBE/U-WMBE goal participation is 5.0% of which 2.1% represents BBE, 0.9 % WBE and 2.0% Non-Minority SLBE. Additionally, the bidder achieved ancillary WBE participation of 16.5%. Overall Project participation = 21.5%.

SLBE/U-WMBE Goal Attainment

Certification	Classification	Classification	Totals
DUAL SLBE/WMBE	BBE = 2.1%	WBE = 0.9%	3.0%
SLBE Only			2.0%

Ancillary WMBE Participation

Certification	Classification	Totals
WMBE	WBE = 16.5%	16.5%
