

VOLUNTARY WELLNESS PHYSICALS (Sworn Employees)

If utilizing **Life Scan Wellness Centers**, please follow the instructions below:

Life Scan Wellness Centers

1011 North MacDill Avenue

Tampa, FL

Phone: (813) 876-0625

Scheduling beginning Monday, 12/01/2014 with blood work drawn on or before Monday 11/17/2014

The process is as follows:

1. **2-weeks before your desired appointment with Life Scan Wellness Centers, you must have a fasting blood draw completed.** You must schedule an appointment with Labcorp to obtain required bloodwork. Go to <http://www.labcorp.com> to set a convenient location and appointment time.
2. Before going to Labcorp, go to the City of Tampa's City Pulse wellness page on the Internet to download a LabCorp form. Please note, there are 2 forms (one for Female and one for Male). Please print out and complete the appropriate form prior to going to Labcorp. At the Tampa City Pulse wellness page, you will also find the LifeScan Wellness Center's "Patient Packet". These forms are required to be completed and brought with you to your scheduled appointment.
3. To schedule an appointment, please call Life Scan (813) 876-0625. Previously an electronic calendar for appointments was available; however, it has been determined that it is more convenient to contact Life Scan directly for an appointment.
