AGREEMENT/PREAMBLE

THIS AGREEMENT is entered into as of this 24th day of January, 2020, between the City of Tampa, Florida, hereinafter referred to as the "City" and the Tampa Police Benevolent Association, hereinafter referred to as the "PBA." It is the intent and purpose of this Agreement to assure a sound and harmonious working relationship between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein basic and full agreements between the parties concerning rates of pay, wages, hours and other terms and conditions of employment. There shall be no individual arrangement contrary to the terms herein provided. Either party hereto shall be entitled to require a specific performance of the provisions of this Agreement. It is understood that the City and the employees covered by this Agreement are engaged in furnishing essential public services which vitally affect the health, safety, comfort and general well being of the public and both parties hereto recognize the need for continuous and reliable service to the public.

ARTICLE 1
RECOGNITION

1.1 The City recognizes the PBA as the exclusive bargaining representative as defined in Chapter 447, Florida Statutes, as amended, effective January 1, 1975, for all Police Lieutenants (certification #1213).

1.2 The term "Employee," as used in this Agreement, means a full time permanent employee in the bargaining unit, including probationary employees.

ARTICLE 2
REPRESENTATIVES OF THE PARTIES

2.1 The City agrees that during the term of this Agreement it will deal only with the authorized representatives of the PBA in matters requiring mutual consent or other official action called for by this Agreement. The PBA agrees to notify the City of the name of such authorized representatives as of the execution of this Agreement and replacement thereof during the term of this Agreement.

ARTICLE 3
CITY'S MANAGEMENT RIGHTS

3.1 Except as expressly limited by any provision of this Agreement, the City reserves and retains exclusively all of its normal and inherent rights with respect to the management of its operations, whether exercised or not, including, but not limited to, its right to determine, and from time to time redetermine, the number, location and type of its various operations, functions and services; the methods, procedures and policies to be employed; to discontinue the conduct of any operation, function or service, in whole or in part; to transfer its operations, functions or services from or to, either in whole or in part, any of its departments or other divisions; to select and direct the working force in accordance with requirements determined by the City; to create, modify or discontinue jobs; to establish and change working rules and regulations; to create new job classifications; to establish and change work schedules and assignments; to transfer, or promote employees; to lay off, furlough, demote or otherwise relieve employees from work for lack of work, lack of funds, or other legitimate reason; to suspend, discharge, demote or otherwise discipline employees for just cause; to subcontract; and to alter or vary past practices and otherwise to take such measures as the City may determine to be necessary to the orderly and efficient operation of its various operations, functions and services.

3.2 If in the sole discretion of the Mayor it is determined that civil emergency conditions exist, including riots, civil disorders, hurricane conditions, similar catastrophes or disorders, or public employee strikes, the provisions of this Agreement may be suspended by the Mayor during the time of the declared emergency, provided that wage rates, overtime and other monetary benefits shall not be suspended and provided further that any disciplinary action taken during such declared emergency shall be grievable at the end of the declared emergency.

3.3 The exercise of the above enumerated rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this collective bargaining agreement.

ARTICLE 4
GRIEVANCE PROCEDURE

4.1 A grievance shall be defined as any difference, dispute or complaint regarding the interpretation or application of the terms of this Agreement including rights or working conditions, provided however that employees or the PBA shall not be eligible to file grievances regarding pending file entries except when the pending file entry is the result of a sustained IA investigation.

4.2 All grievances filed shall refer to the specific section of this Agreement upon which the grievance is based and shall contain a concise statement of the facts alleged to support the grievance. Grievances shall be processed in accordance with the following procedure and shall be determined by application of the terms of this Agreement, the laws of the United States, the State of Florida, and the Charter and Ordinances of the City of Tampa.

Step 1. The aggrieved employee shall present his/her grievance in writing on the appropriate form to his/her immediate supervisor within twenty-one (21) calendar days of the occurrence or the date on which he/she knew or should have known of the action giving rise to the grievance. The aggrieved employee may request that PBA representation be present. Prior to responding to the grievance, the immediate supervisor shall meet with the aggrieved employee. Discussions will be informal for the purpose of settling differences in the simplest and most direct manner. The immediate supervisor shall reach a decision and communicate it in writing to the aggrieved employee within fourteen (14) calendar days from the date the grievance was presented to him/her. Although responses at Step 1 shall not set a precedent, it is the intent of the grievance procedure to require supervisors to reach decisions and communicate them through the Step 1 grievance response as provided herein.

Step 2. If the grievance is not settled in the first step and the aggrieved employee desires to appeal the decision in the first step, then within fourteen (14)

calendar days of the date of the answer in the first step, the grievance shall be presented by the employee to the appropriate Division Commander (or designee). In the event that the employee is assigned to a bureau which reports directly to an Assistant Chief then the employee shall present the grievance to the Assistant Chief. If the employee's bureau reports to the Chief of Police then the employee shall proceed to Step 3 of the grievance procedure. The Division Commander shall review the facts concerning the alleged grievance and shall, within fourteen (14) calendar days following receipt of the written grievance meet with the aggrieved employee. The aggrieved employee at his/her option may be accompanied at this meeting by PBA representation. The Division Commander (or designee) shall notify the employee of his/her decision in writing not later than fourteen (14) calendar days following the meeting date.

Step 3. If the grievance is not settled at the second step and the aggrieved employee desires to appeal the decision in the second step, then within fourteen (14) calendar days of the date of notification from the Division Commander (or designee), the written grievance shall be presented by the employee to the Chief of Police through the appropriate Assistant Chief. The Chief of Police shall review the facts concerning the alleged grievance and shall, within fourteen (14) calendar days following receipt of the written grievance, meet with the aggrieved employee. The aggrieved employee at his/her option may be accompanied at this meeting by PBA representation. The Chief of Police (or designee) shall notify the aggrieved employee of his/her decision in writing not later than fourteen (14) calendar days following the meeting date.

Step 4. If the grievance is still unresolved and the aggrieved employee desires to appeal the decision in the third step, the employee shall submit the grievance and all responses to the Director of Human Resources (or designee) within fourteen (14) calendar days of the date of the response from the Chief of Police (or designee). Within fourteen (14) calendar days of the date of submission to the Director of Human

Resources of the grievance, the Director of Human Resources (or designee) shall meet with the aggrieved employee to discuss the grievance. The aggrieved employee, at his/her option, may be accompanied at this meeting by PBA representation. The Director of Human Resources (or designee) shall then notify the aggrieved employee of the decision in writing within fourteen (14) calendar days of the date of the meeting.

4.3 Nothing in this Agreement shall be construed to prevent any employee from presenting, at any time, his/her own grievances in person or by legal counsel, to the City and having such grievances adjusted without the intervention of the PBA, if the adjustment is not inconsistent with the terms of this collective bargaining agreement and if the PBA has been given reasonable opportunity to be present at any meeting called for the resolution of such grievances, provided however, that the PBA shall retain exclusively its right to appeal grievances to final and binding arbitration.

4.4 In the event that the grievance is unresolved, the matter shall be submitted to final and binding arbitration as provided in this section.

4.4.1 Within twenty-one (21) calendar days of the date of the decision of the Director of Human Resources, the PBA shall notify the Director of Human Resources of the intent to arbitrate. The PBA shall request a list of arbitrators within forty-five (45) calendar days. The City and the PBA shall select the arbitrator from a list of not less than seven (7) names submitted by the Federal Mediation and Conciliation Service (FMCS) within twenty-one (21) calendar days from receipt of said list. The selection shall be made by alternately striking names and the remaining name shall be the arbitrator. The PBA and the City shall alternate striking the first name from the list every other arbitration. The PBA shall provide payment of the FMCS filing fee. In the event that the parties mutually agree, before any striking of names occurs, that the list of arbitrators is unsatisfactory, a new panel may be requested.

4.4.2 As promptly as can be arranged but not more than forty-five (45) calendar days unless mutually agreed by the City and the PBA, the arbitration hearing shall be held. In the

event the arbitrator selected is not available within a reasonable time period the parties may mutually agree to select another arbitrator from the list. Each party shall pay its own expense for its representative, counsel and witnesses. The fees of the arbitrator and other expenses of arbitration, shall be shared equally by the City and the aggrieved party. The decision of the arbitrator shall be final and binding on both parties. The arbitrator shall limit his/her decision strictly to the interpretation, application and enforcement of this Agreement and shall have no power to amend, add to or subtract from the terms of the Agreement.

4.5 The time limits contained herein shall be extended for fourteen (14) calendar days upon written notification of either party. Any extension greater than fourteen (14) calendar days may be extended by mutual agreement in writing. Grievances not appealed to the next higher step within the prescribed time limits will be considered settled on the basis of the last answer by Management. Failure by Management to observe time limits for any step of the grievance procedure shall result in automatic advancement of the grievance to the next step. However, the grieving employee or the PBA must notify the next step that the time limit has expired resulting in an appeal to the next step. If the City fails to respond within the time limits specified with respect to Step 4, the City will forfeit the grievance, however, such forfeiture shall not be considered as a decision on the merits of the grievance or in any way establish a precedent. Calendar days shall not include designated City holidays.

4.6 All unit members shall, in any matter involving suspension or dismissal, have the option of utilizing the Civil Service Appeal procedure or this grievance procedure, but not both. The employee shall select the process to be used on the form provided at the time of the filing of the grievance. The employee shall have the right to be represented by a PBA representative or any other person of the employee's choice before the Civil Service Board.

4.7 The PBA shall have the right to file grievances in the third step of the grievance procedure in any nondisciplinary matter involving the interpretation or application of this Agreement, provided however, that this right shall be strictly limited to those matters where the PBA can factually demonstrate:

- (a) That the matter is covered by a provision of the Agreement; and,
- (b) That the matter involves the interpretation or application of that provision; and,
- (c) The grievance does not seek to add to or subtract from any provision of the Agreement; and,
- (d) The subject matter of the grievance is general in nature having application to a majority of the members of the unit.

4.8 Grievances regarding written reprimands, suspensions, demotions, or dismissals shall enter the grievance procedure at the third step. Said grievance shall be filed with the Police Chief (or designee) within twenty-one (21) calendar days of the occurrence or the date on which the grievant knew or should have known of the action giving rise to the grievance. Time limits for hearings, responses, and further appeal shall be those set forth in Article 4.2 (Step 3 and Step 4) and Article 4.4 of this Agreement and all other provisions of the Agreement shall apply.

4.9 The PBA may act as the representative of the employee at any step of the grievance procedure.

ARTICLE 5
PBA BUSINESS

5.1 Neither PBA representatives nor unit employees shall leave their posts or work stations for the purpose of investigating, presenting, handling or settling grievances without the express permission of their Shift or Bureau Commander (Captain or higher). PBA Executive Officers may contact employees or other person concerning grievance matters or PBA business during either the working hours of the PBA Executive Officer or the working hours of any employee sought to be contacted without the express prior permission of the Shift or Bureau Commanders (Captain or higher) of the employees involved provided it does not interfere with work.

5.2 The City shall furnish the PBA with a copy of all written rules and regulations pertaining to employer-employee relations, including but not limited to: City administrative orders, City personnel rules, departmental administrative orders, departmental rules and regulations, standard operating procedures, divisional and training orders and other material regularly distributed to employees in the bargaining unit.

5.3 The City shall provide the PBA with a listing of all bargaining unit employees, to include their employment date with the City, their current job classification, their current address and phone number and the date of attainment of their current job classification. An updated list shall be provided upon the request of the PBA.

5.4 The City agrees to provide space on departmental bulletin boards for the posting of notices of meetings or other PBA official notices. The PBA shall have the right to erect a reasonable number of bulletin boards in nonpublic areas where space permits. No such notice shall be posted unless it has been signed by a duly authorized PBA representative and submitted to the Chief's office for approval prior to the time of posting by the union. A copy of this Agreement shall be posted on all departmental bulletin boards. The PBA shall have

access to those employee mailboxes available for general distribution. The City agrees that the PBA may utilize the roll call boards and internal departmental employee email distribution (excluding MDT's) for the announcement of general membership meetings. Announcements are restricted to the time, date and location of the meeting and must have the authorization of the Police Chief.

5.5 PBA representatives shall have the right to request time off for the purpose of conducting PBA business including grievance hearings, contract negotiations, City Council meetings regarding the resolution of collective bargaining impasse procedures, and attending State PBA conventions and meetings, including local board meetings, provided, however, that not more than two (2) such representatives shall have the right to receive such permission at any one time and provided, further, that the PBA gives the City at least 24 hours advance notice of the time desired off. Such requests shall be submitted to the Chief of Police and shall not be unreasonably denied. All union leave must be used for conducting PBA business related to City of Tampa labor relations matters as approved by the Chief. In the event that a PBA representative participates in lobbying at the request of and on behalf of the City, regular pay status shall be utilized rather than union leave. The maximum aggregate number of paid hours under this section shall be 80 hours during one fiscal year.

Annually up to 2.0 hours of annual leave and/or 2.0 hours of sick leave may, at the discretion of the PBA, be transferred from each PBA member's leave balances to the PBA leave bank. Any balance remaining in the PBA leave bank at the end of the fiscal year shall be transferred to the bank for the following fiscal year. Union leave shall be treated as all other approved leaves. Union leave, when utilized by union elected officers shall count as hours worked for the purpose of calculating overtime, but shall not be considered as premium hours for the purpose of payment of shift premium incentive pay.

5.6 In the event that the PBA determines that an employee will be on extended union leave, the employee shall retain his rate of pay (grade and step) and shall receive pay adjustments in accordance with Appendix A. Said employee will retain his salary review date

and, if 70% or more hours have been spent on City time for the review period, shall be evaluated solely on the City work assignments performance. If less than 70% of the hours have been spent on City time, then the employee shall receive a neutral evaluation and shall receive a satisfactory rating along with step increases as may be applicable for that rating.

ARTICLE 6

NO STRIKE

6.1 The PBA agrees that during the term of this Agreement, it shall not authorize, instigate, condone, excuse, ratify, support, or acquiesce in any strike, slow-down, picketing or work stoppage likely to interfere with the efficient operation of the City's affairs engaged in or supported by members of the PBA and/or employees represented by the PBA or other agents or representatives of the PBA or its affiliates.

6.2 Should the PBA breach this Article, the City may proceed to the appropriate court and, without notice, obtain an injunction against such breach; that the City may recover from the PBA or its successor in interest, such damages as may be incurred, together with punitive damages and attorney's fees; and that the City may take any other action authorized or required by law.

6.3 Should any employee participate in a breach of this Article, they shall be subject to immediate disciplinary action up to and including dismissal. Reemployment of such individuals shall be consistent with Florida Statute, Chapter 447.

6.4 The question of whether this Article has been breached shall not be subject to the grievance procedure contained herein.

ARTICLE 7
NO DISCRIMINATION

7.1 The City and the PBA specifically agree that the provisions of this Agreement shall be equally applicable to all employees covered herein without regard to race, color/creed, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, familial status or marital status, military status or any other protected class as defined by federal law. The provisions of this agreement shall be equally applicable to all employees covered herein without regard to membership or nonmembership in any labor organization, as provided by law; except that the PBA shall not be required to process grievances or provide services for employees who are not members of the organization.

ARTICLE 8
JOB DUTIES

8.1 It is understood by the parties that the Civil Service Law and Rules and Regulations as established by state law specifically regulate only certain aspects of employment. This Agreement cannot supercede those regulations except when expressly provided for by law. In the event that during the term of this Agreement, the Civil Service Law is repealed, the City and the PBA agree to reopen this Agreement to negotiate the impact of only those matters specifically covered by the Civil Service Law within fourteen (14) calendar days.

8.2 There will be thorough and complete job descriptions for all employee classifications covered by this Agreement. The PBA shall be provided fourteen (14) days notice and an opportunity to discuss such change in job descriptions. Within this fourteen (14) day notice period, the PBA can bring to the attention of the City any concerns they might have regarding said change. If any concerns still remain after discussing said changes with the City, the PBA shall have fourteen (14) calendar days from the date of the discussion with the City to file a class action grievance at the fourth step. Such proposed change shall be subject to the grievance procedure contained herein.

8.3 It is understood and agreed by both parties that the duties performed by members of the bargaining unit cannot always be covered by job descriptions and, therefore, members of the bargaining unit may be required to perform duties in addition to all those listed within the current job descriptions which are, in the judgment of the City, related to the purpose of the Police Department, which judgment shall not be arbitrary, capricious or unreasonable.

8.4.1 Any Police Department Rule or Regulation, Standard Operating Procedure, Policy, Training Bulletin, Special or General Order, or other directive, determined by the parties to be in conflict with this Agreement shall be of no force and effect.

8.4.2 Any policy or directive of the City of Tampa determined by the parties to be in conflict with this Agreement shall be of no force and effect.

8.5 Prior to implementing any change in Police Department Rules or Regulations affecting unit members, the PBA shall be provided thirty (30) days notice and an opportunity to discuss such change. Within this thirty (30) day notice period, the PBA can bring to the attention of the City any concerns they might have regarding said change. If any concerns still remain after discussing said changes with the City, the PBA shall have fourteen (14) calendar days from the date of the discussion with the City to file a class action grievance at the fourth step regarding such change. Such proposed change shall be subject to the grievance procedure contained herein.

ARTICLE 9

LABOR MANAGEMENT COMMITTEE

9.1 The Labor Management Committee, established in the Agreement between the City and the PBA bargaining unit representing Police Officers through Sergeant, shall include participation for Police Lieutenants. No additional committee members shall be appointed, provided, however, that the PBA may select a Lieutenant as one of the four PBA representatives. The purpose of this Committee shall be to meet and confer concerning problems of a general nature, including safety, which may from time to time arise in the Department and to make recommendations to the Chief concerning resolution of any such problems. The Committee shall determine its own rules of operation. Should the meeting occur during a participant's tour of duty, there shall be no loss of pay or benefits. These meetings will take place on the first Tuesday of each month between the hours of 9:00 AM and 3:00 PM. The Department will notify the PBA of the specific time and place for each meeting.

9.2 In any matter involving a deficiency in an item of equipment supplied by the City where specific action has been requested in writing and no such action has been taken within a reasonable time of the date of submission, the memorandum shall be submitted to the Labor Management Committee for such recommendatory action as they shall deem appropriate.

ARTICLE 10
SAFETY AND EQUIPMENT

10.1 The City shall provide and maintain safe, adequate and appropriate equipment sufficient for a specific job requirement it deems necessary for the performance of the police lieutenant's function.

10.2 No employee shall be required to operate a marked passenger automobile or prisoner transport van which is not equipped with the manufacturer's police package including protection cages where feasible. All new marked vehicles will be equipped with bucket seats, mounted spotlights, power windows. After qualifying and purchase of approved shotgun or rifle, rifle or shotgun racks of a type approved by the City will be installed as determined by the Police Chief. The City shall provide safety equipment for unmarked vehicles, when appropriate, to include lights, siren, and a radio charger/system. Keyless entry shall be provided when included in the manufacturer's package as a standard feature.

10.3 The City will make every reasonable effort to provide and maintain safe working conditions sufficient for a specific job requirement. To this end, the PBA will cooperate and encourage the employees to work in a safe manner and shall present recommendations through the Labor Management Committee.

10.4 The take home car program as it currently exists shall be a mandatory subject of bargaining. During the term of this agreement, City shall not remove the take home car program. Nothing contained herein shall interfere with any management rights set forth in this Agreement including, but not limited to, the City's unilateral right to exercise control over its assets, assign work, and discipline its employees. The assignment of a take home car shall not be considered an economic benefit. Nothing contained herein shall effect SOP 609.1, as may be revised from time to time, subject to Article 8.5 and Article 42 of this Agreement.

10.4.1 The City shall provide an endorsement to its Certificate of Self Insurance or an insurance policy secured from a private insurance carrier to defend employees and pay any claims, judgements or awards for property damage and personal injury to third parties to the extent permitted by law resulting from the employee's operation of an assigned vehicle as provided in 10.4 (above). Coverage shall be limited to \$200,000 per claimant and \$300,000 per event. Under no circumstances shall any coverage pursuant to this paragraph provide any liability coverage for any claims, judgements or awards of any kind in excess of \$200,000 per claimant and \$300,000 per event.

Coverage shall require that each of the following conditions be fully satisfied at the time of any incident: (1) the employee was authorized to operate the motor vehicle pursuant to departmental and city policies; (2) the employee was not operating the motor vehicle in violation of any departmental or city policies; (3) the employee was not engaged in the commission of a crime; (4) the employee was not operating the motor vehicle in violation of any law, other than non-criminal traffic law; (5) was not using, or impaired by use of, alcohol or any controlled substance; (6) was not intentionally seeking to cause injury to his or her person, and (7) was not operating the vehicle in a manner that was reckless, grossly negligent, or otherwise in willful or wanton disregard for human life or property.

Any legal counsel assigned to defend the employee shall be selected and assigned at the sole discretion of the City Attorney. The employee shall be required to fully participate and cooperate in his or her defense.

Coverage provided pursuant to this section (10.4.1) is supplemental to any other applicable insurance coverage. In no event shall coverage provided pursuant to this section (10.4.1) provide any liability coverage for punitive damages.

Coverage shall not result in alteration of the assigned vehicle program or SOP 609.1 including the non-pay, off-duty status of the officer when traveling to and from work or other functions as specifically authorized in SOP 609.1.

ARTICLE 11

SENIORITY

11.1 Definition. Seniority is hereby defined as continuous length of service with the City of Tampa and/or the Tampa Police Department as follows:

(a) Total City Seniority is total length of continuous service within the employment of the City of Tampa.

(b) Departmental seniority is the total length of continuous service with the Tampa Police Department.

(c) For purposes of this Article, classification seniority is the total length of continuous service as a Police Lieutenant. The Sunday of the work week of the promotion is the effective date for classification seniority dates.

(d) Continuous service is defined as the period of employment not interrupted by resignation, dismissal, retirement, quitting without notice, or any other termination of employment. Time spent greater than thirty (30) calendar days on leave of absence (except for a Workers' Compensation Leave of Absence), layoff, or suspension shall not be credited in the calculation of seniority dates. Seniority dates are not adjusted due to absences while on Workers' Compensation.

(e) Employees who are demoted from Police Lieutenant shall revert to the original Sergeant classification seniority date from which they were previously promoted.

11.2 Vacation Selection. Employees shall be entitled to select vacations by departmental seniority within the unit to which they are assigned. In order to exercise seniority, an employee must select his vacation schedule on or before March 15 of the year in which the vacation is to be taken. Notwithstanding anything in this Agreement, the department shall have the right to reschedule vacations where the business of the department will be interfered with. Any decision to cancel a scheduled vacation of one week or more may be appealed to the appropriate shift or bureau commander (Captain or higher) without going through the normal chain of command.

11.3 Seniority shall be considered when determining the shift assignment.

ARTICLE 12
LAYOFF AND RECALL

12.1 Definition. A layoff is a reduction in the number of employees within the Department due to lack of work, lack of funds, or for any reason other than the acts or delinquencies of the employee. The City will lay off employees as hereinafter provided.

12.2.1 Order of Layoff. Once the City has determined that selected positions shall be eliminated, the City will lay off employees in reverse order of their classification seniority as defined in Article 11.1.

12.2.2 The City may retain junior officers with specialized skills who are assigned special duties or junior officers who are on special assignment. When such special assignment is completed, the most senior officer on layoff shall be notified of his right to displace such junior officer.

12.2.3 Entrance probationary employees shall be laid off prior to any regular employee.

12.2.4 In the event that two or more employees have the same length of classification seniority, department seniority shall prevail. Should departmental seniority also be equal, the City shall determine the method to break such ties.

12.2.5 An employee affected by layoff will first be given the opportunity to apply his/her seniority into a lower classification within the Tampa Police Department, provided that the employee held the lower classification and can perform the work. (For example, an individual who is the least senior Lieutenant could apply his/her seniority as a Police Sergeant provided he/she previously held the classification and can do the work. All service completed in higher classifications or assignments shall also count for the seniority as police officer.

However, service completed as a Police Officer or any other classification or assignment shall not count in the classification seniority for the higher classification or assignment.

12.3 Notice of Layoff. Employees being laid off shall be given twenty-one (21) calendar days' written notice in advance. The PBA shall be furnished a copy of such notice.

12.4 Order of Recall. Employees shall be recalled from layoff in reverse order of classification seniority provided that they are currently qualified to perform the work in the job classification to which they are recalled as provided by this Article. No new employee shall be hired until the employee on layoff has been given an opportunity to return to work at his original seniority date and position; provided, that after twelve (12) months of lay off such re-employment rights shall cease.

12.5 Employment Status. An individual who has been laid off shall not be considered as having completely terminated from the City's employment so long as the individual remains on a preferential re-employment list. However, when an individual's name is removed from the preferential list because he/she rejects an offer of re-employment or requests that his/her name be removed from the list because of no interest in re-employment or otherwise removed due to death or disability, the removal of the name from the lists shall constitute complete termination from employment.

12.6 Benefit Status. During the period during which an employee remains on a preferential re-employment list, the employee shall not receive termination payments (i.e., annual leave, sick leave, pension, longevity). All benefits shall cease during the layoff period. Health and life insurance may be continued at the employee's expense.

12.7 Retirement/Resignation. Individuals who are identified for layoff who are eligible and choose to retire or take deferred retirement shall not be placed on preferential re-employment lists. Employees who retire or resign will be treated as in normal policies.

12.8 Recall Procedures. The City shall notify employees to be recalled by United States certified mail. All employees on layoff shall have the obligation of providing the City with their correct mailing address. A recalled employee shall immediately inform the City of his intent to accept or reject the recall order. An individual's name shall be removed from the preferential lists when the employee fails to respond within four working days after the City's transmittal of the notice of recall or the employee notifies the City of acceptance of recall but fails to report at the specified time or the employee accepts or rejects any employment with the City or the employee has been on layoff for a period of one year.

12.9 Calculation of Benefits. For purposes of benefits, an individual recalled from a preferential employment list shall not suffer a break in service. However, the time spent on layoff greater than 30 days shall not be credited in the calculation of benefits.

ARTICLE 13
CHECK-OFF

13.1 The City shall deduct dues owed by the employee to the PBA on each of the 26 paycheck periods; provided, that prior to such deduction the PBA has provided the City with a signed authorization from each employee whose dues are to be deducted that such deduction is authorized. Deductions shall be made from all paychecks each month and forwarded to the PBA within ten (10) days of said deductions. 21.2.2 In the event that an employee has exhausted annual and/or sick leave balances, the supervisor may authorize absence without pay for legitimate purposes up to a maximum of two working days in a calendar year. Additional absences without pay may be authorized at the discretion of the Chief of Police, however, no employee may be authorized more than eighty (80) hours of absence without pay in a calendar year.

21.2.3 Additional absences without pay for extraordinary circumstances may be authorized by the Chief of Police provided that contiguous periods of eighty (80) or more hours of absence shall require the Leave of Absence status for Article 23.

ARTICLE 23

LEAVE OF ABSENCE WITHOUT PAY

23.1 MEDICAL AND PERSONAL LEAVE OF ABSENCE

23.1.1 Definitions and Eligibility. A personal or medical leave of absence without pay may be granted to employees who have completed at least one year of continuous service. A leave of absence is a privilege the City may grant employees, not a right to which they are entitled. A personal leave of absence without pay may be granted at the employee's request for special education, personal business, family illness, and other approved reasons. A medical leave of absence without pay may be granted to an employee for medical reasons as certified by a licensed physician. A medical leave of absence request must include a physician's certification of illness or maternity and an expected return to work date. Medical leave shall be granted only after all sick leave benefits in excess of 40.0 hours have been exhausted. Medical leave of absence for maternity reasons will be considered for only the period of actual employee disability as certified by a licensed physician. Employees may request a personal leave of absence, to commence upon the expiration of a medical leave of absence for maternity reasons, for the purpose of extended care of the infant.

23.1.2 Authorization. Prior to reinstatement from a medical leave of absence without pay, the City shall require a physician's authorization to return to work. Such authorization must be acceptable to the Director of Human Resources and clearance by any physician or other health care provider designated by the Police Chief. A personal or medical leave of absence may be granted for a specific period greater than fourteen (14) calendar days but not in excess of six (6) continuous calendar months. The Chief of Police may grant extension periods up to an additional six (6) continuous calendar months to the original leave of absence with the approval of the Director of Human Resources, for a maximum total of twelve (12) continuous calendar months. A period of less than fourteen (14) calendar days may be granted as excused Leave Without Pay ("AWP") at the discretion of the Chief of Police.

23.1.3 Benefits. All employee benefits, except as otherwise provided herein, shall cease during a personal leave of absence. Health and life insurance can be continued at the employee's expense. In the event that an employee is granted a medical leave of absence, the employee shall continue to receive the same health and life insurance benefits as when the employee was active for a maximum of six (6) months. The total cost of this insurance shall become the expense of the employee if an extension to a leave of absence is granted. Failure of the employee to remit said costs to the City shall result in cancellation of insurance and the employee will be subject to any reenrollment procedures required by the City's group insurance policies. The length of any leave of absence in excess of thirty (30) consecutive calendar days shall not be credited towards continuous service for the purpose of calculating longevity awards, bonus annual leave hours, salary review dates, or seniority.

23.1.4 Reinstatement of Position. Upon the expiration of an approved leave of absence, the employee shall be reinstated to the classification occupied at the time the leave was granted. Seniority, except as otherwise provided in this Agreement, rate of pay, and other benefits shall commence upon return to work. No position held by an employee who is on an approved leave of absence may be filled on a permanent basis; however, the position may be filled on a limited term basis.

23.1.5 Termination of Leave. The failure of an employee to report promptly to duty at the expiration of the leave of absence shall be just cause for termination of the employment. An employee shall be subject to immediate termination if the employee accepts other employment during the approved leave of absence.

23.2 WORKERS' COMPENSATION LEAVE OF ABSENCE. A Workers' Compensation Leave of Absence is provided to an employee who, after having reached maximum medical improvement or after twelve (12) months of temporary total disability has not been able to perform the duties of his/her position; and who is otherwise eligible as specified herein. The Workers' Compensation Leave of Absence enables the employee to continue to recuperate.

23.2.1 Definitions. Maximum Medical Improvement - The date after which recovery or lasting improvement can no longer reasonably be anticipated. Only the physician authorized by the City of Tampa Claims Section is authorized to determine a maximum medical improvement date.

23.2.2. Temporary Total Disability - The recuperative period of time during which an individual is not able to perform at full capacity the duties which the employee was performing at the time of injury. Only the physician authorized by the City of Tampa Claims Section is authorized to determine the temporary total disability recovery date.

23.2.3 Eligibility. All employees, regardless of length of service, are eligible for a workers' compensation leave of absence. The decision to place an employee on this leave is at the discretion of the Chief of Police with the concurrence of the Director of Human Resources. This action does not require a request from the employee.

23.2.4 Benefits. Benefits shall be in accordance with medical leave of absence policies in 23.1.3. Continuous service (calculation of longevity award, bonus annual leave hours, salary review dates, and seniority) is not adjusted due to a Workers' Compensation Leave of Absence. The position held by an employee on this leave may be filled on a temporary or permanent basis as determined by the Director of Human Resources.

23.2.5 Length. A workers' compensation leave of absence may be granted for a specific period greater than fourteen (14) calendar days but not in excess of six (6) continuous calendar months. The Chief of Police may grant extension periods up to an additional six (6) continuous calendar months to the original leave of absence with the approval of the Director of Human Resources, for a maximum total of twelve (12) continuous calendar months. A period of less than fourteen (14) calendar days may be granted as excused Leave Without Pay ("AWP") at the discretion of the Chief of Police.

Exception. An employee who is placed on a Workers' Compensation Leave of Absence must file a complete application (as determined by the applicable pension board) for disability retirement with the applicable pension board within forty-five (45) calendar days of being placed on the Workers' Compensation Leave of Absence. An employee who complies with this requirement shall be granted an additional extension of the Workers' Compensation Leave of Absence in the event that the employee has not returned to full duty, retired, or voluntarily resigned per Article 23.2.7. Extensions shall be granted up to thirty (30) calendar days following the final action of the applicable pension board on the application for disability retirement, provided however, that under no circumstances shall the Workers' Compensation Leave of Absence exceed fifteen (15) continuous calendar months unless a special extension is granted by the Director of Human Resources. The time periods listed above shall also apply to Light Duty in Lieu of Workers' Compensation Leave of Absence (Article 23.2.8).

23.2.6 Reinstatement. Any reinstatement shall require acceptable medical substantiation by the examining physician and clearance by any physician or other health care provider designated by the Police Chief. If the employee's physical condition is such that the employee is able to perform the job, the employee will be reinstated to the classification occupied at the time the leave was granted. All benefits shall commence again when an employee is reinstated to a former or new position.

23.2.7 At the expiration of the workers' compensation leave of absence (or Light Duty in Lieu of Workers' Compensation Leave of Absence per Article 41.6), an employee will be terminated unless the employee is physically able to and has returned to City of Tampa employment or has chosen to voluntarily resign or has retired. An employee shall be subject to immediate termination if the employee accepts other non-City employment during the approved leave of absence. The preceding sentence shall not be applicable to the seeking or acceptance of employment pursuant to the wage loss provisions of the Workers' Compensation Act provided that the employee notifies the City of the seeking and acceptance of such employment.

ARTICLE 40

EMPLOYEE ASSISTANCE PROGRAM/DRUG TESTING

40.1 Purpose The City of Tampa and the PBA recognize that an employee's personal problems may result in a less than optimum, and even a declining, job performance. These personal problems may include, but are not limited to, emotional or behavioral problems, marital or family problems, legal problems, financial problems, alcohol abuse, or drug abuse. In keeping with the mission of the City to provide the finest of services to the citizens of Tampa and recognizing the importance of the City's human resources, the City has established an Employee Assistance Program (EAP). The goal of this program is to restore the employee to full productivity by offering guidance and referral to qualified, professional providers. It is the City's policy that an employee's participation in the EAP will not jeopardize his or her future opportunities with the City, however, the EAP shall not replace, alter or be used to circumvent the City's discipline administration policy.

40.1.1 Substance Abuse. The City of Tampa and the PBA have grave concerns regarding the abuse of alcohol and other drug substances in the community. It is understood that City policy prohibits the consumption, possession, or being under the influence of drugs or intoxicating substances while on duty.

40.2 Eligibility. Employees enrolled in the City's group health insurance plan are eligible for EAP services. Spouses and/or dependents of employees are eligible if the employee is enrolled in the City's group health insurance program with family coverage. Any eligible employee or family member may directly seek EAP services for any personal problem. Such problems may include, but are not limited to: depression, anxiety, stress or psychiatric illnesses, difficulties stemming from alcohol or drug abuse or the emotional impact of problems of another person.

40.3 Program Access. Eligible employees or family members may access EAP services by:

- (a) Self-Referral Employees or eligible family members may voluntarily and directly contact the EAP for services. Employees who utilize self-referral due to a substance abuse problem shall be eligible to utilize sick leave or other appropriate paid leave (or a medical leave of absence if eligible) in order to enroll in an appropriate program. Upon completion of the program, the City shall require medical substantiation regarding fitness for duty and resolution of drug or alcohol use or dependency prior to reinstatement from the leave. Reinstatement shall be conditioned on continued monitoring and testing to ensure continued and complete recovery. Only one substance abuse self-referral to the EAP shall be permitted. An employee who fails to complete the program or who resumes use of said substances after the original reinstatement shall be dismissed.

- (b) Supervisor/Department Director Mandatory Referral A supervisor/department director, noting a declining job performance on the part of an employee which is not related to substance abuse, may mandate referral of an employee to the EAP for assessment, further referral or counseling services.
 - (1) All mandatory referrals to the EAP must be coordinated through the City's Employee Relations Division.

 - (2) An employee's job will not be jeopardized by such a referral or by the employee's refusal to participate in the EAP. However, an employee's job may be jeopardized by failure to improve job performance, and such failure will be handled according to the discipline procedures.

- (c) Mandatory Referral for Substance Abuse Testing The City has the authority to require an employee to complete physical examinations to ensure that the employee is fit for duty. This includes, but is not limited to, physical examinations to determine if a specified employee is under the influence of alcohol on duty; to determine any abuse of prescription or non-prescription drugs; and, to determine any use of illegal substances. Substance Abuse Testing is provided in section 40.6.

40.4 Confidentiality. The confidentiality of EAP services is absolutely essential to the program's acceptance and success. Participants have the right to complete confidentiality concerning their use of the program, the content of the sessions, and all existing case information and records. Regardless of the nature of the referral, the EAP Counselor may not disclose any information about a participating employee to the City without the employee's written consent. In the case of a supervisory referral, the EAP Counselor may communicate to the City that the employee has or has not kept appointments. The EAP Counselor may also, with the employee's consent, work with the employee and the supervisor in defining the job performance difficulties and in setting work goals for improvement. All counseling records and information from employee visits are the property of the EAP.

40.4.1 Fitness for Duty Evaluations. The parties recognize that at various times and for reasonable circumstances the City may require a fitness for duty evaluation by a professional selected by the City as a condition of being released to full duty. In order to complete the Fitness for Duty evaluation, such professional may need to speak to or obtain reports from the EAP counselor. The City agrees that if the employee gives written consent so that such information may be disclosed by the EAP counselor to the City's professional, that under no circumstances shall the information obtained by the City's professional be disclosed any further to any person or entity whatsoever without the employee's further written consent. The employee shall not be threatened or coerced in any manner whatsoever, directly or indirectly, into giving that further written consent. In order to insure the confidentiality

provided by this section, the City shall seek from its professional only his/her conclusion as to whether the employee is fit for duty.

Prior to the evaluation, if the employee objects to a fitness for duty evaluation due to a reasonable belief that a conflict exists between the professional and the employee, the City shall require that the evaluation be completed by an alternative professional. The selection of the alternative professional must be approved by the City.

40.5 Appointments. Appointments may be scheduled Monday through Friday between the hours of 8:00 a.m. and 6:00 p.m. An EAP staff member is available on a 24 hour basis by beeper service for life threatening situations.

(a) Employees and eligible family members may see an EAP staff member or other participating practitioner for up to three (3) sessions at no cost to the employee. Subsequent treatment sessions are available to the participating employee or family member. These services are generally at discounted rates and may be partially reimbursable under the City's Group Health Care Plan. The EAP will endeavor to refer participants to providers covered by the City's health insurance plan, including those listed as Preferred Providers.

(1) Supervisory referrals will be scheduled during the employee's work hours. If the employee's shift precludes scheduling during their work hours, the employee's work hours will be adjusted to coincide with the appointment. Self-referrals are to be scheduled during the employee's own time through the use of paid or unpaid leave, as applicable.

40.6 Drug Testing. The requirement of an employee to complete a drug test shall be based on reasonable suspicion and/or the Random Substance Abuse Examination Program.

(1) Reasonable Suspicion

- (a) The reasonable suspicion standard requires that the City must have some "factual foundation and rationale which is interpreted in light of experience." In other words, a decision to test an employee shall be based on factors such as changes in job performance; physical symptoms commonly associated with drug usage such as slurred speech, altered motor skills and other changes; changes in attention span or attendance; reports or actual witnessing of possession or use of substances; changes in appetite or sleeping habits; or other mannerisms or behavioral changes which indicate the suspicion of drug usage.

- (b) The supervisor having reasonable suspicion of the use of alcohol or drugs shall immediately contact the City's Employee Relations Division to arrange for referral for testing. The City shall meet with and inform an employee that, in the opinion of the City, there is a basis for reasonable suspicion and of the City's intention to schedule a drug or alcohol screen or test. At said meeting, the City shall consider the comments from the employee regarding the matter and shall then make the determination of whether to proceed and require the screen or test. If it is determined, at the sole discretion of the City, that a drug test will be required, the employee shall be immediately escorted to the appropriate facility for tests. Refusal by an employee to submit to said test shall be grounds for dismissal. The employee shall not be allowed to drive. Prior to transport, the supervisor shall obtain the employee's signature on the "Consent to Perform" and obtain a witness of the signature. The "Consent to Perform" must be presented upon arrival at the facility for testing.

- (c) Pending the results of the test, the employee may be placed on sick leave. If the employee does not have a sufficient sick leave balance,

the employee may be placed on annual leave or Absence Without Pay (AWP) when an insufficient annual leave balance exists.

- (d) If an employee tests positive, the employee shall be placed on sick leave (or a medical leave of absence if eligible when there is an insufficient leave balance) and shall be referred to the City's Employee Assistance Program (EAP) for counseling, further drug testing, and/or enrollment in an appropriate program. Upon completion of the program, the City shall require medical substantiation regarding fitness for duty and resolution of drug or alcohol use or dependency prior to reinstatement from sick leave or the medical leave of absence. Reinstatement shall be conditioned on continued monitoring and testing to ensure continued and complete recovery. Only one such referral to the Employee Assistance Program shall be permitted. An employee who fails to complete the program or who resumes use of said substances after the original reinstatement to work shall be dismissed.
 - (e) If the employee tests positive for an illegal substance, the employee shall be dismissed.
 - (f) If an employee tests negative, any paid or unpaid leave utilized pending the test results shall be corrected to regular pay status.
- (2) Random Substance Abuse Examination Program. The City shall continue the Random Substance Abuse Examination. The procedures and requirements for the program shall be provided by SOP. Employees who test positive for an illegal substance shall be subject to immediate dismissal. Employees who test positive for a legal substance, usage of which is not verified by prescription for

the employee or usage of which had not been disclosed to the supervisor, shall be subject to discipline up to and including dismissal.

CONSENT TO PERFORM - REASONABLE SUSPICION

I, _____, consent to a medical examination and the collection of blood and/or urine samples, as requested by the City of Tampa, for the purpose of determining the presence of alcohol and/or drugs, if any.

I furthermore authorize the release of any and all medical information obtained during the examination and testing procedure to the City of Tampa.

I understand that my alteration of this consent form, refusal to consent to or cooperate fully with a medical examination and the collection of the blood and/or urine samples; or my refusal to authorize release of information to the City of Tampa constitutes insubordination and is grounds for termination.

I also understand that a positive result for the drugs tested may be considered grounds for termination and may result in mandatory referral to the City of Tampa's Employee Assistance Program and required satisfactory completion of any course of treatment prescribed by the EAP.

ARTICLE 41

WORKERS' COMPENSATION

41.1 Workers' Compensation. Employees injured on duty shall receive benefits provided by the Florida Statutes, Chapter 440, Workers' Compensation Law. The City provides that this benefit begins on the first day of disability.

41.2 Holiday pay shall be treated as a benefit which is paid during the work week in which a City holiday occurs, even when the employee is on Workers' Compensation. Payment shall be on the basis of the employee's work shift so that if the employee on Workers' Compensation had been at work at the time of the holiday, then payment shall be calculated pursuant to Article 18 at the employee's rate of pay on the date of the accident. Holiday pay shall be considered earnings subject to deduction for pension.

41.3 Light Duty. In the event that an employee is at any time determined by the City's designated Workers' Compensation physician to be able to perform light duty work as a result of an on-the-job injury, the City will evaluate the specific light duty restrictions and may place the employee in any City light duty job if one is available. However, the City is under no obligation to create light duty for an employee. Should an employee be placed on light duty and such duty becomes subsequently no longer available, then the City may terminate or change the light duty assignment. The provision of light duty for an employee shall not set precedent for provision of light duty for another employee.

41.4 Supercompensation. Employees, who are injured on duty and who are not assigned to light duty per Article 41.2, shall receive supercompensation for temporary total disabilities up to a period of twelve (12) consecutive calendar months.

41.4.1 Supercompensation, when added to Workers' Compensation, shall equal the employee's "take home salary". "Take home salary" shall be defined as the employee's base salary (as determined from the amount of the salary for the respective grade and step of the

employee minus the amount deducted from the salary for pension contributions and minus the amount deducted from the salary for federal withholding taxes. In the event that an employee's Workers' Compensation is reduced per state law, the amount of Supercompensation shall not exceed the amount the employee would have received but for the reduction.

41.4.2 Supercompensation shall cease at the following time, whichever occurs first:

- (a) The employee reaches maximum medical improvement, or
- (b) The employee has received supercompensation for twelve (12) consecutive calendar months as defined below, or
- (c) The employee has returned to full duty, or full time light duty.

In calculating the twelve (12) consecutive calendar months, the following shall apply:

- (a) An employee who has a Workers' Compensation injury who returns to full duty, and who is later taken off full duty by a workers' compensation treating physician shall be entitled to supercompensation for a period of twelve (12) consecutive calendar months from the date the employee was taken off full duty, or the date of maximum medical improvement, whichever occurs first.
- (b) An employee who has a workers' compensation injury who returns to either part-time light duty or full-time light duty, and who is later taken off light duty by a workers' compensation treating physician shall be entitled to supercompensation for a period of twelve (12) consecutive calendar months from the date the employee was taken off full duty, or the date of maximum medical improvement, whichever occurs first.

- (c) Subsequent injuries or re-injury shall be considered new injuries for purposes of supercompensation, and for purposes of calculating the "twelve (12) consecutive calendar months."

41.4.3 In the event that an employee suffers a Workers' Compensation injury meeting the definition of catastrophic contained in Ch.440, F.S., supercompensation shall cease at the following time, whichever occurs first:

- (a) The employee reaches maximum medical improvement, or
- (b) The employee has received supercompensation for 365 cumulative work days as defined below, or
- (c) The employee has returned to full duty, or full time light duty.

In calculating the 365 cumulative work days, the following shall apply:

- (a) An employee who has a Workers' Compensation injury who returns to full duty, and who is later taken off full duty by a workers' compensation treating physician shall be entitled to supercompensation for a period up to the date equal to the remainder of the 365 cumulative work days (from the original use of supercompensation, if any), or the date of maximum medical improvement, whichever occurs first.
- (b) An employee who has a workers' compensation injury who returns to either part-time light duty or full-time light duty, and who is later taken off light duty by a workers' compensation treating physician shall be entitled to supercompensation for a period up to the date equal to the remainder of the 365 cumulative work days (from the original use of supercompensation, if any) or the date of maximum medical improvement, whichever occurs first.

41.4.4 The total amount paid for Workers' Compensation and supercompensation shall not exceed the amount of salary such employee would have received had the employee not been on Workers' Compensation.

41.4.5 An employee who has not reached maximum medical improvement, but who is on part-time light duty, shall receive supercompensation in an amount which, when added to light duty pay, shall equal the employee's "take home salary" as specified in Article 41.4.1.

41.5 Workers' Compensation Leave of Absence. As specified in Article 23, Leave of Absence Without Pay, an employee who reaches maximum medical improvement, or has remained on Temporary Total Disability for twelve months may be placed on a Workers' Compensation Leave of Absence.

41.6 Light Duty in Lieu of Workers' Compensation Leave of Absence. An employee who reaches maximum medical improvement, or has remained on Temporary Total Disability for twelve months, shall not be placed on a Workers' Compensation Leave of Absence if the employee is on light duty or returns to work on light duty as of the date the Workers' Compensation Leave of Absence would have commenced. The City shall notify the employee in writing that the light duty is provided in lieu of the Workers' Compensation Leave of Absence for a period of up to six months, with two three month extensions permitted the same as provided for the Workers' Compensation Leave of Absence. At the expiration of the time period for which the employee would have been on a Workers' Compensation Leave of Absence, but for the light duty, the provisions of 23.2.5, 23.2.6, and 23.2.7 shall apply the same as if the employee had been on a Workers' Compensation Leave of Absence.

41.7 It is further agreed that through the provision for light duty (Article 41.2) and Light Duty in Lieu of Workers' Compensation Leave of Absence, the City intends to minimize payments for supercompensation aggressively. In the event that an employee has reached MMI, the employee shall be responsible for reporting the MMI status to the Police

Department and shall make restoration to the City of any supercompensation payments made after the date the employee reached MMI.

41.8.1 Retirement. In the event that an employee applies for disability retirement with the Fire and Police Pension Board and there is disagreement regarding disability between the pension physicians and Workers' Compensation Physicians, the following shall apply:

- (a) In the event that the pension physicians deny a disability retirement and the Workers' Compensation physician agrees to return the employee to full duty, then all Workers' Compensation benefits shall cease and the employee will return to full duty. Failure to return to duty on the date specified shall result in dismissal.
- (b) In the event that the employee is denied a disability pension on the grounds that the employee has reached maximum medical improvement but is not disabled, then thirty (30) days following final action of the Pension Board, the employee's Workers' Compensation Leave of Absence shall terminate and the provisions of Article 23.2.7 shall apply. It is the intent of this provision that the decision of the Pension Board as to the existence of such a disability shall be binding upon the City and the employee for the purpose of determining continued eligibility for Workers' Compensation Leave of Absence or medical substantiation for return to full duty as specified in Article 23.2.6, but for no other purpose.

41.8.2 If the employee is entitled to wage-loss benefits under s.440.15(3) and/or permanent total disability benefits under s.440.14(1), F.S. and City of Tampa Pension benefits, such City of Tampa benefits shall be primary and the wage-loss benefits or permanent total disability benefits shall be supplemental only. The sum of the City of Tampa Pension benefits and wage-loss benefits and/or permanent total disability benefits shall not

exceed 100% of the employee's average weekly wage, and in no event shall the offset work to reduce said benefits below the average weekly wage.

41.9 The parties agree that all disputes regarding issues covered by Ch.440, Florida State Statutes shall be handled exclusively through mechanisms provided under Ch.440, Florida State Statute and that those issues shall not be subject to the grievance and arbitration procedure.

ARTICLE 42

42.1 All rights and working conditions enjoyed throughout the Department by the employees at the present time covered by written order or known to the Chief of Police, which are not specifically referred to in this Agreement shall not be changed by the City in an arbitrary or capricious manner; provided, that nothing contained herein shall limit the City's rights under Article 3, Management's Rights. Within thirty (30) calendar days of the change or the date on which the PBA knew or should have known of the change, the PBA may notify the Chief of Police of its interest in discussing the matter. Within seven (7) calendar days of receipt of said notification from the PBA, the Police Chief and the Director of Human Resources shall meet with the PBA in order to receive and review the PBA's recommendation. The PBA shall have fourteen (14) calendar days from the date of the meeting to file a class action grievance at the fourth step.

ARTICLE 43

ARTICLE 44

44.1 Each and every clause of this Agreement shall be deemed separable from each and every other clause of this Agreement to the end that in the event any clause or clauses shall be finally determined to be in violation of any law, then and in such event such clause or clauses only, to the extent only that any may be so in violation, shall be deemed of no force and effect and unenforceable without impairing the validity and the enforceability of the rest of the contract including any and all provisions in the remainder of any clause, sentence or paragraph in which the offending language may appear.

44.2 This exercise or nonexercise by the City or the PBA of the rights covered by this Agreement shall not be deemed to waive any such right or right to exercise them in the future.

**City of Tampa
Sick Leave Sell Back Policy**

The City of Tampa will provide the benefit for sworn employees eligible to retire the option to use accrued sick leave time to fund their Deferred Compensation Program pursuant to the terms of this policy and consistent with Internal Revenue Service (IRS) regulations in the following manner:

- A. An employee who is within three years of the completion of his/her DROP period and who wishes to sell back accrued sick leave must notify the City, in writing of his/her election to participate no more than three years before the end of his/hers DROP period.
- B. The annual election to sell back accrued sick leave becomes irrevocable once the employee makes such election.
- C. When an employee elects to sell back accrued sick leave, the City will compensate the employee on an hour-for-hour basis for one third of 50% of the hours that are in the balance at the time the election was made. Leave will be depleted in three equal annual installments during the three-year period prior to normal retirement eligibility. Advance payments will be made on an hour-for-hour basis at the employee's regular rate of pay at the time the payments are made. An employee's contribution to all deferred compensation accounts shall be limited by applicable IRS regulations.
- D. Periods of employee election, and payment dates shall be established by the City of Tampa in accordance with IRS regulations. To initiate participation in this program, employees must submit the **Initial Election to Participate in the Annual Sick Leave Sell Back Program for Deferred Compensation** (Sworn Employees Only) form.
- E. Sick leave sell back is limited to once per payroll calendar year. Employees may elect to sell the sick leave at any time during the calendar year by submitting the **Annual Election of Sick Leave Sell Back Program for Deferred Compensation** (Sworn Employees Only) form.
- F. Any sick leave accrual during the three year sell back period would not be included in the advance payments. Any leave remaining in an employee's sick leave balance will be paid to the employee in a lump sum at retirement in accordance with policies.

- G. Employees can only sell back/defer the allowable calendar year maximum amount permitted by IRS rules. Employees electing the three year IRS “catch-up” provision must present documentation every year from the Deferred Compensation vendor clearly identifying the maximum contribution allowed for the year.
- H. Additionally, as part of this program an employee’s membership in the Sick Leave Bank is terminated at the time of election to participate.
- I. This option is not available to an employee who would have fewer than eighty (80) hours sick leave at the time of election to participate.
- J. As with all benefits programs, this program may be altered or discontinued at any time. Any dispute arising over the Sick Leave Sell Back Policy may not be appealed through any grievance/arbitration procedures.

APPENDIX B

The following provisions apply to employees on the modified work schedule.

Bi-weekly Payroll Draw Formula:

$$\begin{aligned} \text{CA/Hours Worked} &= \text{RATE} \\ \text{Rate} \times 80 &= \text{Payroll Draw} \end{aligned}$$

Definitions

1. CA = Computer Average. This figure is the annual salary (per appendix of the Agreement) divided by 2080 hours to equal the Rate. The Rate is multiplied by 80 hours to equal the CA.
2. Hours Worked = Hours actually worked or on paid leave (exclusive of overtime). Unless unpaid time occurs, this figure would equal 68.6, 80.0, or 91.4.

Example:

$$\$ 28,332.40 / 2080 = \$ 13.78$$

$$\$ 13.78 \times 80 = \$1,102.40$$

$$\begin{aligned} \$ 1,102.40 / 91.4 \text{ hours} &= \$ 12.061269 = \$ 12.061 \\ \$ 12.061 \times 91.4 &= \$ 1,102.38 \end{aligned}$$

$$\begin{aligned} \$ 1,102.40 / 80.0 \text{ hours} &= \$ 13.78 \\ \$ 13.78 \times 80.0 &= \$ 1,102.40 \end{aligned}$$

$$\begin{aligned} \$ 1,102.40 / 68.6 \text{ hours} &= \$ 16.06997 = \$ 16.070 \\ \$ 16.070 \times 68.6 &= \$ 1,102.40 \end{aligned}$$

Leave Accrual Formula:

For computer purposes, the 3.8 hours per bi-weekly paycycle is converted to .0475.

$$\text{Hours Worked} * X .0475 = \text{Accrual Amount}$$

*Definition same as above # 2.

Example:

$$80 \times .0475 = 3.8$$

$$68.6 \times .0475 = 3.3$$

$$91.4 \times .0475 = 4.3$$

Dear Ms. Portman:

This letter is provided in accordance with our discussion during negotiations.

During FY20 and by March 31, 2020, the City and the PBA will meet to pursue and mutually agree on the procedures to implement a new program for bargaining unit employees, the Sick Leave Sharing Program. This program will be for those employees who have exhausted their sick and annual leave time and all other compensatory banks, including holiday and incentive banks, and if qualified for the Police Sick Leave Bank, have exhausted all sick bank benefits, and are still in need of additional paid leave for care for an FMLA qualified condition for themselves and/or a family member.

The City and the PBA recognize the need for this program and we are hopeful that a program can be established that will benefit all bargaining unit members should the need arise.

Sincerely,

Kelly Austin
Interim Director of Human Resources

Dear Ms. Portman:

This letter is provided in accordance with our discussion during negotiations.

The City of Tampa agrees to continue to provide voluntary wellness physicals which focus on early detection and prevention, whereby employees participate in a medical review program that includes, at minimum, a comprehensive physical examination with ultrasound imaging.

Participation by the employee is limited to one such physical during the life of this contract, will be voluntary, and at no cost to the employee.

We recognize the importance of supporting public safety employees in maintaining their health and fitness, including the value of these preventative or early diagnostic screenings.

Sincerely,

Kelly Austin
