

YARD WASTE COLLECTION UPDATES

As of **February 1, 2024**, plastic bags of any kind will not be accepted for yard waste collection. This will allow all yard waste to be composted. Program participation requires all yard waste, up to 4 cubic yards, to be placed curbside as follows:

- **Reusable containers (32 gallon maximum size)**
- **Biodegradable paper yard waste bags**
- **Bundled using jute twine**

All brush must be cut down to 4-foot segments with each paper bag or container weighing less than 50 lbs.
