Permit can not be issued with City approval and a properly executed Acord certificate of insurance form or its equivalent that has been signed by the authorized agent and approved by the City.

Please see page 2 for a sample certificate of insurance form. Insurance coverage must include not only special event operating dates and times, but also set up dates and times through the completion of all equipment removal from the facility.

Insurance required for Special Events must be provided to the Office of Special Events a minimum of 30 days prior to the Event date. Insurance for Facility Use Permits must be provided to the Park Site Supervisor a minimum of 15 days prior to the Facility Use date.
