Fall 2017

A new adaptation by Creative Arts Theatre based on the book by Frances Hodgson Burnett

The literary classic, loved by children for over 100 years, comes to life through the magic of colorful design, music, and live actors in this new, theatrical adaptation! After a cholera outbreak leaves ten-year-old Mary Lennox orphaned in India, she is sent to England to live with an estranged uncle who still grieves the death of his wife. While she navigates the landscape of her new home and family, an old garden inspires Mary to begin a journey of self-discovery. To her surprise, as the garden begins to bloom, so does she. Opening the door into the innermost places of the heart, *The Secret Garden* is a timeless classic that has left generations of readers with warm, lifelong memories of its magical charms. **The show is appropriate for ages 5 and up. Recommended reading:** *The Secret Garden* by Frances Hodgson Burnett.
