

# Trail Etiquette

- Travel on the right. Pass on the left. Never block the trail. All trail users must keep to the right except when passing or turning left. Pedestrians: move to the right when someone is passing. Move off the path when stopping.
- Maintain safe speeds and travel in a consistent and predictable manner.
- Yield to pedestrians. Cyclists and in-line skaters must yield to pedestrians. Pedestrians always have the right-of-way.
- Give audible warning before passing. Cyclists: sound your bell or call out a warning when approaching others, then pass safely on the left. Skaters: follow travel rules as per bicyclists. Do not perform trick-skating maneuvers on heavily used trails.
- Pets must be on leash, not to exceed six feet. Clean up after your pet.
- Yield when entering and crossing trail. Obey all traffic signals and stop signs.
- Group users allow ample room for others to pass.
- Always look ahead and behind before passing.
- Use designated path.
- Where designated, cyclists and skaters must ride on the specified path. Don't ride on a marked pedestrian path. Look both ways at crossings. Cyclists: yield to through traffic at intersections; pedestrians have the right-of-way. Pedestrians: exercise caution.
- Stay on the trail. Ride only on designated paths to protect parks, natural areas and yourself. Riding off a designated trail is dangerous and prohibited in City parks.
- Helmets required for bicyclists under age 16. Recommended for all bicyclists and skaters.
- No motorized vehicles, motorcycles or pocket bikes. Electric wheelchairs allowed.
