

File Processing

1. The Process files step could take time to complete. The system is separating the plan sheets and optimizing them for review. NOTE: It is not necessary to wait for the files to finish processing. You can close the screen and come back to it once the processing is complete. You will receive an email with a link alerting you that the processing step has been completed. IMPORTANT – your plans have not been submitted yet. The next step, Sheet Verification, must be completed in order for the submittal to be complete.
