Two Ways to Accomplish your PHA (fasting 8 hour blood draw)

Due to Hurricane Irma, the PHA cut-off date for retirees has been extended until Friday, September 29, 2017.

For Retirees that live in the area, schedule a PHA appointment at either CareATC location by calling (800) 993-8244 or visit the website at www.CareATC.com.

Retirees that reside 10 miles or more from either CareATC Wellness Center location can initiate the PHA questionnaire by visiting <https://portal.careatc.com/pha/patientquestionnaire> or may contact CareATC at (800) 887-1606 for assistance. A LabCorp test request will then be mailed to your home.

If you have completed your fasting blood draw with CareATC since January 1, 2017 you are **NOT** required to complete your PHA again for Open Enrollment 2018. Results of your PHA are completely confidential and protected by law. A PHA results summary will be mailed directly to your home.
