AGREEMENT FOR DESIGN-BUILD INITIAL SERVICES

THIS AGREEMENT, made and entered into at Tampa, Florida, this ____ day of _____, by and between the City of Tampa, a municipal corporation of the State of Florida, hereinafter referred to as "City", and the following entity authorized to do business in the State of Florida: Westra Contracting Corporation, a Florida corporation, hereinafter referred to as "Firm", with an FIEN of _____.

WITNESSETH:

WHEREAS, the City desires to engage the Firm to perform certain services pertinent to such work which shall be referred to as Contract 18-C-00037; FY19 CIP Water Main Improvements Design-Build "Project" in accordance with this Agreement; and

WHEREAS, the Firm desires to provide such services in accordance with this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises, representations and considerations to be kept, performed and paid, the parties hereto agree for themselves, their successors and assigns, as follows:

I. GENERAL SCOPE OF THIS AGREEMENT

A. The relationship of the Firm to the City shall be that of an independent professional Design-Builder for the Project; and the Firm shall provide the pre-Design-Build services required under this Agreement in accordance with acceptable architectural/engineering/construction practices and ethical standards.

B. Any additional services to be provided by the Firm shall be set out in detail by subsequent Agreement.

C. The Guaranteed Maximum Price proposal to be prepared and provided by the Firm in accordance with this Agreement shall be used as a basis for negotiating the future Agreement for Construction Services. A Construction Fee not to exceed eight percent (8%) shall be used in the calculation of the Total Project Cost.

D. The scope of services to be provided is indicated in **Exhibit A**.

II. DATA AND SERVICES TO BE PROVIDED BY THE City

The City shall provide:

A. Available plans and specifications of existing construction.

B. Ground topography.

III. PERIOD OF SERVICE

A. The Firm shall begin work promptly after receipt of a fully executed copy of the Agreement. All work shall be completed within twelve months after issuance of the Notice to Proceed.

B. The Firm's services called for under this Agreement shall be completed provided that, if the Firm's services are delayed for reasons beyond the Firm's control, the time of performance shall be adjusted appropriately.

IV. GENERAL CONSIDERATIONS

A. All original sketches, tracings, drawings, computations, details, design calculations, specifications and other documents and plans that result from the Firm's services under this Agreement shall become and remain the property of the City upon receipt of payment by the Firm from the City for services rendered in connection with the

preparation of said sketches, tracings, etc. Where such documents are required to be filed with governmental agencies, the Firm will furnish copies to the City upon request.

B. The City acknowledges that the materials cited in Paragraph IV. A. above, which are provided by the Firm, are not intended for use in connection with any project or purpose other than the Project and purpose for which such materials were prepared without prior written consent and adaptation by the Firm shall be at the City's sole risk, and the Firm shall have no responsibility or liability therefor.

C. Any use by the City of such materials in connection with a project or purpose other than that for which such materials were prepared without prior written consent and adaptation by the Firm shall be at the City's sole risk, and the Firm shall have no responsibility or liability therefore.

V. COMPENSATION

The City shall compensate the Firm for the pre-Design-Build services performed under this Agreement an amount not to exceed \$3,092,750 in accordance with **Exhibit B**.

VI. PAYMENT

Payments shall be made upon presentation of the Firm's approved invoice.

VII. RECORDS

Records for Personnel Expenses shall be kept on a generally recognized accounting basis and shall be available to the City or its authorized representative at mutually convenient times.

With respect to all matters covered by this Agreement, records will be made available for examination, audit, inspection, or copying purposes at any time during normal business hours at a location within Hillsborough County, Florida as often as the City, HUD, representatives of the Comptroller General of the United States or other federal agency may reasonably require. Firm will permit same to be examined and excerpts or transcriptions made or duplicated from such records, and audits made of all contracts, invoices, materials, records of personnel and of employment and other data relating to all matters covered by this Agreement. The City's right of inspection and audit shall obtain likewise with reference to any audits made by any other agency, whether local, state or federal. Firm shall retain all records and supporting documentation applicable to this Agreement for five (5) years from the date of submission of the annual performance report to HUD. If any litigation, claim, negotiation, audit, monitoring, inspection or other action has been started before the expiration of the required record retention period, records must be retained until completion of the action and resolution of all issues which arise from it, or the end of the required period, whichever is later.

VIII. PERSONNEL

The Firm represents that it has or will secure, at its own expense, all personnel required in performing the services under this Agreement. All personnel engaged in the work shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. No person who is serving sentence in a penal or correctional institution shall be employed on work under this Agreement. The Firm further certifies that all of its employees assigned to serve the City have such knowledge and experience as required to perform the duties assigned to them. Any employee of the Firm who, in the opinion of the City, is incompetent, or whose conduct becomes detrimental to the work, shall immediately be removed from association with the certain professional engineering services under this Agreement.

IX. SUSPENSION, CANCELLATION OR ABANDONMENT

Suspension, cancellation or abandonment of this Agreement shall be necessitated if any of the following occur: disclosure of City confidential information, procedures or activities; failure of the Firm to aggressively,

adequately, timely and appropriately perform the services required by this Agreement to the satisfaction of the City, or other similar cause.

In the event the Project is suspended, cancelled or abandoned at the City's sole discretion, the Firm shall be given fifteen (15) days prior written notice of such action and shall be compensated for the professional services provided and reimbursable expenses incurred up to the date of suspension, cancellation or abandonment in an amount mutually agreed to by the City and Firm and supported by back-up documentation.

Upon suspension, cancellation or abandonment of the Project by the City, the Firm shall immediately cease work, deliver all original sketches, tracings, drawings, computations, details, design calculations, specifications and other documents and plans that result from the Firm's services under this Agreement, and shall be compensated for its services rendered up to the time of such suspension, cancellation or abandonment on a quantum meruit basis; and the City shall have no further financial obligation to the Firm.

X. TERMINATION

A. Termination for Cause.

In the event that the Firm shall for any reason or through any cause not have completed performance within the time fixed for performance under this Agreement; or any representation or warranty made under Article XII of this Agreement shall prove to be untrue in any material respect; or the Firm shall otherwise be in default under this Agreement; or the Firm has subcontracted, assigned, delegated, transferred its rights, obligations or interests under this Agreement without the City's consent or approval; or the Firm has filed bankruptcy, become insolvent or made an assignment for the benefit of creditors, or a receiver, or similar officer has been appointed to take charge of all or part of Firm assets; or the Firm disclosed City confidential information, procedures or activities; or the Firm fails to aggressively, adequately, timely and appropriately perform the services required by this Agreement to the satisfaction of the City, or other similar cause.

Then the City may provide five (5) days written notice that the conduct of the Firm is such that the interests of the City are likely to be impaired or prejudiced, stating the facts upon which the opinion is based. Then the City may upon fifteen (15) days written notice, and at the end of the (15) days terminate this Agreement for cause (herein "Termination Date"). Upon that termination for cause, the Firm shall be entitled to compensation for services properly and satisfactorily performed through the date of such termination for cause. However, no allowance shall be included for termination expenses. In the event of such termination for cause, the Firm shall be entitled to receive just and equitable compensation for any satisfactory work performed as of the Termination Date; however, Firm shall not be compensated for any anticipatory profits that have not been earned as of the date of the Termination Date. All work accomplished by Firm prior to the Termination Date shall be documented. In the event the project is terminated for cause pursuant to this Article, the Firm shall deliver all original sketches, tracings, drawings, computations, details, design calculations, specifications and other documents and plans that result from the Firm's services under this Agreement. The aforementioned original sketches, tracings, drawings, computations, details, design calculations, specifications and other documents and plans shall be without restriction on future use by the City. Notwithstanding the above or any section herein to the contrary, Firm shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Contract by Firm.

B. Termination for Convenience.

The City may reduce the scope of work or terminate work under this Agreement or amendment to this Agreement without cause; in the event of such scope reduction or termination other than for cause, the City shall compensate the Firm for services properly performed through the date of such reduction in scope or termination, which date shall be fixed in written notice from the City and which date shall be not sooner than fifteen (15) days after notice. Notwithstanding such termination or reduction in scope, the City shall be entitled to receive from the Firm upon request any and all information related to the Project and the City shall preserve and protect all such information and assure ready access thereto by the Firm in connection with resolution of the amount due to the Firm. The City, at its own discretion, shall be entitled to direct the Firm to terminate any or all the Firm's subcontracts or subconsulting agreements. In the event the project is terminated for convenience pursuant to this Article, the Firm shall deliver all original sketches, tracings, drawings, computations, details, design calculations,

specifications and other documents and plans that result from the Firm's services under this Agreement. The aforementioned original sketches, tracings, drawings, computations, details, design calculations, specifications and other documents and plans shall be without restriction on future use by the City.

XI. INSURANCE

The Firm, at its own cost and expense, shall effect and maintain at all times during the life of this Agreement insurance, in accordance with that indicated in **Exhibit C**.

XII. INTERESTS OF MEMBERS OF THE CITY

No member of the governing body of the City and no other officer, employee, or agent of the City who exercise any functions or responsibilities in connection with the carrying out of the Project to which this Agreement pertains shall have any personal interest, direct or indirect, in this Agreement.

XIII. INTEREST OF THE FIRM

The Firm covenants that it presently has no interest and shall not acquire any interest, direct or indirect, in any project to which this Agreement pertains or any other interest which would conflict in any manner or degree with its performance of any contracted service hereunder. The Firm further covenants that in the performance of this Agreement no person having such interest shall be employed.

The Firm warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the Firm to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or Firm, other than a bona fide employee working solely for the Firm any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

The Firm shall disclose any clients that may either conflict with or affect its independent judgment when performing any work for the City of Tampa covered by this Agreement. Failure of the Firm to disclose the above professional conflict of interest may result in termination of this Agreement and may require the return of all payments, if any, made to the Firm from the City. If, in its sole discretion, the City of Tampa determines that a professional conflict of interest is deemed to exist, the Firm shall be in default of this Agreement.

XIV. COMPLIANCE WITH LAWS

A. The Firm shall comply with the applicable requirements of State laws and all Ordinances of the City of Tampa as amended from time to time.

B. If the Project involves E.P.A. Grant eligible work, the City and the Firm agree that the provisions of 40 CFR, Part 35, Appendix C-1, shall become a part of this Agreement and that such provisions shall supersede any conflicting provisions of this Agreement for work performed.

C. If the Project involves work under other Federal or State Grantors or Approving Agencies, the City and the Firm shall review and approve the applicable required provisions or any other supplemental provisions as may be included in the Agreement.

D. The Firm shall assist the City in complying with all applicable terms and conditions of the government grants under Title XIII, Subchapter C, Part I of the Omnibus Budget Reconciliation Act of 1993 (26 U.S.C. 1391, et seq.) and under Title I of the Housing and Community Development Act of 1974 (PL 93-383), 24 CFR Part 570 *et seq.*

E. The Firm agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.*) and all other applicable Federal, state and local laws and regulations pertaining to labor standard insofar as those acts apply to the performance of this Agreement.

F. Truth-In-Negotiation Certification: The Firm certifies that the wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of the execution of the Agreement of which this Certificate is a part. The original price and any additions thereto shall be adjusted to exclude any significant sums by which the City determines the Agreement amount was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs and that such original Agreement adjustments shall be made within one (1) year following the end of the Agreement.

XV. ASSIGNABILITY

The Firm shall not assign or transfer any interest in this Agreement without consent from the City; provided, however, that the claim for money due or to become due the Firm from the City under this Agreement may be assigned to a bank or other financial institution or to a Trustee in Bankruptcy. Notice of any such assignment shall be furnished promptly to the City.

XVI. EQUAL EMPLOYMENT

During the performance of this Agreement or any related Work Order, the Firm shall:

A. Not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, handicap, or national origin. The Firm shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, age, sex, handicap, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Firm shall post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

B. In all solicitations or advertisements for employees placed by or on behalf of the Firm, it must state that all qualified applicants will receive considerations for employment without regard to race, color, religion, age, sex, handicap, or national origin.

XVII. EQUAL BUSINESS OPPORTUNITY PROGRAM

A. See **Exhibit D** for Tampa's Equal Business Opportunity Program Procedures.

B. The Firm shall demonstrate good faith effort toward the utilization of City of Tampa Certified Women/Minority Business subcontractors, subFirms or suppliers.

C. The City shall make available a list of Certified Women/Minority Enterprises.

D. The Firm shall report to the City its subcontractors/subFirms/suppliers solicited or utilized as required by **Exhibit D**.

E. At the time of the submission of invoices, the Firm shall submit to the City a report (Exhibit D) of all subcontractors, subFirms or suppliers utilized with their final contract amounts and any other reports or forms as may be required by the City.

XVIII. CODE OF ETHICS

In connection with this Agreement, the Firm hereby covenants and agrees that it shall comply with all applicable government laws, statutes, rules and regulations including, without limitation, the City of Tampa's Code of Ethics. Pursuant to Section 2-522 of the City of Tampa Code, the Firm acknowledges that if it fails to comply with the City of Tampa's Code of Ethics, such a failure shall render this Agreement voidable by the City and subject the Firm to debarment from any future City contracts or agreements.

XIX. NEGATION OF AGENT OR EMPLOYEE STATUS

Firm shall perform this Agreement as an independent Firm and nothing contained herein shall in any way be construed to constitute Firm or the assistants of Firm to be representative, agent, subagent, or employee of City or any political subdivision of the State of Florida. Firm certifies Firm's understanding that City is not required to withhold any federal income tax, social security tax, state and local tax, to secure worker's compensation insurance or employer's liability insurance of any kind or to take any other action with respect to the insurance or taxes of Firm and assistants of Firm.

In no event and under no circumstances shall any provision of this Agreement make City or any political subdivision of the State of Florida liable to any person or entity that contracts with or that provides goods or services to Firm in connection with the Services the Firm has agreed to perform hereunder or otherwise, or for any debts or claims of any nature accruing to any person or entity against Firm; and there is no contractual relationship, either express or implied, between City or any political subdivision of the State of Florida any person or any political subdivision of the State of Florida any person or entity supplying any work, labor, services, goods or materials to Firm as a result of the provisions of the Services provided by Firm hereunder or otherwise.

XX. SEVERABILITY

If any item or provision to this Agreement is held invalid or unenforceable by a court of competent jurisdiction, the remainder of the Agreement shall not be affected and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

XXI. CHOICE OF LAW

The laws of the State of Florida (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its interpretation, construction, performance and enforcement.

XXII. DESIGNATION OF FORUM

Any part bringing a legal action or proceeding against any other party arising out of or relating to this Agreement may bring the legal action or proceeding in the United States District Court for the Middle District of Florida, Tampa Division or in any court of the State of Florida sitting in Tampa.

XXIII. AUTHORIZATION

Each party represents to the other that such has authority under all applicable laws to enter into an agreement containing each covenants and provisions as are contained herein, that all of the procedural requirements imposed by law upon each part for the approval and authorization of this Agreement have been properly completed, and that the persons who have executed the Agreement on behalf of each party are authorized and empowered to execute said Agreement.

XXIV. ENTIRE AGREEMENT

This Agreement sets forth the entire agreement between the parties and there are no promises or understandings other than those stated herein. Exhibits to this Agreement shall be deemed to be incorporated by reference as though set forth in full herein. In the event of a conflict or inconsistency between this Agreement and the provisions in the incorporated Exhibits, and unless otherwise specified herein, then this Agreement will prevail.

XXV. INDEMNIFICATION

Indemnity. "To the fullest extent permitted by law, Firm shall indemnify and hold harmless City from liabilities, damages, losses and costs, including reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Firm and persons employed or utilized by Firm in its performance hereunder." The Firm shall not be required to defend, indemnify or hold harmless the City for any acts, omissions, or negligence of the City, the City's employees, agents, or separate contractors.

XXVI. ESTOPPEL/WAIVER

No waiver of any provisions of this Agreement shall be effective unless it is in writing, signed by the party against whom it is asserted and any such waiver shall only be applicable to the specific instance in which it relates and shall not be deemed to be a continuing waiver.

The failure of the City to enforce any term or condition of this Agreement shall not constitute a waiver or estoppel of any subsequent violation of this Agreement.

XXVII. AUDIT REQUIREMENTS.

In the event, that during the period of this Agreement, the Firm expends more than \$750,000.00 in federal funds in an operating year from this and other federal grants, the Firm shall, at its own cost and expense, cause to be carried out an independent audit. The audit shall be completed and a copy furnished to the City, within the earlier of thirty (30) calendar days after receipt of the auditor's report(s) or nine (9) months after the end of the audit period, unless a longer period is agreed to in advance by the City. For purposes of this Agreement, an operating and/or audit year is the equivalent to the Firm's fiscal year. The determination of when Grant Funds are expended is based on when the activity related to the expenditure occurs.

The audit shall be conducted in compliance with the Office of Management and Budget: Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as applicable, which are made a part of this Agreement by reference thereto. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Firm shall be held liable for reimbursement to the City of all funds not expended in accordance with these applicable regulations and Agreement provisions within thirty (30) calendar days after the City has notified the Firm of such non-compliance. Said reimbursement shall not preclude the City from taking any other action as provided herein.

If expenditure does not exceed \$750,000.00 during an operating year, the Firm shall provide the City with its annual financial statement within ninety (90) days of the end of its operating year. Said financial statement shall be prepared by an actively licensed certified public accountant.

State Single Audit: Each nonstate entity shall comply with all applicable requirements of section 215.97, F.S., and Audit Requirements. A State single audit is required if an nonstate entity expends \$750,000 or more of State financial assistance in any fiscal year of such nonstate entity in accordance with the requirements of the Florida Single Audit Act.

XXVIII. DEFAULT

In accordance with 24 CFR 85.43, a default shall consist of any use of Grant Funds for a purpose other than as authorized by this Agreement, noncompliance with any provision in all Articles herein, any material breach of the Agreement, failure to comply with the audit requirements as provided herein, or failure to expend Grant Funds in a timely or proper manner. A cancellation for default pursuant to this Article shall not impair or limit the City's remedy for the Firm's breach of warranty to the extent of work performed, not for errors or omissions in the professional engineering services prior to cancellation.

XXIX. BUDGET APPROPRIATIONS

The City is subject to Section 1666.241, Florida Statutes, and is not authorized to contract for expenditures in any fiscal year except in pursuance of budgeted appropriates. With respect to this Agreement, the City has budgeted and appropriated sufficient monies to fund the City's obligations under this Agreement. The obligations of the City hereunder shall not constitute a general indebtedness of the City within the meaning of the Florida Constitution.

XXX. SCRUTINIZED COMPANIES

Section 287.135, Florida Statutes, prohibits agencies or local governmental entities from contracting with companies for goods or services of \$1,000,000 or more that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statutes, or is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, (effective October 1, 2016), or is engaged in a boycott of Israel (effective October 1, 2016), or is engaged in business operations in Cuba or Syria. A company that is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statutes, or is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, (effective October 1, 2016) or is engaged in a boycott of Israel (effective October 1, 2016) or is engaged in business operations in Cuba or Syria is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with an agency or local governmental entity for goods or services of \$1,000,000 or more. FIRM certifies that it is not in violation of Section 287.135, Florida Statutes. For contracts \$1,000,000 and greater, if the City determines the FIRM submitted a false certification under Section 287.135(5) of the Florida Statutes, or has been placed on the Scrutinized Companies Activities in the Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, (effective October 1, 2016), or is engaged in a boycott of Israel (effective October 1, 2016), or been engaged in business operations in Cuba or Syria, the City shall either terminate this Agreement after it has given the FIRM notice and an opportunity to demonstrate the City's determination of false certification was in error pursuant to Section 287.135(5)(a) of the Florida Statutes, or maintain the Contract if the conditions of Section 287.135(4) of the Florida Statutes are met.

XXXI. PUBLIC RECORDS

A. Exempt Plans. FIRM pursuant to this Agreement (and as part of the solicitation process that resulted in award of this Agreement) may hold, come into possession of, and/or generate certain building plans, blueprints, schematic drawings, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, facility, or other structure owned or operated by the City or an agency (singularly or collectively "Exempt Plans"), which pursuant to Section 119.071(3), Florida Statutes, are exempt from Section 119.07(1), Florida Statutes and Section 24(a), Art. I of the Florida State Constitution. FIRM certifies it has read and is familiar the exemptions and obligations of Section 119.071(3), Florida Statutes; further that FIRM is and shall remain in compliance with same, including without limitation maintaining the exempt status of such Exempt Plans, for so long as any Exempt Plans are held by or otherwise in its possession. This section shall survive the expiration of earlier termination of this Agreement.

B. Data Collection. Pursuant to Section 119.071(5)(a)2a, Florida Statutes, social security numbers shall only be collected from FIRM by the CITY should such number be needed for identification, verification, and/or tax reporting purposes. To the extent FIRM collects an individual's social security number in the course of acting on behalf of the CITY pursuant to the terms and conditions this Agreement, FIRM shall follow the requirements of Florida's Public Records Law.

C. Access. The City of Tampa is a public agency subject to Chapter 119, Florida Statutes. In accordance with Florida Statutes, 119.0701, FIRM agrees to comply with Florida's Public Records Law, including the following:

1. FIRM shall keep and maintain public records required by the CITY to perform the services under this Agreement;
2. Upon request by the CITY, provide the CITY with copies of the requested records, having redacted records in total on in part that are exempt from disclosure by law or allow the records to be inspected or copied within a reasonable time (with provision of a copy of such records to the CITY) on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
3. Ensure that records, in part or in total, that are exempt or that are confidential and exempt from disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion (or earlier termination) of the Agreement if FIRM does not transfer the records to the CITY;
4. Upon completion (or earlier termination) of the Agreement, FIRM shall within 30 days after such event either transfer to the CITY, at no cost, all public records in possession of the FIRM or keep and maintain the

public records in compliance with Chapter 119, Florida Statutes. If FIRM transfers all public records to the CITY upon completion (or earlier termination) of the Agreement, FIRM shall destroy any duplicate records that are exempt or confidential and exempt from public records disclosure requirements. If FIRM keeps and maintains public records upon completion (or earlier termination) of the Agreement, FIRM shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the agency.

The failure of FIRM to comply with Chapter 119, Florida Statutes, and/or the provisions set forth in this Article shall be grounds for immediate unilateral termination of the Agreement by the CITY; the CITY shall also have the option to withhold compensation due FIRM until records are received as provided herein.

IF FIRM HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO FIRM'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 813-274-8598, JIM.GREINER@TAMPAGOV.NET, AND CONTRACT ADMINISTRATION DEPARTMENT, TAMPA MUNICIPAL OFFICE BUILDING, 4TH FLOOR, 306 E. JACKSON ST. TAMPA, FLORIDA 33602.

IN WITNESS WHEREOF, the City has caused these presents to be executed in its name by its Mayor, and attested and its official Seal to be hereunto affixed by its City Clerk, and the Firm has hereunto set its hand and Seal in TRIPLICATE, the day and year first written above.

Exhibit A – Scope of Services

CONTRACT 18-C-00037; FY19 CIP WATER MAIN IMPROVEMENTS DESIGN-BUILD

SECTION I. INTRODUCTION/PROJECT DESCRIPTION

Westra Construction Corporation (Firm) will design and construct the Project, which consists of 20 non-contiguous water main construction and/or replacement projects throughout the central portion of the City of Tampa (City) water service area within right of way owned or controlled by the City at the locations shown on the attached and incorporated Attachment A-1 (Project Area), and will include the Firm establishing the best location and/or rehabilitation method for pipe replacement anticipated to result in Firm's installation of approximately 102,480 lineal feet (lf) of 4-inch through 16-inch diameter water mains to replace aged or under-sized 2-inch through 16-inch diameter water mains and includes taking approximately 20,000 lf of asbestos pipe water mains out of service. Design shall include protecting in place sanitary and storm drainage pipes and structures encountered along the route – in locations where conflict with said facilities cannot be avoided, Firm shall design and perform relocations required. With City concurrence, Firm will perform subsurface utility excavation (SUE) at potential conflicts, and coordinate with non-City utility agency owners (UAOs) for their relocation of conflicting non-City facilities.

Project activities include, but are not limited to, field services such as surveying, design, permitting, construction, and public outreach services prior to and during construction, to minimize impacts to, and reduce uncertainty of, impacted residents. To ultimately accomplish construction, Firm's design will reflect cut & plug of existing water mains, temporary water service, transfer of existing water meter services, removing existing water mains from service, roadway replacement and/or restoration, sidewalks and driveways restoration, sodding of roadside/ditch bottoms and sides, videotape of each Project location prior to construction, and all associated work required for a complete project, including performance of the specific tasks and task items described herein. However, because Firm understands time is of the essence with regard to design and construction of this Project (i) this scope specifically includes at least three (3) design teams working concurrently at one or more location(s) each as more particularly set forth in the Project Management Plan (PMP); (ii) Firm shall group the 20 locations as stated in Attachment A-1 to facilitate providing 3 separate GMPs to enable an expedited construction phase; and (iii) Firm has specifically advised that certain locations may be designed without the performance of every below described task (or every item of work within a particular task). Accordingly, prior to commencing work at a particular location, Firm shall submit for review-and-approval a Location Task Order (LTO) to the City's designated representative (LTO Rep) that shall set forth a location-specific scope of work specifically noting which tasks and/or task items described in this Exhibit A Firm deems may be omitted. LTOs shall also include a schedule for completing location work and a mutually agreed not-to-exceed or lump sum compensation for the particular location reflective of any reduction in tasks or task items. If the LTO is a not-to-exceed amount, then the LTO must include an estimate of hours required for LTO performance together with mutually agreed-to hourly rates for all individuals or entities involved. Firm is not authorized to proceed with, and will not be compensated for, any work, fee, or expense that is not properly authorized in advance by an approved LTO or that in the aggregate exceeds Firm's total compensation amount stated in Exhibit B, or that individually exceeds the a mutually agreed not to exceed amount. Once the LTO Rep approves the LTO in writing, Firm may commence work at the subject location. Work commenced at a location without a prior-approved LTO shall be at Firm's sole cost.

The parties acknowledge that the Firm was selected, in part, on the basis of qualifications of particular

subcontractor(s)/subconsultant(s) or team members and their respective employees as identified in the Firm's response to the City's solicitation and below (Key Personnel). The Firm shall ensure that Key Personnel are available for services hereunder, as long as such Key Personnel are in the employ of the Firm. The Firm shall not add or change any Key Personnel without the City's prior written approval made in response to a written request from the Firm stating the reasons for any proposed substitution or addition and providing such information as the City requires for determining the suitability of the individual or entity being proposed. The City will act reasonably in evaluating same; provided, however the City's acceptance shall not constitute any responsibility or liability for such individual or entity's ability to perform. Firm shall ensure that similar language is included in its subcontracts such that below designated Key Personnel employed through a subcontractor/subconsultant remain available to the Project to the same extent as those in the employ of Firm.

The Firm's Key Personnel roles and individuals to be designated as the lead or principle for the respective services are listed below:

1. Westra Construction Corp. – General Contractor:
Mike Beukema, CGC (Project Manager)
Matthew Hester, PMP (Construction Manager)
Brian Beukema (Safety Officer)
2. McKim & Creed – Design Services:
David Wehner, P.E. (Design Manager)
3. Metzger & Willard- QA/QC & Survey Services:
Nancy Metzger, P.E. (Principal, QA/QC)
Thomas Davis, P.L.S. (Survey)
4. Valerin Group – Public Outreach Services; Valerie Ciudad-Real
5. Centerline Directional Drilling Services, Inc. - Directional Drill Contractor

SECTION II. TASKS

The tasks described in this Scope of Services include project coordination, preliminary engineering, complete plans and technical specifications prepared for 60%, 90%, and 100% design, permitting, conceptual maintenance of traffic plans, construction cost estimating, project scheduling, value engineering, public involvement, and preparation of a Guaranteed Maximum Price (GMP) for the Project at 60% design.

The following tasks are to be performed by the Firm:

TASK 1 – Project Management and Data Collection

1A. Project Management

- i. Develop and maintain a Project Management Plan (PMP) complete with team member roles, schedules, deliverable deadlines, a health and safety plan and related components necessary to manage the Project.
- ii. Internal Coordination. Coordinate, manage and monitor Firm personnel and conduct quality control reviews, constructability and value engineering reviews of the various deliverables.
- iii. Prepare and submit a monthly project status report summarizing work progress since previous

report and an updated schedule of the ongoing work. The project status report will be submitted with the Firm's invoicing and will be updated by the Firm weekly on the website developed by the Firm.

- iv. Coordinate external services and schedules of sub-disciplines, other local utility providers, and governmental agencies.
- v. Schedule and conduct at least eight (8), non-consecutive monthly progress meetings with the Firm and the City. The Firm will prepare and distribute meeting notes of each progress meeting. These meetings will be attended by the Firm, as needed, based on the progress of the Project. Other Firm personnel may participate via conference call.

1B. Data Collection and Review

- i. The City shall provide to the Firm available records, if any, from the last 15 year of existing City water facilities for the Project. Firm shall obtain all other available utility information required for the Project and review this data along with the City-furnished information to develop the design of the Project.
- ii. Geotechnical Services – Preparation of a geotechnical exploration report for up to 400LF of Standard Penetration Test (SPT) borings at up to 10 locations to assist with the design and permitting of five (5) water crossings located within the Project Area.
- iii. Subsurface Utility Engineering - Firm shall follow the current American Society of Civil Engineering (ASCE) C-I-38, "Standard Guideline for the Collection and Depiction of Existing Subsurface Utility" and will complete each of the four quality level (D, C, B and A) tasks based on these guidelines.

Firm shall conduct no more than 100 vacuum excavations to locate underground utilities for the Project.

- iv. Survey and Mapping – Half right-way and topographic survey (over the proposed water main location, from road center line to right-of-way line nearest to the proposed pipe) will be conducted within the Project Area in accordance with current City Water Department survey standards.
 - a. Survey drawing(s) shall be provided in AutoCAD® Civil 3D® format as well as with an electronically signed and sealed Report of Survey. Survey drawings will be saved in AutoCAD 2013 drawing format delivered to the City electronically. The AutoCAD® Civil 3D® drawings shall include pertinent surfaces, points, alignments, pipe networks, profiles and sections and related features within the Project Area.
 - b. Right-of-way lines will be determined in accordance with existing field monumentation, the last deed of record and/or platted subdivision records within the public records of Hillsborough County.
 - c. The Firm will locate visible aboveground site improvements, utilities and appurtenances. Underground utilities will be graphically depicted on the survey drawing(s) in accordance with visible appurtenances. The Firm will assume no responsibility for the completeness and/or accuracy of any subsurface data represented on the survey drawing(s) from information provided by utilities.
 - d. The Firm will determine site elevations on a maximum fifty (50') foot grid, at grade breaks, at changes in direction on curbing/paving as shown in Attachment A-1.

- e. The Firm will locate/identify living trees within the survey limits with a 4-inch or greater DBH (diameter @ breast height).
- f. This survey will be referenced to the State of Florida Plane Coordinate System, Traverse Mercator, West Zone of 1983 in feet (NAD 83-90 FT).
- g. All elevations will be referenced to published NGS/City of Tampa/Hillsborough County benchmarks relative to the NAVD 88 vertical datum.
- h. The Firm will prepare a Surface Model (DTM/TIN) and contour lines as part of this scope of services.
- v. Right of Entry Letters shall be used in the event of construction impacting private property. Property owners will be notified by the City prior to any alterations in the design that may affect their property. The Firm will relocate, repair, and/or reconstruct any items that may be impacted for the purpose of constructing this Project.
- vi. Existing Tree Survey and Arborist Report - a tree survey will be conducted along the limits of the Project to document the location, species and general health of all trees greater than 5" Diameter Breast Height (DBH). Location of the trees will be determined in Task 1B (iv). If protected trees are to be impacted by construction, the Arborist Report will include the preparation of the "Tree Debit Table" and the "Tree Removal and Pruning Plan". A Final Arborist Report will be prepared and submitted to the City. The Firm will submit five (5) paper copies and an electronic copy in PDF format to the City.

Unless otherwise agreed in an LTO, Firm shall perform all Task 1 services for each location.

TASK 2 – 60% Submittal

2A. 60% Complete Plans

Firm shall prepare 60% complete plans as 11" x 17" prints that will include the following:

- Existing utilities;
- Horizontal alignment, including all horizontal points of intersection, of the entire proposed water main at a scale of 1" = 40';
- Horizontal alignments of utility relocations; and
- Standard water main Construction Details.

Firm shall submit five (5) paper copies of the 60% complete plans (and an electronic copy in PDF format) to the City for review.

2B. Project Task Worksheet

For each respective GMP, the Firm shall prepare a preliminary draft Project Task Worksheet with a GMP estimate for consideration by the City to establish subcontracting goals prior to the formal submittal of the GMP to the City.

2C. 60% Complete Plans Review Meeting

Firm shall attend a review meeting with City to discuss the 60% complete plans and shall incorporate the City's comments into the plans as appropriate. Firm has included in the schedule ten (10)

business days for City review of this submittal.

2D. Project Scheduling

Firm will prepare a detailed project schedule of design and construction activities from the 60% complete plans.

2E. 60% Cost Estimating

Firm will prepare a design level budget estimate for the Construction Cost of the Project based upon the 60% complete plans.

Unless otherwise agreed in an LTO, Firm shall perform all Task 2 services for each location.

TASK 3 – 90% Submittal

3A. Preparation of 90% Complete Plans

Firm shall prepare 90% complete plans, comprising all of the sheets developed in the 60% complete stage and including the following:

- Vertical alignment of the entire proposed water main at a scale of 1" = 4';
- Vertical alignments as required of utility relocations;
- Water main interconnection details; and
- Other special details

Firm shall submit five (5) paper copies and an electronic copy in PDF format to the City for review for 90% plans review.

3B. Preparation of 90% Complete Technical Specifications

Firm shall prepare 90% complete technical specifications in the City's standard format containing all required specification sections. The City's standard technical specifications will be provided to the Firm for use in the contract documents.

3C. 90% Review

Firm shall furnish the City with two sets of 90% complete plans and technical specifications, shall attend a review meeting with City to discuss the 90% complete plans and technical specifications, and shall incorporate into the plans and specifications the City's comments as appropriate. Firm has included in the schedule ten (10) business days for City review of this submittal.

Unless otherwise agreed in an LTO, Firm shall perform all Task 3 services for each location.

TASK 4 – 100% Submittal

4A. Preparation of 100% Complete Plans

Following review by the City and incorporation of comments from the 90% submittal, Firm shall prepare 100% complete plans.

4B. Preparation of 100% Complete Technical Specifications

The Firm will prepare 100% technical specification that will incorporate the City review comments from the 90% submittal.

4C. Issue 100% Complete Plans and Technical Specifications for Contract Documents

Prior to the issuance of the 100% complete plans and technical specifications, Firm shall furnish the City with an electronic copy (PDF and Word format) of each for review. Firm has included in the schedule five (5) business days for City review of this submittal.

With final acceptance of the 100% complete plans and technical specifications, the Firm shall provide the City with five (5) half-size (11" x 17") signed and sealed paper copies of the 100% complete plans and 8.5"x11" technical specifications, and a compact disc containing unlocked .dwg files of the 100% complete plans; and PDF and Word formatted files of the 100% complete technical specifications.

Unless otherwise agreed in an LTO, Firm shall perform all Task 4 services for each location.

Task 5 – Permitting

5A. Preparation of Permit Applications

Firm shall prepare, submit applications for, and obtain permits required for construction of the Project. Firm shall provide the required number of signed and sealed plans to accompany the permit applications.

Hillsborough County Health Department permit application fee(s) will be paid by the City. CSX application fees shall be paid by the Firm and reimbursed by the City through the Allowance.

Permit applications to be prepared by the Firm are as follows:

- A. Hillsborough County Health Department permits: DEP Form 62-555.900(1) – Application for a Specific Permit to Construct PWS Components, or DEP Form 62-555.900(7) Notice of Intent to use the General Permit for Construction of water Main Extensions for PWSs
- B. Hillsborough County Public Works ROW Utilization Permits
- C. Florida Department of Transportation (FDOT) ROW Utilization Permits
- D. CSX Railroad ROW Utilization Permit

5B. Response to Comments from Permitting Agencies

Firm shall respond to and resolve comments from each permitting agency for approval of submitted permit applications.

Unless otherwise agreed in an LTO, Firm shall perform all Task 5 services for each location.

Task 6 – Public Outreach Services

Task 6 services are performed for the Project, and shall not be included in individual LTOs.

6A. Community Awareness/Outreach Plan

The Firm will be responsible for developing and implementing a detailed Community Awareness/Outreach Plan (Plan) that will be tailored to the specifics of the Project. Some of the key elements of the Plan will include an outline of outreach activities to be performed, internal and external lines of communication and Firm staff contact information. This Plan will serve as a living document and will be updated not less than once per month throughout the duration of the Project.

6B. Stakeholder Database and Analysis

The Firm will be responsible for identifying all impacted property owners and tenants (within and adjacent to the Project Area) for the development of a stakeholder database. In addition, the database will include, as stakeholders, City and county government officials, local law enforcement, emergency management services, fire and rescue, schools, hospitals, homeowner associations, local chambers of commerce, transit authority (if applicable), media and other interested parties. Information contained in the database will include contact information as well as documentation of all correspondence with stakeholders. Upon request, detailed electronic reports in the form of an Excel spreadsheet can be generated to provide communications with stakeholders. These reports can be prepared based upon dates and other criteria. The database will be maintained and periodically updated at least once per month throughout the duration of the Project.

6C. Public Information Meeting – Preparation and Attendance

The Firm will coordinate and attend all community outreach service activities for the Project for preparation of Public Information Meeting(s) to be conducted during the design. As the Project involves several locations for water main replacements under multiple GMPs, the Firm will coordinate and attend at least three (3) Public Information Meetings.

Community outreach service activities will include the following:

- Identifying an ADA compliant meeting facility
- Preparing Public Information Meeting materials and presentation
- Advance notifications and advertising of the Public Information Meetings via press releases, and distribution of Public Information Meeting notices to residents through social media, mailers, door hangers, yard signs, and other appropriate means.
- Attendance at Public Information Meeting(s)
- Set up and break down of Public Information Meeting(s)
- Preparation of final Public Information Meeting summaries specific to this Project

Specific to this task, deliverables include but are not limited to:

- Project Fact Sheets
- Public Information Meeting notifications
- Sign-in sheets for Public Information Meetings
- PowerPoint Presentation
- Meeting content information in compatible format and appropriate content for posting by the City on the City's website and City's social media platforms
- Comment cards
- Public Information Meeting signage to be placed near and at the site of the Public Information Meeting(s) the day of the meeting
- Name badges for Firm and City representatives attending meeting(s)

All deliverables will be provided to the City for review and approval prior to distribution. In addition, collateral materials/deliverables will be translated from English to Spanish.

The Firm will adequately staff the Public Information Meeting(s) to address design-related and outreach issues. A debriefing of the meetings will be conducted by the Firm for the City. Also, a summary will be generated and provided to the City outlining specifics about the meeting(s), including comments received from the public/stakeholders, along with copies of collateral materials used at the meeting(s). Collateral material refers to handouts, display boards, sign-in sheets, press releases, comment cards, PowerPoint presentations, and other media type material used within the public meeting(s). The collateral material will be delivered electronically in a PDF and Word formats.

6D. Regular Public Information | Outreach Activities

The Firm will perform public information and community outreach activities to include:

- Meetings/interaction with individual stakeholders, local organizations, HOAs, and businesses after submittal of the 60% design plans, or as needed.
- Participation on ten (10) monthly internal teleconference calls
- Maintain 24/7 Hotline
- Responding to stakeholder inquiries and documenting in stakeholder database
- Developing and distributing project collateral (i.e. mailers, project fact sheet, door hangers, notifications, Frequently Asked Questions (FAQs), etc.)

6E. Website and Social Media

The Firm will develop a 6-page Project-specific website focused on keeping the public aware of when their street will be affected and completed. The Firm will also be responsible for updating and maintaining the website, including Wordpress code and plugins, as well as updates not less than four times a month throughout the duration of the Project.

In addition, Firm will provide the City with updated Project information/content of compatible format for the City to post on the City’s social media platforms.

6F. Mobile App

Firm will develop a mobile application that will serve as a portal to the website to be used during the construction phase of the Project.

6G. Media Correspondence/Interviews/Media Clippings

Media relations will be handled by the City, but Firm will be responsible for providing the City with press releases and other pertinent Project information to be provided by the City to the media.

SECTION III. ALLOWANCE

Firm’s compensation as set forth in Exhibit B includes an allowance amount (“Allowance”) for additional services as may be requested by the City and/or for unforeseen circumstances, which shall be utilized at the City’s sole discretion. Firm is not guaranteed and shall not rely on receiving all or any portion of the Allowance. Firm shall not commence any work it intends to charge against the Allowance unless such work is first approved by the City in writing, which writing shall set forth an independent Notice to Proceed with such additional services together with a detailed scope of the additional services and the limits of compensation, including as applicable estimated hours and hourly rates.

Any work commenced by the Firm that Firm intends to charge against the Allowance without first receiving the City’s prior written approval will be deemed to be at the Firm’s sole cost without reimbursement. Any unused Allowance amounts shall belong 100% to the City and shall be deducted from Firm’s total compensation.

SECTION IV. ASSUMPTIONS AND CITY RESPONSIBILITIES

Assumptions

The following assumptions were made in the creation of this scope:

- It is assumed that geotechnical services other than those identified in Task 1B (ii) are not required for the Project.
- It is assumed no trees will be removed as part of the Project. The City will pay for all impact fees, if any, relating to tree removal throughout the Project.
- It is assumed that contaminated soils and contaminated ground water will not be encountered within the confines of the Project limit.
- Except as required for FDOT or Hillsborough County ROW Use permitting, it is assumed that no detailed, site specific, or signed and sealed MOT will be required for this scope and will instead be handled during the construction phase as part of a later adopted scope or otherwise.

City Responsibilities

In addition to what is specifically referenced in 1B.i. above, the following items are to be provided, or performed by the City:

- Provide available right of way mapping information (public right of way, easements, and utility encumbrances) within the Project Area.
- Provide access to Project Area drawings and AutoCAD files for the Project Area, if any, up to 15 years old
- Existing Utility/City agreements within the Project Area.
- Submittal reviews of plans, reports, and documents in a timely manner in accordance with the given schedule (10 business days maximum).
- Permitting support including contacts with permitting agencies, and facilitation of appropriate signatures on application forms.

SECTION V. SCHEDULE

All Exhibit A services shall be completed within 12 months from issuance of notice to proceed (NTP). The design services 12-month schedule is based on the following dates:

- City initial NTP issuance – not later than Friday, January 18, 2019; if issued later, Firm’s below deadlines will be extended by one day for each day later the NTP is not issued.
- 60% design submittal for Group #1 shall be scheduled so that Firm can provide the City with the Group #1 guaranteed maximum price 1 of 3 (GMP) not later than Friday, February 8, 2019; regardless the Group 1 final design shall be completed not later than February 10, 2019.
- 60% design submittal for Group #2 shall be scheduled so that Firm can provide the City with the Group #2 guaranteed maximum price 2 of 3 (GMP) not later than Friday, May 3, 2019; regardless the Group #2 final design shall be completed not later than July 20, 2018.
- 60% design submittal for Group #3 shall be scheduled so that Firm can provide the City with the Group #3 guaranteed maximum price 3 of 3 (GMP) not later than Friday, August 2, 2019; regardless the Group #3 final design shall be completed not later than October 19, 2019.

(End of Exhibit A)

Exhibit B - Compensation

18-C-00037; FY19 CIP WATER MAIN IMPROVEMENTS - DESIGN-BUILD

Firm's total compensation for performing all services described in Exhibit A shall not to exceed in the aggregate \$3,092,750.00, nor shall costs incurred within a particular task in the aggregate exceed the amount listed below for each task. Firm shall notify the City in writing when costs incurred equal 80% of said total compensation amount. Invoices shall be submitted monthly, shall be itemized, detailed, and accompanied by valid receipts.

CITY OF TAMPA INSURANCE REQUIREMENTS

Prior to commencing any work or services or taking occupancy under that certain written agreement or award (for purposes of this document, Agreement) between the City of Tampa, Florida (City) and Firm/Awardee/Contractor/Consultant/Lessee/non-City party, etc. (for purposes of this document, Firm) to which this document is attached and incorporated as an Exhibit or otherwise, and continuing during the term of said Agreement (or longer if the Agreement and/or this document so requires), Firm shall provide, pay for, and maintain insurance against claims for injuries to persons (including death) or damages to property which may arise from or in connection with the performance of the Agreement (including without limitation occupancy and/or use of certain property/premises) by Firm, its agents, representatives, employees, suppliers, subcontractors, or subcontractors (which term includes sub-consultants, as applicable) of any tier subject to the terms and conditions of this document. Firm's maintenance of insurance coverage as required herein is a material element of the Agreement and the failure to maintain or renew coverage or provide evidence of same (defined to include without limitation Firm's affirmative duty to provide from time to time upon City's request certificates of insurance, complete and certified copies of Firm's insurance policies, forms, and endorsements, information on the amount of claims payments or reserves chargeable to the aggregate amount of coverage(s) whether during the term of the Agreement or after as may be requested by the City in response to an issue or potential claim arising out of or related to the Agreement to which Firm's insurance obligations hereunder may apply or possibly help mitigate) may be treated as a material breach of the Agreement. Should at any time Firm not maintain the insurance coverages required, City at its sole option (but without any obligation or waiver of its rights) may (i) terminate the Agreement or (ii) purchase such coverages as City deems necessary to protect the itself (charging Firm for same) and at City's option suspending Firm's performance until such coverage is in place. If Firm does not reimburse City for such costs within 10 days after demand, in addition to any other rights, City shall also have the right to offset such costs from amounts due Firm under any agreement with the City. All provisions intended to survive or to be performed subsequent to the expiration or termination of the Agreement shall survive, including without limitation Firm's obligation to maintain or renew coverage, provide evidence of coverage and certified copies of policies, etc. upon City's request and/or in response to a potential claim, litigation, etc.

The City reserves the right from time to time to modify or waive any or all of these insurance requirements (or to reject policies) based on the specific nature of goods/services to be provided, nature of the risk, prior experience, insurer, coverage, financial condition, failure to operate legally, or other special circumstances. If Firm maintains broader coverage and/or higher limits than the minimums shown herein, the City requires and shall be entitled to such broader coverage and/or higher limits maintained by Firm. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City. No representation is made that the minimum insurance requirements are sufficient to cover Firm's interests, liabilities, or obligations. Required insurance shall not limit Firm's liability.

Firm acknowledges and agrees Firm and not the City is the party in the best position to determine applicability (e.g. "IF APPLICABLE"), confirm, and/or verify its insurance coverage. Acceptance by the City, or by any of its employees, representatives, agents, etc. of certificates or other documentation of insurance or policies pursuant to the terms of this document and the Agreement evidencing insurance coverages and limits does not constitute approval or agreement that the insurance requirements have been met or that coverages or policies are in compliance. Furthermore, receipt, acceptance, and/or approval of certificates or other documentation of insurance or policies or copies of policies by the City, or by any of its employees, representatives, agents, etc., which indicate less coverage than required does not constitute a waiver of Firm's obligation to fulfill these insurance requirements.

MINIMUM SCOPE AND LIMIT OF INSURANCE ¹

- A. Commercial General Liability (CGL) Insurance on the most current Insurance Services Office (ISO) Form CG 00 01 or its equivalent on an "occurrence" basis (Modified Occurrence or Claims Made forms are not acceptable without prior written consent of the City). Coverage must be provided to cover liability contemplated by the Agreement including without limitation premises and operations, independent contractors, contractual liability, products and completed operations, property damage, bodily, personal and advertising injury, contractual liability, explosion, collapse, underground coverages, personal injury liability, death, employees-as-insureds. Products and completed operations liability coverage maintained for at least 3 years after completion of work. Limits shall not be less than \$1M per occurrence and \$2M general aggregate for Agreements valued at \$2M or less; if valued over \$2M, a general aggregate limit that equals or exceeds the Agreement's value. If a general aggregate limit applies, it shall apply separately to the project/location (ISO CG 25 03 or 25 04 or equivalent). **(ALWAYS APPLICABLE)**
- B. Automobile Liability (AL) Insurance in accordance with Florida law, as to the ownership, maintenance, and use of all owned, non-owned, leased, or hired vehicles. AL insurance shall not be less than: (a) \$500,000 combined single limit each occurrence bodily injury and property damage for Agreements valued at \$100,000 or less or (b) \$1M combined single limit each occurrence bodily injury and property damage for Agreements valued over \$100,000. If transportation of hazardous material involved, the MCS-90 endorsement (or equivalent). **(ALWAYS APPLICABLE)**
- C. Worker's Compensation (WC) & Employer's Liability Insurance for all employees engaged under the Agreement, Worker's Compensation as required by Florida law. Employer's Liability with minimum limits of (a) \$500,000 bodily injury by accident and each accident, bodily injury by disease policy limit, and bodily injury by disease each employee for Agreements valued at \$100,000 and under or (b) \$1M bodily injury by accident and each accident, bodily injury by disease policy limit, and bodily injury by disease each for all other Agreements. **(ALWAYS APPLICABLE)**
- D. Excess (Umbrella) Liability Insurance for Agreements valued at \$2M or more, at least \$4M per occurrence in excess of underlying limits and no more restrictive than underlying coverage for all work performed by Firm. May also compensate for a deficiency in CGL, AL, or WC. **(ALWAYS APPLICABLE)**
- E. Builder's Risk Insurance for property loss exposure associated with construction/renovation/additions to buildings or structures, including materials or fixtures to be incorporated. Must be "All Risk" form with limits of no less than the project's completed value, have no coinsurance penalties, eliminate the "occupancy clause", cover Firm (together with its contractors, subcontractors of every tier, and suppliers), and name City as a Loss Payee. **(IF APPLICABLE)**
- F. Installation Floater coverage for property (usually highly valued equipment or materials such as compressors, generators, etc.) during its installation. Coverage must be "All Risk" including installation and transit for no less than 100% of the installed replacement cost value. **(IF APPLICABLE)**
- G. Architects & Engineers Liability/ Professional Liability (E&O)/ Contractors Professional Liability (CPL)/ Medical Malpractice Insurance where Agreement involves Florida-regulated professional services (e.g. architect, engineer, design-builder, CM, accountant, appraiser, investment banker medical professional) at any tier, whether employed or independent, vicarious design liability exposure (e.g. construction means & methods, design supervision), value engineering, constructability assessments/reviews, BIM process, and/or performance specifications. Limits of at least \$1M per occurrence and \$2M aggregate; deletion of design/ build liability exclusions, as applicable, and maintained for at least 3 years after completion of work/services and City's acceptance of same. **(IF APPLICABLE)**
- H. Railroad Protective Liability (RPL) Insurance for construction within 50ft of operated railroad track(s) or where affects any railroad bridge, trestle, tunnel, track(s) roadbed, or over/under pass. Subject to involved rail road's approval prior to commencement of work. **(IF APPLICABLE)**.
- I. Pollution and/or Asbestos Legal Liability Insurance where Agreement involves asbestos and/or environmental hazards/contamination risks (defined broadly, e.g. lead, mold, bacteria, fuel storage, underground work, cleanup (owned or non-owned sites), pollutant generation/transportation, marine/natural resource damage, contamination claim, restitution, business interruption, mold, fungus, lead-based paint, 3rd party claims/removal, etc.), with limits of at least \$1M per occurrence and \$2M aggregate, maintained for at least 3 years after Agreement completion. **(IF APPLICABLE)**
- J. Cyber Liability Insurance where Agreement involves portals allowing access to obtain, use, or store data; managed dedicated servers; cloud hosting services; software/hardware; programming; and/or other IT services

¹ "M" indicates million(s), for example \$1M is \$1,000,000

and products are involved. Limits of not less than \$2M per occurrence and \$2M aggregate. Coverage sufficiently broad to respond to duties and obligations undertaken by Firm, and shall include, but not be limited to, claims involving infringement of intellectual property/copyright, trademark, trade dress, invasion of privacy violations, damage to or destruction of electronic information, information theft, release of confidential and/or private information, alteration of electronic information, extortion, virus transmission, and network security. Coverage, as applicable and with sufficient limits to respond, for breach response costs, regulatory fines and penalties, credit monitoring expenses. (IF APPLICABLE)

K. Drone/UAV Liability Insurance where Agreements involves unmanned aerial vehicles/drones. Coverage to include products and completed operations, property damage, bodily injury with limits no less than \$1M per occurrence, and \$2M aggregate; may be provided by CGL endorsement subject to City's prior written approval. ADDITIONAL REQUIREMENTS

ACCEPTABILITY OF INSURERS - Insurance is to be placed with insurers admitted in the State of Florida and who have a current A.M. Best rating of no less than A-VII or, if not rated by A.M. Best, as otherwise approved by the City in advance and in writing.

ADDITIONAL INSURED - City, its elected officials, departments, officers, officials, employees, and volunteers together with, as applicable, any associated lender of the City shall be covered as additional insureds on all liability coverage (e.g. CGL, AL, and Excess (Umbrella) Liability) as to liability arising out of work or operations performed by or on behalf of Firm including materials, parts, or equipment furnished in connection with such work or operations and automobiles owned, leased, hired, or borrowed by or on behalf of Firm. Coverage can be provided in the form of an endorsement to Firm's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 10 20, CG 20 26, CG 20 33, or CG 20 38 and CG 20 37 if later revisions used).

CANCELLATION/NON-RENEWAL - Each insurance policy shall provide that at least 30 days written notice must be given to City of any cancellation, intent to non-renew, or material reduction in coverage (except aggregate liability limits) and at least 10 days' notice for non-payment of premium. Firm shall also have an independent duty to notify City in like manner, within 5 business days of Firm's receipt from its insurer of any notices of same. If any policy's aggregate limit is reduced, Firm shall directly take steps to have it reinstated. Notice and proof of renewal/continued coverage/certifications, etc. shall be sent to the City's notice (or Award contact) address as stated in the Agreement with a copy to the following:

Contract Administration Department, 306 E Jackson St, Tampa, FL 33602 Purchasing Department, 306 E Jackson Street, Tampa, FL 33602
 Other: _____

CERTIFICATE OF INSURANCE (COI) - to be provided to City by insurance carrier prior to Firm beginning any work/services or taking occupancy and, if the insurance expires prior to completion of the work or services or Agreement term (as may be extended), a renewal COI at least 30 days before expiration to the above address(es). COIs shall specifically identify the Agreement and its subject (project, lease, etc.), shall be sufficiently comprehensive to insure City (named as additional insured) and Firm and to certify that coverage extends to subcontractors' acts or omissions, and as to permit the City to determine the required coverages are in place without the responsibility of examining individual policies. **Certificate Holder must be The City of Tampa, Florida.**

CLAIMS MADE - If any liability insurance is issued on a claims made form, Firm agrees to maintain such coverage uninterrupted for at least 3 years following completion and acceptance of the work either through purchase of an extended reporting provision or purchase of successive renewals. The Retroactive Date must be shown and be a date not later than the earlier of the Agreement date or the date performance/occupancy began thereunder.

DEDUCTIBLES/ SELF-INSURED RETENTIONS (SIR) - must be disclosed to City and, if over \$500,000, approved by the City in advance and in writing, including at City's option being guaranteed, reduced, or eliminated (additionally if a SIR provides a financial guarantee guaranteeing payment of losses and related investigations, claim administration, and defense expenses). Firm shall be fully responsible for any deductible or SIR (without limiting the foregoing a policy with a SIR shall provide or be endorsed to provide that the SIR may be satisfied by either the City or named insured). In the event of loss which would have been covered but for a deductible or SIR, City may withhold from any payment due Firm, under any agreement with the City, an amount equal to same to cover such loss should full recovery not be obtained under the policy.

PERFORMANCE - All insurance policies shall be fully performable in Hillsborough County, Florida (the County), and construed in accordance with Florida law. Further, all insurance policies must expressly state that the insurance company will accept service of process in the County and that the exclusive venue for any action concerning any matter under those policies shall be in the appropriate state court of the County.

PRIMARY POLICIES - Firm's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as to the City, its elected officials, departments, officers, employees, and volunteers. Any insurance or self-insurance maintained by the City, its elected officials, departments, officers, employees, and volunteers shall be excess of the Firm's insurance and shall not contribute with it.

SUBCONTRACTORS/INDEPENDENT ASSOCIATES/CONSULTANTS/SUBTENANTS/SUBLICENSEE - Firm shall require and verify that all such entities maintain insurance meeting all requirements stated herein with the City as an additional insured by endorsement (ISO FORM CG 20 38, or broader) or otherwise include such entities within Firm's insurance policies. Upon City's request, Firm shall furnish complete and certified copies of copies of such entities' insurance policies, forms, and endorsements.

SUBCONTRACTOR DEFAULT INSURANCE, CONTROLLED INSURANCE PROGRAM, WRAP-UP. Use requires express prior written consent of City Risk Manager.

UNAVAILABILITY - To the fullest extent permitted by law, if Firm is out of business or otherwise unavailable at the time a claim is presented to City, Firm hereby assigns to the City all of its right, title and interest (but not any liabilities or obligations) under any applicable policies of insurance.

WAIVER OF SUBROGATION - With regard to any policy of insurance that would pay third party losses, Firm hereby grants City a waiver of any right to subrogation which any insurer of Firm may acquire against the City by virtue of the payment of any loss under such insurance. Firm agrees to obtain any endorsement that may be necessary to affect such waiver, but this provision shall apply to such policies regardless.

WAIVER/RELEASE AGREEMENT - Where Firm has a defined group of persons who might be exposed to harm (e.g. participants in an athletic event/program, volunteers) any waiver or release agreement used by Firm whereby such persons (and their parent/guardian as applicable) discharge Firm from claims and liabilities, shall include the City, its elected officials, departments, officers, officials, employees, and volunteers to the same extent as Firm.

EXHIBIT D

City of Tampa's Equal Business Opportunity Program Procedures for Construction Management and Design-Build Projects

- Prior to the time goals are set, the Construction Manager (CM) or the Design-Builder (D-B) provides information on subcontract packages planned (via the Project Task Worksheet) and their sequencing.
- The CM (or D-B) participates in a meeting to establish aspirational goals for SLBE or W/MBE subcontractor participation for the project.
- For each subcontracting package to be bid, the CM (or D-B) confirms with the MBD Office, the list of available SLBE or W/MBE firms to be solicited.
- The CM (or D-B) documents notification of all potential subcontractors, including the SLBE or W/MBE firms identified above
- The CM (or D-B) receives, opens, and tabulates subcontract bid results. The City, including representatives of the managing department and the MBD Office, may be present for the bid openings or to review the bids submitted.
- The CM (or D-B) provides to the City, a tabulation of all bids received and its determination of the lowest responsive/responsible bidder. If bids received exceed contracted Guaranteed Maximum Price, CM (or D-B) advises City as to how they will proceed. If re-bidding is selected, notification at least equal to the original solicitation will occur.
- As all subcontracts are executed, final copies are provided to the City. Where participation is achieved via sub-subcontractors and/or suppliers, the CM (or D-B) provides the City with copy of executed agreement or purchase order as documentation.
- During construction, monitoring activities may including but may not be limited to, subcontractor payment reports to be submitted with pay requests, prior approval by the MBD Office and the managing departments, of any replacement of SLBE or W/MBE subcontractors, and a report of final amounts paid to all subcontractors.
