Container Service

Roll-offs and Compactors

We offer 10, 20, 30 and 40 yard, open or closed top, roll-off containers for garbage and recycling.

Front End Load Dumpsters

We offer 2, 4, 6 and 8 yard dumpsters for garbage and recycling.

- **Enclosure Maintenance** – Customers are responsible for eliminating bulky items, debris from within the enclosure, excessive garbage on top of the container and removing all private locks.
- **Container Maintenance** – Customers may receive up to two cleanings per year at no additional charge. Maintenance can be scheduled by calling (813) 274-8811.
- **Container Repairs** – Repairs to damaged wheels, lids, lock bars or container body can be scheduled by calling (813) 274-8811.
- **Container Access** – Customers are responsible for ensuring containers are accessible for service. Blocked containers unable to be serviced and resulting in subsequent visits may incur additional charges.

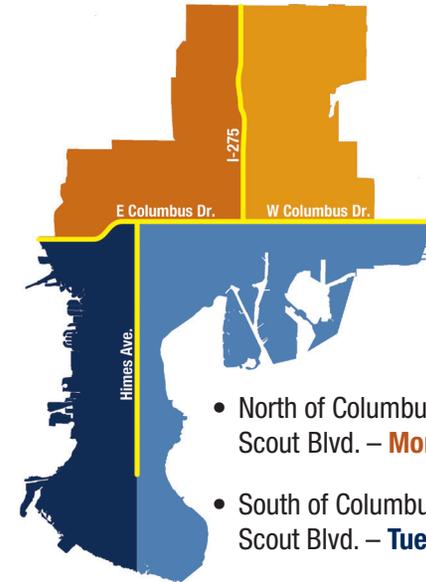

Cart Service

- **Cart Placement** – Please place carts curbside either the night before your designated pick-up day, or **before 6:00 AM on your pickup day.**
- **All Material Must Be Placed Inside the Cart.** Items outside and next to the cart cannot be collected because of the automated collection process and equipment. A special pickup for these items can be requested by calling (813) 274-8811.
- **Cart Lid Must Be Closed** with no material extending out of the cart.
- **Remove Cart from the Curb** by the end of your service day.
- **Cart Maintenance** is the responsibility of the customer. We recommend washing your cart every other month.
- **Cart Repairs** such as missing wheels, bars, or body damage, can be scheduled by calling (813) 274-8811.

Commercial Cart Service Days

Commercial Service Schedule

- North of Columbus Drive/W. Boy Scout Blvd. – **Monday & Thursday**
- South of Columbus Drive/W. Boy Scout Blvd. – **Tuesday & Friday**
- **Safe Distance** – For everyone's safety, carts must be placed 3 feet away from each other or from any obstacle to be serviced. Failure to maintain this distance will result in non-collection.
