

Hampton Terrace Neighborhood Resurfacing and Traffic Calming

City Project #1001162

Project Background:

This project will construct improvements within the Hampton Terrace Neighborhood Association. The limits of this project are between N Nebraska Avenue and N 15th Street from east to west, and between E Henry Avenue and E Hanna Avenue from south to north. The project will rehabilitate the existing roadway and improve drainage conditions throughout the neighborhood.

Additionally, the City will be installing traffic calming measures to address the speeding issues and pedestrian safety. The City will hold a public workshop on July 26 at 6PM located at Ragan Park. There will be a formal presentation followed by a workshop where members of the community can provide input for the proposed enhancements and traffic calming.

Summary of Project Costs and Schedule:

Phase	Firm	Amount	Schedule	
			Start	Finish
Geotechnical	Driggers Engineering	\$2,500	01/2018	01/2018
Survey	Metzger & Willard, Inc.	\$43,000	12/2017	01/2018
Design (City)	Cardno	\$99,000	12/2017	11/2018
Construction	TBD	\$1,400,000	TBD
