

Downtown Train Horn Quiet Zone

CIP Project #1000703

Project Description:

In January 2015 the Florida Department of Transportation (FDOT) awarded the City of Tampa \$1.35 million from the Quiet Zone Grant Program for implementation of a Downtown Train Horn Quiet Zone along the CSX tracks. In order to silence the train horn, the City of Tampa plans to upgrade nine (9) public highway-rail crossings through downtown Tampa along Polk Street from Gasparilla Plaza to North Jefferson Street. These upgrades will include additional gating, street medians, and signage in order to meet the quiet zone requirements established by the Federal Railroad Administration.

Project Area:

Cost Estimate and Funding :

Phase	Firm/Agency	Cost	Funding	Estimated Schedule	
				Start	Finish
Design	CSX	\$176,000	FDOT Grant Downtown CRA LOGT	Aug 2015	Dec 2016
	City of Tampa / King Engineering	\$96,000			
Construction	CSX/City	\$3,466,000		May 2017	Dec 2018*
TOTAL **		\$3,738,000			

*Schedule tbd by CSX
