

Ridgewood Park Neighborhood Resurfacing and Traffic Calming

Neighborhood Resurfacing Project | City Project No: 1001162

Project Description

Ridgewood Park is an area bounded by North Boulevard to the east, Columbus Drive to the north, and the Hillsborough River on the south and west. This proposed project improvement includes:

- Milling and resurfacing 30,031 SY of roadway.
- Traffic-calming installments to improve public safety.
- Community engagement to gain public inputs on traffic calming suggestions.
- Re-profiling roads to improve drainage conditions and to mitigate standing water issues.
- ADA upgrade of non-compliant curb ramps.
- Full roadway reconstruction for N Glenwood Dr. between Ross Ave. and W Columbus Dr.
